WEEK 1	ORAL WORK AND LISTENING & SPEAKING		
LO/ASs	LO 1 AS 1, 2, 4	LO 2 AS 1,5,6	LO 5 AS 3
MILESTONES	- Listens and responds to radio or intercom announcements and instructions - Listens to stories, read by the teacher or over the radio, for a longer period with interest - Participates in group and class discussions, suggesting topics and contributing ideas - Suggests solutions to a problem, specifically word problems in Numeracy.		
NOTES	- Daily Morning Oral Work is done every day, with the learners sitting on the carpet. - Listening and Speaking activities are done twice a week, later in the day, for example after break.		
RESOURCES	- Day/Month chart - Weather chart and symbols		
DAILY ACTIVITIES			
DAILY MORNING ORAL WORK			
DAY 1: DAY/MONTH/WEATHER CHART			
- Begin the day by greeting everybody and welcoming them back to school. If there are any new children in the class take a few minutes to introduce them to the other learners. If necessary, briefly remind learners of the classroom routines, classroom rules, toilets, washing hands, playtime etc. - Discuss the day/month charts and any special happenings. - Use the weather chart. Show the different weather symbols and words on flashcards: <i>windy, sunny, cloudy, rainy, stormy</i>. - Learners match the symbols and words. - Talk about the weather. Ask: <i>What is the weather like today? What was it like yesterday?</i> - One learner puts the correct symbol for the day on the weather chart. - Sing a song with learners joining in.			
DAY 2: HOLIDAY NEWS			
- Begin the day by discussing the day/month charts and any special happenings. - Tell the learners about a special day in your holidays. Model for them how to do this expressively by using descriptive language and different gestures. - Tell the learners they are going to interview a friend about a special day in the holidays. Together as a class, discuss (and write on the board) a list of questions to ask the person, e.g. <i>Where did you go on that day? Who did you go with? What did you do there? What made that day special?</i> - Explain to learners that over the next two days they will use the questions to interview a friend about a special day in the holidays.			

DAY 3-4: INTERVIEWS

- Discuss the charts and any special happenings.
- Divide learners into pairs to interview each other about a special day in the holidays. Learners use the list of questions on the board (Day 2) and ask additional questions for clarification.
- Walk around the class and listen to some of the interviews. Observe and record any problems you notice.

DAY 5: MORNING MESSAGE

- Write a 'morning message' on the board for the learners. It should be on the board when they arrive. It should be a short meaningful message, for example:
Dear Grade 3's, Today we are going to report back about our holidays. From Ms Dlamini.
- Learners try to read it silently and then ask questions, read and discuss it with you.
- Have 5-6 learners volunteer to stand up and tell the class what they learned about their friend's holiday, e.g. *My friend Lufuno went to visit his uncle for the holidays. His best day was when they went swimming together. He loves the sea and it was a special day.*

LISTENING AND SPEAKING

ACTIVITY 1: READ ALOUD

- Read a short, suitable story to the learners. Make sure it is slightly longer than those you read aloud in the first term. You could choose a story from a picture book, text book or reader.
- Introduce the story to the learners and draw on their prior knowledge and experiences (their worlds). Introduce any new words needed for the story. These can be written onto flashcards and placed on the Word Wall.
- Read the story to the learners in a lively, interactive way.
- **Use for Assessment Task 1. Note in your Assessment Notebook who is unable to listen for a longer period with interest.**

ACTIVITY 2: RESPONDING TO THE STORY

- Ask learners some questions about the story, e.g. *Who was in the story? Where did the story take place? How did the story begin? What happened next? etc.*
- Responding to the story: Each learner does a drawing showing their favourite part of the story.
- Learners can show their drawings to a partner and talk about whether they liked the story or not.

ASSESSMENT: Formal: recorded Assessment Task 1:

Use Activity 1 (Read Aloud) to rate the learners, recording any problems against the following milestone:

- Listens to stories, read by the teacher or over the radio, for a longer period with interest

Try to make your Listening and Speaking time fun! Listening for mistakes is a game most learners will enjoy. For example, you can count from one to ten, but miss out one of the numbers. Tell learners to put up their hands when you miss out a number. You can also do this activity with the alphabet.

WEEK 1	PHONICS & SPELLING + HANDWRITING		
LO/ASs	LO 3 AS 4	LO 4 AS 5, 7	LO 6 AS 1
MILESTONES	<i>Phonics</i> - Recognises 'l' and 'u' sounds e.g. 'l' - tie, high, sky; 'u' – few, blue - Builds and sounds words at level of phonetic knowledge <i>Handwriting</i> - Uses handwriting tools effectively e.g. pencil, rubber, ruler - Forms upper and lower case letters correctly		
NOTES	- Although <u>Phonics and Spelling</u> fall under Word and Sentence Level Work, you may prefer to do the Phonics and Spelling early in the day. Phonics and Spelling should be done directly after one another. Prepare daily phonic oral activities and written tasks; prepare daily spelling words and sentences. <u>Handwriting</u> is done twice a week. It can be linked to the Phonic/Spelling words and can be done directly after Phonics or at a separate time.		
DAILY ACTIVITIES			
PHONICS: FIRST FULL WEEK: REVISE PHONICS - Sing the alphabet song. Make sure all the learners can say the name and sound of each letter. - Choose some of the consonant blends from the first term to revise this week e.g. st-, br-, cr-, dr-, sl, sk-. You should choose the blends that <u>you know</u> have been difficult for your learners, e.g. revising the 'sk' blend may be more important than revising 'st'. - Make the revision fun by using some of the games and activities suggested below. Remember that each day you must choose two oral activities and a written task. Here are some suggestions: <u>Blending (for reading)</u>: Sound out a CVC word. Learners say the word normally. <u>Blending (for reading)</u> Sound out a CVC word. Learners construct the word with their letters. (Letters can be made by the learners on squares of paper. See Week 1, Term 1. Plastic letters can also be used.) <u>Segmenting (for spelling)</u>: Say a CVC word. Learners sound out the word. <u>Written Task</u>: Silly sentences. Help learners to create silly alliterative sentences. For example, 'Six snakes sell sweets'. Children can write their sentence and draw a picture to go with it. <u>Blending (for reading)</u>: <u>Sound It Out</u>: Write the song 'Sound It Out' on chart paper. Sing the song to the tune of 'If you're happy and you know it'. At the end of the song, say a word in parts for the children to orally blend. For example, /f/ ...ag. Then sing the song several times			

At the end of each singing, point to a child to provide word parts for the class to blend.

Sound It Out

If you have a new word, sound it out

If you have a new word, sound it out

If you have a new word,

Then slowly say the word.

If you have a new word, sound it out

- **Unscramble It:** Divide the class into teams of three to four. Provide each team with a list of ten scrambled words. The words can include the vowel sounds or consonant blends you wish to revise. Allow each team five minutes to unscramble as many words as possible.
- **Written Task:** Learners choose the correct letters to complete words in sentences, e.g.
sk sl sp
 I like to __ip.
 We write a __elling test on Fridays.
 My puppy __eeps a lot.
- **Written Task:** Word Sort: Give learners sets of word cards (approximately 10-15). Have them sort the word cards first in any way they choose such as by word length. Then suggest a way for the learners to sort the words, for example by initial or end-sound. Make sure that the words you provide can be sorted in more than one way. Learners can write their sorted words in columns.

SPELLING ACTIVITIES:

- **Written task:** Each day, learners write five of the PHONICS words and a short sentence for each word into their Spelling Books to revise for homework. (You need to provide the sentence. This has the advantage of sight word revision.)
- Remind learners of the 6-step routine for learning to spell a word: *look, spell out loud, look again, cover, write, check*.
- On Day 5 have a short, stress-free spelling test of the week's words/sentence (as well as the sight words for the week). After the test you can write the words/sentence on the board for learners to do self- or peer assessment by comparing their answers to those on the board.

HANDWRITING:

ACTIVITY 1:

- Choose two letters dealt with in the first term to revise. You should choose the letters that you know have been difficult for your learners, e.g. d, g, and q can be tricky letters that are easily reversed.
- Revise the formation of both the upper and lower case of the letters. Focus on writing on the line and forming each letter correctly (starting and ending point, shape, size, direction of movement). Finally, learners copy a sentence from the board using some of the letters and the spelling words.

ACTIVITY 2:

- Choose another two letters dealt with during the first term to revise. Learners write a row of each letter after watching you write it. Finally, learners copy a sentence from the board. **Use for Assessment Task 1.**

ASSESSMENT: Formal: recorded Assessment Task 1:

Use this weeks phonics activities to rate the learners, recording any problems against the following milestone:

- Builds and sounds words at level of phonetic knowledge.

Use one of the handwriting lessons to rate the learners against the following milestones:

- Uses handwriting tools effectively e.g. pencil, rubber, ruler.

Ask questions to make the learners think e.g. <i>Which day comes before Friday? What is the fifth month? What day of the week is Saturday?</i> - Show the birthday chart and ask some questions, e.g. <i>How many children will celebrate their birthdays this month? How many children will celebrate their birthdays this term?How many boys will celebrate their birthdays this month/term?</i> - Continue to write a ‘morning message’ on the board for learners.		
DAY 2: DISCUSSING BIRTHDAYS		
- Have a class discussion about birthdays and how different people celebrate their birthdays. Begin the discussion by describing what you did on your last birthday or a childhood birthday that you will never forget. Try to include details such as what you did, what you ate, what you wore and how you felt. - Let the learners share details about how they celebrate their birthdays. - Sing ‘birthday’ songs (in different languages) to end the lesson.		
DAY 3: WORD PROBLEMS		
- Use birthdays as a theme to base word problems on, e.g. <i>Mrs Mamelo was born on 2 January 1965 and Mr Mamelo was born on 2 November 1961. How much older is Mr Mamelo than Mrs Mamelo?</i> - Make your questions more challenging by adding other family members such as children, e.g. <i>Who was born in February? Is Treasure older or younger than his sister Mary? etc.</i> - Sing a song to end the activity.		

DAY 4: DISCUSSING BIRTHDAYS

- Discuss the charts and any special happenings.
- Learners work in small groups to discuss questions like: *What was the best birthday present you ever received? What was special about it? Do people often give different kinds of presents to boys than girls? Why do you think this is so?*
- Before learners start, tell them that each group will have a chance to report back on their discussions tomorrow. Each group should choose one person to prepare to report back.

DAY 5: DISCUSSING BIRTHDAYS

- Discuss the charts and any special happenings.
- Continue to write a 'morning message' on the board for learners.
- Each group has a chance to report back on their discussions.

LISTENING AND SPEAKING

ACTIVITY 1: A WEATHER REPORT

- Record an example of a radio weather report. Prepare the learners by teaching them a few of the key words and phrases used in a weather report, e.g. 'cold front'.
- Write two or three questions about the report on the board (before the learners have listened to the report). Read through the questions and make sure all the learners know what to listen out for.
- Learners listen to the report and write answers to the questions. **Use for Assessment Task 1.**

ACTIVITY 2: HAVE YOU EVER ...? QUESTIONS

- Together with the learners ask and answer a range of 'Have you ever?' questions, e.g. Have you ever gone to a birthday party? Have you ever had a birthday party at school? Have you ever been given a doll as a present?
- Explain that asking a question beginning with 'Have you ever?' is the same as asking if the person has done it in their lives.
- To practise the structure, learners can work in pairs to ask and answer questions about everyday activities, e.g. *Have you ever played soccer? Have you ever tasted meatballs? Have you ever been to Pretoria? etc.*

ASSESSMENT: Formal: recorded Assessment Task 1:

Use the listening activity 1 to rate the learners, recording any problems you have noticed, against the following milestone:

- Listens and responds to radio or intercom announcements and instructions

Use Morning Oral Work (Days 1-5) to rate the learners, recording any problems you have noticed, against the following milestones:

- Takes part in group and class discussions.
- Suggests solutions to a problem, specifically word problems in Numeracy. (This can also be observed during Numeracy time).

Another fun activity for learners to play is the game **Simon Says...**

To play:

- Give learners instructions, like: 'Touch your head'.
- If you say 'Simon says touch your head', the learners should do the action. If you just say: 'Touch your head', they should not do the action.
- If a learner does the action at the wrong time then they are 'out' of the game.
- The winner is the learner who's left when all the others have stopped playing.

WEEK 2	PHONICS & SPELLING + HANDWRITING																		
LO/ASs	LO 3 AS 4	LO 4 AS 5, 7	LO 6 AS 1																
MILESTONES	<i>Phonics</i> - Recognises ‘I’ and ‘U’ sounds e.g. ‘I’ - tie, high, sky; ‘U’ – few, blue - Builds and sounds words at level of phonetic knowledge <i>Handwriting</i> - Uses handwriting tools effectively e.g. pencil, rubber, ruler - Forms upper and lower case letters correctly																		
NOTE	As the handwriting policy in many provinces requires learners to use a joined or cursive script from grade 3 upwards, the Handwriting component of these Lesson Plans has been written with that in mind. If this is not the case in your province, continue to use the Handwriting lessons to develop correct letter formation and to increase the speed of writing.																		
DAILY ACTIVITIES																			
PHONICS: LONG-I SOUND																			
DAYS 1 - 5:																			
- The most common spellings of the long ‘i’ sound are ie (tie), igh (high) and y (sky). - Introduce one spelling each day. - Write a set of words containing the sound on the board. (See below) - Show learners how the letters make the long ‘i’ sound. Sound out each word. - A suggested sequence: Day 1: long ‘i’ sound: ie words (<i>tie, pie, lie, die, tries, dries, cries</i>) Day 2: long ‘i’ sound: igh words (<i>high, thigh, sigh</i>) Day 3: long ‘i’ sound: ight words (<i>right, light, might, tight, bright, fright</i>) Day 4: long ‘i’ sound: y words (<i>my, by, cry, dry, fly, why, sky, shy</i>) Day 5: Consolidation of the week’s sounds, e.g. give a mixed list of long ‘i’ sound words for sorting:																			
<table><tr><td>ie words</td><td>igh words</td><td>ight words</td><td>y words</td></tr><tr><td></td><td></td><td></td><td></td></tr><tr><td></td><td></td><td></td><td></td></tr><tr><td></td><td></td><td></td><td></td></tr></table>				ie words	igh words	ight words	y words												
ie words	igh words	ight words	y words																
Note: Remember that a suggested plan for the revision / introduction of the phonic sounds is included as an Annexure at the end of this document.																			

PHONICS ACTIVITIES: Each day, choose two oral activities and a written task. Here are some suggestions:

- Blending: Sound out a word e.g. sk-y. Learners put the sounds together to make a word.
- Blending: Sound out a word e.g. high. Learners construct the word with their letters or do a 'quick-write' and write it on a whiteboard or slate.
- Segmenting: Learners work in pairs to segment words on the board into 2/3 sounds.
- Written Task: Learners re-arrange groups of letters to make words, e.g. ghsit = sight.
- Written Task: Learners choose the correct letters to complete words, e.g.

ight igh ie y

It is dark at n_____t.

I like to eat chicken p__.

I will tr__ to pick up the box.

The shelf is very h_____.

- Written Task: Word Sort: Give learners sets of word cards. Have them sort the word cards first in any way they choose, such as by common sounds or word length. Then suggest a way for the learners to sort the words. Make sure that the words you provide can be sorted in more than one way. For example use words containing the long 'i' sound spelled **y, igh, ie**. Learners can write their sorted words in columns.

SPELLING ACTIVITIES

- Written task: Each day, learners write five of the PHONICS words and a short sentence for each word into their Spelling Books to revise for homework. (You need to provide the sentence. This has the advantage of sight word revision.)
- On Day 5 have a short, stress-free spelling test of the week's words/sentence (as well as the sight words for the week).

HANDWRITING: JOINING LETTERS: UPPER AND LOWER CASE LETTERS

Note: Depending on your provincial policy, Grade 3 is usually when you should teach your learners to join the letters together to make joined or cursive handwriting. If so, it is important to show them how to join letters which are commonly used together, for example 'hi', 'it', 'ee', 'ir', and so on. It is not very useful to teach learners combinations which do not usually occur together in words, for example, 'vw' or 'zt'.

To begin joined writing, this term you would teach learners how to form the letters in both upper and lower case using cursive or joined writing, as per these Lesson Plans.

ACTIVITY 1:

- Show learners the formation of lower and upper case letters ***l, h***. Show learners how they join onto the letter that follows them. Learners write a row of each letter after watching you write it. Focus on writing on the line and forming each letter correctly (starting and ending point, shape, size, direction of movement).

ACTIVITY 2:

- Show learners the formation of lower and upper case letters ***b, k***. Show learners how they join onto the letter that follows them. Learners write a row of each letter after watching you write it. Focus on writing on the line and forming each letter correctly (starting and ending point, shape, size, direction of movement).

ASSESSMENT:

Informal: unrecorded assessment of learners' ability to recognise long 'i' sounds.

WEEK 2	READING
LO/ASs	LO 3 AS 2, 3, 5 LO 4 AS 5 LO 5 AS 2 LO 6 AS 2,3,6
MILESTONES	<i>Shared reading</i> - Reads book as a whole class with teacher (shared reading) and discusses plot and cause effect relations - Demonstrates understanding of the text by identifying details such as setting and sequence of events - Answers higher order questions based on the passage read <i>Group, guided reading</i> - Reads aloud from book at own level in a guided reading group with teacher i.e. whole group reads same story - Uses decoding and comprehension skills when reading unfamiliar words <i>Paired/Independent reading</i> - Reads aloud to a partner - Builds own word bank and personal dictionary using initial and second letter of words e.g. act, ant, ask. (Writing milestone)
NOTE	Prepare the Language work/task.
RESOURCES	- A Big Book (published or home-made). It should be a story. - Graded group readers or class readers for Guided Reading groups. - Copies of poems and riddles for Group Reading.

DAILY ACTIVITIES

DAY 1:

SHARED READING AND WRITING: INTRODUCING A SHARED TEXT

- Introduce and orientate learners to a new shared text. The text must be a story with a clear beginning, middle and end e.g. a Big Book or a short story.

WORD & SENTENCE LEVEL WORK/GROUP, GUIDED & INDEPENDENT READING/ WRITING

- Teach 5 new vocabulary words based on the text.
- Vocabulary task: Learners write the 5 vocabulary words into their Personal Dictionaries. Remind learners to try to use the initial and then second letter to put words in alphabetical order. **Use for Assessment Task 1 for Writing. Check learners' personal dictionaries and note in your Assessment Notebook who is unable to use initial and second letters to include words alphabetically in Personal Dictionary. Every learner should be assessed by the end of Week 3.**
- Guided reading: Blue Group
- Focus for the week: Using decoding skills when reading unfamiliar words to make meaning. Answering higher order (open-ended) questions.
- Independent reading as before.

Note: Remember that the vocabulary from the Shared Reading texts can be the starting point for the teaching of additional vocabulary. You can take the opportunity to also introduce other, related words – even if they don't appear in the actual text. For example, if the story uses describing words (adjectives) like happy and long, you could teach learners opposites (antonyms) like sad and short.

DAY 2:

SHARED READING AND WRITING: MODELED READING

- Read the text to the learners modelling the following: Pausing at full stops, looking carefully at illustrations for more information, reading fluently, pronouncing words correctly. Stop once or twice to model using decoding skills to read unfamiliar words e.g. *This word looks difficult, I don't know it so let me sound it out: m-oun-ta-in, mountain, yes that word fits the story, mountain.*
- Afterwards check understanding by asking 3 - 4 oral *wh* questions (*who...*, *where...*, *what happened...*, *why..*).

WORD & SENTENCE LEVEL WORK/GROUP, GUIDED & INDEPENDENT READING/ WRITING

- Written Comprehension task: Learners complete a short comprehension based on the Shared Reading text. It should consist of 3-4 factual questions, a question about the main idea, setting and sequence of events. **Use for Assessment Task 1.**
- Guided reading: Yellow Group; Independent reading.

DAY 3:

SHARED READING AND WRITING: SHARED READING

- Do Shared Reading with learners. Afterwards ask some open-ended questions to draw out any cause-effect relations in the story, e.g. *What happened when _____ did _____? Why do you think _____ happened?* **Use for Assessment Task 1. Note in your Assessment Notebook who is unable to discuss cause-effect relations.**

WORD & SENTENCE LEVEL WORK/GROUP, GUIDED & INDEPENDENT READING/ WRITING

- Language: Write a past tense sentence on the board. You should try to use a sentence from the Shared Reading text, e.g. *Mary woke up in the morning and felt very excited.* Read the sentence with the learners and help them identify the action words (*woke, felt*). Explain that action words are called **verbs**. All sentences need to have at least one verb.
- Write a list of past tense verbs on the board, e.g. *woke, gave, looked, saw, waited, sang, enjoyed.* Explain that these verbs tell us about things that are in the past. They are written in the past tense. Help learners identify the verbs from the list that end in **–ed**. Explain that many past tense verbs end with **–ed**. Help learners identify the verbs from the list that are in the past tense but do not end in **–ed**.
- Draw attention to any past tense verbs in the text.
- Language Task: Learners choose past tense verbs to complete sentences. The sentences can be based on the text.
- Guided reading: Green Group; Independent reading.

DAY 4:**SHARED READING AND WRITING: RE-READING**

- Re-read the text together with learners. Make your voice softer but still use the pointer.

WORD & SENTENCE LEVEL WORK/GROUP, GUIDED & INDEPENDENT READING/ WRITING

- Sight words: Teach 5 new sight words. (*These will be more meaningful if they are from the text or in a sentence.*)
- Sight words task: Learners copy the 5 new sight words into their Spelling Books.
- Guided reading: **Red Group.** Independent reading.

DAY 5:**SHARED READING AND WRITING: FINAL SHARED READING**

- Read the Big Book as Shared Reading. One learner can be the 'teacher' and use the pointer.

WORD & SENTENCE LEVEL WORK/GROUP, GUIDED & INDEPENDENT READING/ WRITING

- Learners complete the written activity that they missed during Guided Reading
- Group reading: Learners read a poem(s) and riddle(s) in their seating groups.

READING FOR ENJOYMENT

In addition to Reading and Writing focus time, there should be time each day or week for Reading for enjoyment. During this time learners choose what they want to read **or** you read aloud to them.

ASSESSMENT: Formal: recorded Assessment Task 1:

Use Day 1 (Vocabulary task)) to rate the learners, recording any problems you have noticed, against the following milestone:

DAILY ACTIVITIES		
DAILY MORNING ORAL WORK: EACH DAY....

Encourage learners to talk to their parents, read the newspaper headlines posted on the side of the road, and watch/listen to the news on TV/radio. Note: <i>Sharing general news is a good activity to differentiate according to your learners’ needs. For example, weaker children might find it easier to share a news event about something they have done or an event at school, e.g. a school gala. More able learners can plan to share a news event that they heard about from their parents, the radio, in a newspaper or on TV.</i>

- Written Task: Word Sort: Give learners sets of word cards. Have them sort the word cards first in any way they choose such as by common sounds or word length. Then suggest a way for the learners to sort the words. Make sure that the words you provide can be sorted in more than one way. For example use words containing the long 'u' sound spelled **ew, ue, u-e**. Learners can write their sorted words in columns.

SPELLING ACTIVITIES

- Written task: Each day, learners write five of the PHONICS words and a short sentence for each word into their Spelling Books to revise for homework. (You need to provide the sentence. This has the advantage of sight word revision.)

- Show learners the formation of upper and lower case letters **a, i**. Show learners how they join onto the letter that follows them. Learners write a row of each letter after watching you write it. Focus on writing on the line and forming each letter correctly (starting and ending point, shape, size, direction of movement).

ACTIVITY 2:

- Show learners the formation of upper and lower case letters **r, n**. Show learners how they join onto the letter that follows them. Learners write a row of each letter after watching you write it. Focus on writing on the line and forming each letter correctly (starting and ending point, shape, size, direction of movement).

Use the written phonics assessment task (Day 5) to rate the learners, recording any problems against the following milestone:

- Recognises 'I' and 'U' sounds e.g. 'I' – tie, high, sky; 'U' – few, blue.

Informal: unrecorded assessment of learners' ability to form upper and lower case letters correctly in joined script.

Sometimes, when you do Shared Reading cover a word that has a sound-spelling you want to revise. Let learners predict the word based on context and picture clues. Then reveal one letter at a time as learners confirm or change their predictions based on their knowledge of sound-letter relationships.

WORD & SENTENCE LEVEL WORK/GROUP, GUIDED & INDEPENDENT READING/ WRITING

- Vocabulary task: Write a short list of words on the board. Use some new vocabulary words from the Shared Reading text. Have the learners write the words into their Personal Dictionaries in alphabetical order. Remind the learners that if the first letter of two words is the same, we look at the second letter and so on. **Use for Assessment Task 1. Check learners' personal dictionaries and note in your Assessment Notebook who is unable to use initial and second letters to include words alphabetically in Personal Dictionary. Every learner should be assessed by the end of Week 3.**

Through their discussion learners must decide what story they want to use for their writing. • Note: <i>This writing activity can be differentiated according to learners' needs. Some learners may choose to write a story that you have told them this week, others can write a story they have heard at home, and some might choose to make up a story of their own.</i> ACTIVITY 2: DRAFTING • Explain to learners that before they write their story they should plan it carefully. Copy this story plan frame on the board: Story plan Name of story _____ Beginning _____ _____ Middle _____ _____ End _____ _____ • Explain to learners that they do not have to use full sentences in the plan. Including main points will be enough to help learners structure their stories, e.g. <i>Rabbit wants to race tortoise.</i>

WEEK 4	ORAL WORK AND LISTENING & SPEAKING	
LO/ASs	LO 1 AS 1, 2	LO 2 AS 1,4
MILESTONES	• Listens to more complex instructions (at least 5) and responds appropriately • Listens to stories, poems and songs and expresses feelings about the story, poem or song, giving reasons • Works out cause and effect in a story using connecting words eg because • Talks about a general news event, expressing feelings and opinions • Suggests solutions to a problem, specifically word problems in Numeracy	
RESOURCES	• Paper, coloured crayons for Activity 2	
DAILY ACTIVITIES		
DAILY MORNING ORAL WORK: EACH DAY.... • Discuss the day/month/weather/birthday charts, and any special happenings. • Continue to write a ‘morning message’ on the board for the learners. It should be on the board when they arrive. Learners read it silently and then ask questions and discuss it with you. • Explain that when summarizing or telling people about a news event it is important to describe events in an interesting way to keep the audience’s interest. This is important whether you are telling general personal news or reporting on something from the newspapers/radio. Demonstrate this by first sharing some general news about something that happened at school and then sharing something you have read/heard about e.g. <i>the government is renaming many of the streets, more people are coming to South Africa on holiday etc.</i> • From Day 2 onwards, have 3-4 learners each day share 2-3 minutes of family or general news, adding their own feelings and opinions. Use for Assessment Task 2. Every learner should be assessed by the end of Week 5.		
LISTENING AND SPEAKING		
ACTIVITY 1: INSTRUCTIONS • Give each learner a clean sheet of paper. Ask them to follow your instructions to draw something. Give at least five instructions including the instruction to write their names in a particular place. Use the learners’ drawings for Assessment Task 2. • <u>Pair work:</u> Learners can take it in turns to give and listen to instructions, e.g. <i>Go to the front of the class, pick up a pencil, jump twice, bring it back to me and sit with your legs crossed.</i>		

ACTIVITY 2: LISTEN AND DRAW

- **Pair work:** Learners work in pairs. Each learner must have paper, a pencil and coloured pencil crayons. Learners sit back to back so that they cannot see what their partner is doing. They take it in turns to describe their favourite outfit or clothes that they would like to wear, e.g. *My jeans are dark blue. I'm wearing a red t-shirt and a green long sleeved jersey over it. I have my white takkies on.*
- As one learner describes the outfit, the other should be drawing it. Learners can ask their partner for clarification if they do not understand something. When both learners have had a chance being the describer and the drawer, learners can show one another their drawings. Encourage learners to talk about how they could have improved the descriptions they gave their partners.
- **Note:** *If you do not have enough coloured crayons in your class, learners can do this activity without describing the colour of their clothing.*

ASSESSMENT: Formal: recorded Assessment Task 2:

Use Morning Oral Work each day to rate the learners, recording any problems you have noticed, against the following milestone:

- Talks about a general news event, expressing feelings and opinions

Use Activity 1 to rate the learners, recording any problems you have noticed, against the following milestone:

Sound out each word. • A suggested sequence: • Day 1: /ou/ sound: ow words (<i>cow, brow, vow, wow, now, how</i>) • Day 2: /ou/ sound: ouse words (<i>house, mouse</i>) • Day 3: /ou/ sound: ound words (<i>ground, found, round, sound, mound</i>) • Day 4: Consolidation of /ou/ sound, e.g. give a mixed list of /ou/ sound words for sorting: <table><tr><td>ow words</td><td>ouse words</td><td>ound words</td></tr><tr><td></td><td></td><td></td></tr><tr><td></td><td></td><td></td></tr><tr><td></td><td></td><td></td></tr></table> Day 5: Consolidation: Provide a written task based on ‘ou’ sound e.g. <i>found, ground, found, round, sound, mound, mountain, fountain, count</i>. Use for Assessment Task 2. PHONICS ACTIVITIES: Each day, choose two oral activities and a written task. Here are some suggestions: • <u>Blending</u>: Sound out a word e.g. v-ow. Learners put the sounds together to make a word. • <u>Blending</u>: Sound out a word e.g. m-ou-se. Learners construct the word with their letters or do a ‘quick-write’ and write it on a whiteboard or slate.				ow words	ouse words	ound words									
ow words	ouse words	ound words													

- Segmenting: Learners work in pairs to segment words on the board into 2-3 sounds.
- Written Task: Learners re-arrange groups of letters to make words, e.g. hsoue = house.
- Written Task: Word Sort: Give learners sets of word cards. Have them sort the word cards first in any way they choose such as by common sounds or word length. Then suggest a way for the learners to sort the words. Make sure that the words you provide can be sorted in more than one way. For example use words containing the /ou/ sound spelled **ow**, **ou**. Learners can write their sorted words in columns.

SPELLING ACTIVITIES

- Written task: Each day, learners write five of the PHONICS words and a short sentence for each word into their Spelling Books to revise for homework. (You need to provide the sentence. This has the advantage of sight word revision.)
- On Day 5 have a short, stress-free spelling test of the week's words/sentence (as well as the sight words for the week).

HANDWRITING: JOINING LETTERS: UPPER AND LOWER CASE LETTERS

ACTIVITY 1:

- Show learners the formation of upper and lower case letters **m**, **c**. Show learners how they join onto the letter that follows them. Learners write a row of each letter after watching you write it. Focus on writing on the line and forming each letter correctly (starting and ending point, shape, size, direction of movement).

ACTIVITY 2:

- Show learners the formation of upper and lower case letters **o**, **d**. Show learners how they join onto the letter that follows them. Learners write a row of each letter after watching you write it. Focus on writing on the line and forming each letter correctly (starting and ending point, shape, size, direction of movement).

DAY 1:

SHARED READING AND WRITING: INTRODUCING A SHARED TEXT

- Introduce a Grade 3 level Big Book or a text from a class reader. The text should be a play. If you do not have a play, write part of a story the learners are familiar with as a play.
- Orientate learners to the text as before. Do a picture walk. Talk about the features specific to a play, e.g. *the role of the narrator, the use of bold/underlining for characters names and the colon used to introduce the actual words spoken by each character.*
- Ask learners where they think this story takes place (What is the setting?).
- Focus on prediction skills: Have a brief class discussion on what the learners think the play will be about.

WORD & SENTENCE LEVEL WORK/GROUP, GUIDED & INDEPENDENT READING/ WRITING

- Teach 5 new vocabulary words based on the text.
- Vocabulary task: Learners write the vocabulary words into their Personal Dictionaries. **Use for Assessment Task 2. Continue to note in your Assessment Notebook who is unable to build their personal dictionary using initial and second letter of words. Every learner should be assessed by the end of Week 5.**

ACTIVITY 1: LISTENS AND RESPONDS TO A STORY		
• Read or tell the learners a simple story with a clear cause-effect relationship. Try and use one that learners would be able to give an opinion. • Divide learners into small groups and ask them to discuss 2 – 3 questions. One should ask them to explain the cause of something that happened in the story and another, an open-ended question, where learners can give their opinions. • Give each group a chance to report back on their discussions. • You could ask learners to write a written response to the questions. WEEK 5	PHONICS & SPELLING + HANDWRITING		
LO/ASs	LO 3 AS 4	LO 4 AS 5, 7	LO 6 AS 1,6
MILESTONES	<i>Phonics</i> • Uses words pronounced the same, but with different meanings (homophones) e.g. read and reed • Recognises at least 1 new letter blend e.g. ow (cow) aw (draw), au (autumn) • Recognises that the same spelling can represent different sounds eg bread, read • Builds and sounds words at level of phonetic knowledge <i>Handwriting</i> • Forms upper and lower case letters correctly • Copies words correctly from a variety of sources i.e. board, strips, workcards etc.		
ACTIVITIES			
PHONICS: HOMOPHONES This week will focus on words that have the same sound but that are spelled in different ways and have a different meaning. These words are called homophones. At the same time, point out cases where the same spelling can represent different sounds DAYS 1 - 5: • Introduce two pairs of homophones each day. • Write a set of sentences containing the words on the board. (See below) • Read the sentences together with the learners. Identify which words sound the same but are spelled differently and mean different things. Underline these words. Talk about how different letters in the words make the same sound, e.g. <i>When I am sick, I feel <u>weak</u>.</i> <i>We are on holiday for a <u>week</u>.</i> <i>In these words ‘ea’ and ‘ee’ make the same sound.</i> • A suggested sequence: • Day 1: read-reed; bean-been • Day 2: blue-blew; hear-here • Day 3: flower-flour; four-for • Day 4: ate-eight; hole-whole • Day 5: by-buy; sale-sail			

PHONICS ACTIVITIES: Give learners a written task each day. **Use these activities for Assessment Task 2.** Here are some suggestions:

- Written Task: Learners write their own sentences with each of the words.
- Written Task: Learners choose the correct words to complete sentences, e.g.

eight nine

Who _____ the sandwich?

The number _____ comes before nine.

There were _____ boys at the party.

The children _____ all the chips.

- Written Task: Learners complete a cloze procedure activity containing words that have the same spelling but represent different sounds eg bread, read.

Note: *It is also important to make learners aware that the same spelling can represent different sounds. When deciding on the sound in a word it often helps to look at the word in the sentence. It is sometimes important to read the whole sentence to decide on the pronunciation and meaning of a word.*

SPELLING ACTIVITIES

- Written task: Each day, learners write the HOMOPHONES and a short sentence for each word into their Spelling Books to revise for homework. (You need to provide the sentence. This has the advantage of sight word revision.)
- Day 5 have a short, stress-free dictation test of the week's words (as well as the sight words for the week). You will need to give the learners 4-8 sentences to test their spelling (dictation), e.g. *I used a whole packet of flour, The eight boys ate all the cake.*

HANDWRITING: JOINING LETTERS: UPPER AND LOWER CASE LETTERS

ACTIVITY 1:

- Show learners the formation of upper and lower case letters **s, g**. Show learners how they join onto the letter that follows them. Learners write a row of each letter after watching you write it. Focus on writing on the line and forming each letter correctly (starting and ending point, shape, size, direction of movement).

ACTIVITY 2:

- Show learners the formation of upper and lower case letters **q, j**. Show learners how they join onto the letter that follows them. Learners write a row of each letter after watching you write it. Focus on writing on the line and forming each letter correctly (starting and ending point, shape, size, direction of movement).

ASSESSMENT: Formal: recorded Assessment Task 2:

Use the written phonics activities on Days 1-5 to rate the learners, recording any problems against the following milestones:

- Uses words pronounced the same, but with different meanings (homophones) e.g. read and reed
- Recognises that the same spelling can represent different sounds eg bread, read

Informal: unrecorded assessment of learners' ability to form upper and lower case letters correctly in joined script.

DAILY ACTIVITIES			
DAY 1:			
SHARED READING AND WRITING: INTRODUCING SHARED WRITING			
• Reread the shared text- a play. Revise the sight and vocabulary words from Week 4. • Introduce shared writing. Talk about the features of a play, e.g. <i>the role of the narrator, the use of bold/underlining for characters' names and the colon used to introduce the actual words spoken by each character.</i> • Explain that you are going to write a short playscript. Explain that a playscript is written as a dialogue. The words spoken by each person are introduced by a colon (:). Draw attention to this in the Week 4 shared text. • Aim to use some of the vocabulary, sight words, and sentence patterns from the shared text as you write. You do not have to use an extract from the shared text but can make up your own, e.g.			
<u>Narrator:</u> One day Ruth Rabbit felt very sad. <u>Ruth:</u> Oh no! I have no friends to talk to or play with. <u>Narrator:</u> Ruth felt very alone. Suddenly the phone rang. <u>Ruth:</u> Hello, Ruth here. <u>Danny:</u> Hello Ruth, it's Danny speaking. 			
Preparation: Write your own sample text beforehand.

MILESTONES	• Predicts what will happen in a story • Makes an oral presentation e.g. 'Show and Tell', using language to compare information • Uses language to investigate and explore eg suggesting alternatives 'I think it could...', 'If...then...' • Asks questions to clarify and plan a task and get information • Uses language to analyse, compare and contrast information		
DAILY ACTIVITIES			
DAILY MORNING ORAL WORK: • Discuss the day/month/weather/birthday charts, and any special happenings. • Continue to write a 'morning message' on the board for the learners. It should be on the board when they arrive. Learners read it silently and then ask questions and discuss it with you. • Bring two pieces of fruit from home, e.g. an apple and a banana. Make an oral presentation to the learners. Say the name of each fruit, what it looks like and what it tastes like. Use language to compare the two fruit and talk about the similarities and differences e.g. <i>Both are fruit but one is green and the other is yellow. One is round and the other is long. Bananas can be sweeter than apples but both fruit can be sweet. Both are good for you.</i> • Explain that from Day 2 onwards, each day 3-4 learners will bring two fruit to class to talk about. Learners will need to talk for 2-3 minutes. They must describe (and compare) their fruit and say what is the same and different about the two fruits. Use for Assessment Task 3. Every learner should be assessed by the end of Week 7. • Note: <i>This activity can be differentiated according to learners' needs. Your weaker learners may choose to compare two fruit in very simple terms. Stronger learners can add details like favourite ways of eating the fruit, vitamins in the fruit etc. Very strong learners may choose to do the same activity with two other foods e.g. bread and cake.</i>

ACTIVITY 1: READ ALOUD • Read a short story, for example a simplified newspaper article or extract from a Life Orientation textbook about a person/people living with physical disabilities. Try to find a text that highlights what can be achieved by people living with disabilities. • Introduce the text to the learners and draw on their prior knowledge. Introduce any new words needed. These can be written onto flashcards and placed on the Word Wall. • After reading, ask learners some open-ended questions, e.g. <i>Do you think people with handicaps are treated the same as people without handicaps? or If you were physically challenged what activities might be difficult for you to participate in? How do you think this might make you feel?</i>

RESOURCES	Prepare Daily phonic oral activities and written tasks; prepare sentences for Dictation Test

DAILY ACTIVITIES

PHONICS: /AW/ SOUND AND REVISION OF FINAL CONSONANT BLENDS

- Introduce the learners to the /aw/ sound. Remind learners how the vowel and the consonant together make a single sound (Day 1).
- Revise a different final consonant blend each day (Days 2-5).
- Write a set of final consonant blend words on the board, e.g. *ring, sing, wing, thing, king*
Read the words. Show learners how the **two letters make one sound**. Sound out each word.
- A suggested sequence:
 - Day 1: aw** (words: *paw, saw, law, raw, draw, claw, straw*)
 - Day 2: -ng** at the end of a word (*ring, sing, wing, thing, king*)
 - Day 3: -nd** at the end of a word (*and, band, find, friend, hand, land, sand*)
 - Day 4: -nk** at the end of a word (*pink, think, blink, drink, link*)
 - Day 5: -nt** at end of a word (*bent, cent, front, paint, plant, want*)

DAILY PHONICS ACTIVITIES: Choose 2 oral activities and 1 written task each day. Use for Assessment Task 3.

- Blending: Sound out a word e.g. *p-i-nk*. Learners put the sounds together to make a word.
- Segmenting: Learners work in pairs to segment the words on the board into three sounds.
- Written Task : Sorting: Learners sort a mixed group of words according to their final blend.
- Written Task: Constructing: Learners re-arrange groups of letters to make words. E.g. nd a h = hand.
- Games: Call out two words. Learners say if the words end with the same sound or not, e.g. *pink, want (no), pink, think (yes)*. Call out one word and let the learners provide a word that ends with the same sound.

SPELLING ACTIVITIES

- Written task: Each day, learners write five of the PHONICS words and a short sentence for each word into their Spelling Books to revise for homework. (You need to provide the sentence. This has the advantage of sight word revision.)
- On Day 5 have a short, stress-free spelling test of the week's words/sentence (as well as the sight words for the week).

HANDWRITING: JOINING LETTERS: UPPER AND LOWER CASE LETTERS

ACTIVITY 1:

- Show learners the formation of upper and lower case letters **t,u**. Show learners how they join onto the letter that follows them. Learners write a row of each letter after watching you write it. Focus on writing on the line and forming each letter correctly (starting and ending point, shape, size, direction of movement).

ACTIVITY 2:

- Show learners the formation of upper and lower case letters **y,p**. Show learners how they join onto the letter that follows them. Let the learners tell you how to form each letter correctly whilst writing the letters in the air with their finger. Write a row of each letter on the board for learners to copy (transcribe).

ASSESSMENT: Formal: recorded Assessment Task 3:

Use this weeks phonics activities (Days 1-5) to rate the learners, recording any problems against the following milestone:

- Recognises at least 2 new letter blends e.g. ow (cow) aw (draw), au (autumn)
- Builds and sounds words at level of phonetic knowledge

Dictation practice is important to help learners segment words and associate sounds with spellings. For learners having difficulty segmenting the sounds in each word, you might want to clap on each sound to provide another clue.

WEEK 7	READING

DAILY ACTIVITIES			
DAY 1: SHARED READING AND WRITING: INTRODUCING A SHARED TEXT • Draw a simplified map on a large sheet of paper. You can use simple shapes for the different places on the map. Include things like a school, church, supermarket, and park in different places on the map. You must include streets on your map. • Display the map at the front of the class. Make sure all the learners can see it. • Talk to the learners about maps and how they help us find our way to places. Orientate learners to the map and let them talk about what they can see. • Ask questions, e.g. <i>Is there a church in this town? What is the name of the main road in this town?</i>			

WORD & SENTENCE LEVEL WORK/GROUP, GUIDED & INDEPENDENT READING/ WRITING

- Vocabulary task: Write prepositions on flashcards, e.g. **next to, in front of, behind, opposite, between**. Ask questions using prepositions, e.g. *Is the park next to the post office? Is the park in front of the school?* Let learners work in pairs to ask and answer 1-2 questions using the prepositions.
- Learners write the prepositions into their Personal Dictionaries ('next to' and 'in front of' will need to be written as phrases). **Use for Assessment Task 3. Check learners' personal dictionaries and note in your Assessment Notebook who is unable to build their personal dictionary using initial and second letter of words. Every learner should be assessed by the end of the week.**
- Guided reading: Yellow Group. (Assessment Task 3).

- Independent reading: Learners read a page or more of a graded reader each day.

DAY 2:

SHARED READING AND WRITING: GIVING DIRECTIONS

- Look at the map again with the learners.
- Give learners a 'problem' to solve, e.g. *Mpho is standing outside the church. She wants to go to the school. How can she do that? What buildings must she pass on her way?*
- Learner's instructions should demonstrate using the information from the text, e.g. *Mpho must walk straight down Blay Street and then turn left. She must walk past the supermarket... etc.*

WORD & SENTENCE LEVEL WORK/GROUP, GUIDED & INDEPENDENT READING/ WRITING

- Comprehension task: Learners complete a written task based on instructions (directions), e.g. they write three short sentences telling Mpho how to walk from the post office to the church. **Use for Assessment Task 3.**
- Guided reading: Blue Group (Assessment Task 3). Independent reading.

DAY 3:**SHARED READING AND WRITING: INTRODUCING AND READING A SHARED TEXT (POEM)**

- Choose a short poem, song or rhyme. Write it onto a chart or the board.
- Orientate learners to the poem, e.g. using the title. Elicit learners' prior knowledge of the topic.
- Read the poem, running a pointer under the lines as you read.
- Check understanding by asking 2 - 3 oral questions, e.g. *What was the poem about?*
- Pair work: Divide learners into pairs. Each learner gets a chance to say whether they liked the poem or not, if it reminded them of something and how it made them feel. (I felt because.....). Remind learners to use *because*. **Use for Assessment Task 3.**

WORD & SENTENCE LEVEL WORK/GROUP, GUIDED & INDEPENDENT READING/ WRITING

- Sight words: Teach 5 new sight words based on the poem.
- Sight Words Task: Learners write 5 sight words into their Spelling Books.

DAY 4:**SHARED READING AND WRITING: SHARED READING (POEM)**

- Re-read the poem with the learners as Shared Reading. Make sure your voice is heard. Run your pointer under the lines of the poem as you read. Read slowly but naturally.
- Draw attention to some of the features of the poem, e.g. descriptive language, words in bold and/or uppercase for emphasis.

WORD & SENTENCE LEVEL WORK/GROUP, GUIDED & INDEPENDENT READING/ WRITING

- Language: Draw attention to any 'sound words' in the poem. These are words that sound like their meaning, e.g. crunch, crackle, pop, splattered.
- Language task: Learners match pictures with words that sound like their meaning, e.g. crackling with a fire, squeak with a mouse, buzzing with a bee, etc.
- Guided reading: **Red Group (Assessment Task 3).** Independent reading. **Assess learners' ability to read aloud to a partner for Assessment Task 3.**

DAY 5:**SHARED READING AND WRITING: FINAL SHARED READING**

Then suggest a way for the learners to sort the words. Make sure that the words you provide can be sorted in more than one way. For example use words containing the 'au' sound spelled au, aw. Learners can write their sorted words in columns.

Show learners how the two letters are joined. Learners write a row of each combination after watching you write it. Write a word for each blend, e.g. **desk, rest**. Show learners how to write the words using joined writing. Learners write a row of each word after watching you write it.
