WEEK 1	ORAL WORK AND LISTENING & SPEAKING		
LO/ASs	LO 1 AS 1, 2, 4	LO 2 AS 1,4,5,7	LO 5 AS 3
MILESTONES	• Listens for the detail in stories and answers open-ended questions • Makes oral presentations e.g. tells news varying volume and pitch of voice and making eye contact with peers • Interviews people for a particular purpose • Uses interesting words and descriptions when speaking		
NOTES	• Daily Morning Oral Work is done every day, with the learners sitting on the carpet. • Listening and Speaking activities are done twice a week, later in the day, for example after break.		
RESOURCES	• Day/Month/Birthday chart • Weather chart and symbols		
ACTIVITIES			
DAILY MORNING ORAL WORK			
DAY 1: DAY/MONTH/BIRTHDAY/WEATHER CHART			
• Begin the day by greeting everybody and welcoming them back to school. If there are any new children in the class take a few minutes to introduce them to the other learners. Discuss the day/month charts and any special happenings, including birthdays. • Use the weather chart. • Talk about the weather. Ask: <i>What is the weather like today? What was it like yesterday?</i> • Have learners select the correct weather symbol for the day and put it on the weather chart. • Continue to write a ‘morning message’ on the board for learners. (See Terms 1 and 2.)			
DAY 2: HOLIDAY NEWS			
• Begin the day by discussing the day/month charts and any special happenings. • Tell the learners about a special day in your holidays. Model how to do this expressively by varying the tone and pitch of your voice and using interesting and descriptive language. • Tell the learners they are each going to share 2-4 minutes of news about their holiday or something else they have seen/read/experienced recently. Explain that to make their news interesting it is important to vary the volume and pitch of their voice, make eye contact with the people they are talking to, and use interesting words and descriptions. • From Day 3 onwards, have 3-4 learners each day share 2-4 minutes of holiday or general news. Use for Assessment Task 1. Every learner should be assessed by the end of Week 2.			

LISTENING AND SPEAKING

ACTIVITY 1: READ ALOUD

- Read a short, suitable non-fiction text to the learners. You could choose a text from a picture book, textbook or reader, e.g. a short paragraph about a famous person or people who help others.
- Introduce the text to the learners and draw on their prior knowledge (their worlds). Introduce any new words needed. These can be written onto flashcards and placed on the Word Wall.
- Read the text to the learners in a lively, interactive way.

ACTIVITY 2: RESPONDING TO THE TEXT

- Ask learners some questions about the text, e.g. *Who/What was the text about? Where was Gandhi born? What did he do in South Africa?*
- Give learners a task that requires them to respond individually to the text, e.g. if the text is about a famous or special person you could ask learners to think about a special person that they know. Learners could tell a partner who the person is and why they think the person is special.

Prepare for the following week's Listening and Speaking activities by explaining to the learners that parents are being invited to visit the class to talk to the learners about the work they do. You will need to:

- Make the arrangements with the parents who are able to come and also with other members of the community.
- Talk to the learners about behaviour when there are visitors to the class and discuss the type of questions they could ask.

ASSESSMENT: Formal: recorded Assessment Task 1:

Use Morning Oral Work each day to rate the learners, recording any problems you have noticed, against the following milestones:

- Makes oral presentations e.g. tells news varying volume and pitch of voice and making eye contact with peers
- Uses interesting words and descriptions when speaking

Every learner should be assessed against this milestone by the end of Week 2.

**Try to make your Listening and Speaking time fun!
Throughout the year you should continue to teach your learners simple songs and motivate them by singing with them.**

WEEK 1	PHONICS & SPELLING + HANDWRITING
LO/ASs	LO 3 AS 4 LO 4 AS 5, 7 LO 6 AS 1
MILESTONES	<i>Phonics</i> • Recognises all vowel and consonant blends learnt so far • Builds and sounds words at level of phonetic knowledge <i>Handwriting</i> • Copies written text from the board, textbooks, workcards, etc. correctly, paying attention to correct letter formation and spacing • Writes with increasing speed
NOTES	• Although <u>Phonics and Spelling</u> fall under Word and Sentence Level Work, you may prefer to do the Phonics and Spelling early in the day. Phonics and Spelling should be done directly after one another. • Prepare daily phonic oral activities and written tasks; prepare daily spelling words and sentences. • <u>Handwriting</u> is done twice a week. It can be linked to the Phonic/Spelling words and can be done directly after Phonics or at a separate time.
ACTIVITIES	
PHONICS: FIRST WEEK: REVISE CONSONANT DIAGRAPHS • This week you should revise the consonant diagraphs: sh, ch, th, wh, ck and ng • Make the revision fun by using some of the games and activities suggested below. Remember that each day you must choose two oral activities and a written task. (Use one or more of these tasks for Assessment Task 1.) Here are some suggestions: • <u>Blending (for reading)</u>: Sound out a word. (You can use a CVC word or break the word into onset and rime for the learners, e.g. ch-ee-se.) Learners construct the word with their letters. (Letters can be made by the learners on squares of paper. See Week 1 Term 1. Plastic letters can also be used.) • <u>Segmenting (for spelling)</u>: Say a word. Learners sound out the word. • <u>Blending (for reading)</u>: Write words and sentences on the board based on the diagraph you are revising. For example, write a first row of words with the /sh/ sound in the initial position and a second row of words with the /sh/ sound in the final position. The sentences should include high-frequency words previously taught: - sack shack shop - dish fish mash rush - The ship is big. - I need a dish.	

- Read the words/sentences with the learners. Based on the words/sentences you provide, have learners use their letters (e.g. a,i,o,sh,m,f,w,p) to build as many words as possible and write the words on a sheet of paper.
- Blending (for reading): Sound it Out: Write the song 'Sound It Out' on chart paper. Sing the song to the tune of 'If you're happy and you know it'. At the end of the song, say a word in parts for the children to orally blend. For example, /wh/ ...at. Then sing the song several times.

At the end of each singing, point to a child to provide word parts for the class to blend. (See Week 1 Term 1)

- Unscramble It: Divide the class into teams of three to four. Provide each team with a list of ten scrambled words. The words should include the consonant digraphs you wish to revise. Allow each team five minutes to unscramble as many words as possible.
- Written Task: Learners choose the correct letters to complete words in sentences, e.g.

sh **th**

I like to __op.

I walk to school wi__ my sister.

I wi__ I had a red di__.

Note: Remember that a suggested plan for the revision / introduction of the phonic sounds is included as an Annexure at the end of the first term's Lesson Plans.

SPELLING ACTIVITIES:

- Written task: Each day, learners write five of the PHONICS words and a short sentence for each word into their Spelling Books to revise for homework. (You need to provide the sentence. This has the advantage of sight word revision.)
- Remind learners of the 6-step routine for learning to spell a word: *look, spell out loud, look again, cover, write, check.*
- On Day 5 have a short, stress-free spelling test of the week's words/sentence (as well as the sight words for the week). After the test you can write the words/sentence on the board for learners to do self- or peer assessment by comparing their answers to those on the board.

HANDWRITING: JOINING LETTERS

Note: Depending on your provincial policy, Grade 3 is usually when you should teach your learners to join the letters together to make joined or cursive handwriting. It is important to show them how to join letters which are commonly used together, for example 'hi', 'it', 'ee', 'ir', and so on. It is not very useful to teach learners combinations which do not usually occur together in words, for example, 'vw' or 'zt'.

ACTIVITY 1:

- Choose two or three of the consonant digraphs revised in this week's Phonics lesson, e.g. **sh, ch, wh**. Write the digraphs on the board in joined writing. Show learners how the two letters are joined. Learners write a row of each combination after watching you write it. Write a word for each digraph, e.g. **shape, cheque, white**. Show learners how to write the words using joined writing. Learners write a row of each word after watching you write it.

ACTIVITY 2:

- Write one-two sentences on the board or on writing strips using some of the digraphs you have revised this week. The sentences should include high-frequency words previously taught. Learners copy the sentences.

ASSESSMENT: Formal: recorded Assessment Task 1:

Use one or more of this week's phonics activities to rate the learners, recording any problems against the following milestone:

- Builds and sounds words at level of phonetic knowledge.

WEEK 1	READING		
LO/ASs	LO 3 AS 1, 2, 3, 5	LO 4 AS 5	LO 6 AS 2,3
MILESTONES	<i>Shared reading</i> - Reads book as a whole class with teacher (shared reading) and discusses main idea, characters and plot - Expresses whether a story was liked and is able to justify answer - Answers higher order questions based on the passage read <i>Group, guided reading</i> - Reads aloud from book at own level in a guided reading group with teacher i.e. whole group reads same story - Uses decoding and comprehension skills when reading unfamiliar texts - Uses a range of self-correcting methods when reading eg re-reading, reading on, pausing - Reads with increasing fluency and expression, pronouncing words correctly and accurately - Uses different sentence types when writing, e.g. questions, commands, etc. (Writing milestone) - Builds own word bank and personal dictionary. (Writing milestone)		
NOTES	- Reading is developed in <u>Reading and Writing Focus Time</u> for one hour each day. - It is split into: Shared Reading & Writing, Word & Sentence Level Work, and Group, Guided & Independent Reading/Writing. - Prepare multiple copies of a simplified newspaper report to use for Group Reading.		
RESOURCES	- A Grade 3 Big Book or a simple story text written on the board. - Copies of poems and riddles for Group Reading.		
ACTIVITIES			
DAY 1: SHARED READING AND WRITING: SHARED READING - Introduce a Grade 3 level story Big Book or use a story from a class reader. - Orientate learners to the text by discussing the cover and title. Do a picture walk. Establish characters, setting. - Either have a class discussion or have each learner write a sentence saying what they think the story will be about. WORD & SENTENCE LEVEL WORK/GROUP, GUIDED & INDEPENDENT READING/ WRITING - Teach 5 new vocabulary words based on the text. <u>Vocabulary task</u>: Learners write the vocabulary words into their Personal Dictionaries. By now learners will have multiple entries under a single letter. Remember that learners can practice alphabetical ordering by taking a list of words under the same letter and sorting them alphabetically using the initial and then second letter. Use for Assessment Task 1. Every learner should be assessed by the end of Week 3. <u>Guided Reading</u>: Red Group <u>Focus for the week</u>: Using decoding and comprehension skills when reading unfamiliar texts. <u>Independent reading</u>: Learners read a page or more of a graded reader each day.			

DAY 2:**MODELED READING**

- Read the text to the learners modelling the following: Pausing at full stops, looking carefully at illustrations for more information, reading fluently and pronouncing words correctly. Stop once or twice to model using decoding skills to read unfamiliar words and self-correction strategies, e.g. *That word didn't sound right/make sense. Let me look at it again. What word could it be?*
- Afterwards check understanding by asking 3 - 4 oral *wh* questions (*who...*, *where...*, *what happened...*, *why..*).

WORD & SENTENCE LEVEL WORK/GROUP, GUIDED & INDEPENDENT READING/ WRITING

- Written Comprehension task: Learners complete a short comprehension based on the Shared Reading text. It should consist of 2-3 factual questions (about the main idea, characters and plot) and an open-ended or higher order question e.g. *Did you enjoy the story? Why?* **Use for Assessment Task 1.**
- Guided reading: **Yellow Group**; Independent reading.

DAY 3:**SHARED READING AND WRITING: SHARED READING**

- Do Shared Reading with learners. Afterwards ask some open-ended questions to help learners relate the story to their own lives, e.g. *Has something like this ever happened to you? What would you do if _____?*

WORD & SENTENCE LEVEL WORK/GROUP, GUIDED & INDEPENDENT READING/ WRITING

- Language: Use sentences from the book (or based on the theme of the book) to revise subject-verb agreement (dealt with in Term 2 Week 9).
- Language Task: Learners copy and complete sentences choosing the correct verb.
- Guided reading: **Green Group**; Independent reading.

DAY 4:**SHARED READING AND WRITING:: RE-READING**

- Re-read the text together with learners. Make your voice softer but still use the pointer.

WORD & SENTENCE LEVEL WORK/GROUP, GUIDED & INDEPENDENT READING/ WRITING

- Sight words: Teach 5 new sight words. (*These will be more meaningful if they are from the text or in a sentence.*)
- Sight words task: Learners copy the 5 new sight words into their Spelling Books.
- Guided reading: **Blue Group**. Independent reading.

DAY 5:**SHARED READING AND WRITING: FINAL SHARED READING**

- Read the Big Book as Shared Reading. One learner can be the ‘teacher’ and use the pointer.

WORD & SENTENCE LEVEL WORK/GROUP, GUIDED & INDEPENDENT READING/ WRITING

- Learners complete the written activity that they missed during Guided Reading
- Group reading: Learners read a poem(s) and riddle(s) in their seating groups.

READING FOR ENJOYMENT

In addition to Reading and Writing focus time, there should be time each day or week for Reading for enjoyment. During this time learners choose what they want to read **or** you read aloud to them.

ASSESSMENT:

Use Day 1(Vocabulary task) to rate the learners, recording any problems you have noticed, against the following milestone:

- Builds own word bank and personal dictionary. (Writing milestone)

Every learner should be assessed against this milestone by the end of Week 3.

Use the shared reading discussions this week together with the written comprehension task on Day 2 to rate the learners, recording any problems you have noticed, against the following milestones:

- Reads book as a whole class with teacher (shared reading) and discusses main idea, characters and plot
- Expresses whether a story was liked and is able to justify answer
- Answers higher order questions based on the passage read.

Reading for enjoyment is an important part of your literacy teaching. To become lifelong readers children have to see their reading as being both purposeful and enjoyable.

WEEK 1	WRITING
LO/ASs	LO 3 AS 5 LO 4 AS 1,2,3,4 ,6,7 LO 6 AS 2,3
MILESTONES	- Writes personal texts in different forms e.g. a diary entry, a letter to a relative, description - Summarises and records information eg using mind maps, tables, notices, diagrams or charts - Uses phonics knowledge and spelling rules to write unfamiliar words - Reads own writing to the class
NOTES	Writing activities (independent) take place for a total of one hour a week.
RESOURCES	- Learners should be using the back of their Language and Writing books for personal writing or a separate book, given to them for this purpose. - Prepare 2-3 short notices for lost property to show to the learners for the writing activity.
ACTIVITIES	
ACTIVITY 1: PRE-WRITING: PLANNING - Show learners the notices for lost property you have prepared beforehand, e.g. Please help! I lost my jersey at school yesterday. I know I had it with me in the morning but I think I forgot it out on the field at break time. It is blue with a picture of a house on it. My father is very upset with me, so please help me find it. Anthony, Grade 3H. Please help us find our family cat. Her name is Whiskers. She has brown fur. She went missing on Tuesday 12th March. We are all very upset. Please help us find her. TSHEPHO 021 365 5566 - Ask learners questions to check their understanding of the purpose of the notices. Point out the way the notices are structured, e.g. short, simple sentences, contact details included, etc. Often such notices also include a drawing of the lost property. - Tell learners that they will each write (and draw) about something they have lost for the class/school notice board. - Learners talk to a partner about the (imagined) thing they have lost and discuss the details they plan to include in their notice.	

ACTIVITY 2: WRITING, PUBLISHING

- Learners write their notices.
- They read their notice to a partner to check that it makes sense.
- They self-edit for spelling and punctuation.
- Learners write (and illustrate) a neat copy of their notice. These can be displayed in the classroom.

ACTIVITY 3: PERSONAL WRITING – FIRST WEEK BACK AT SCHOOL

- Learners can write a diary entry about their first week back at school. They write about what they have done, thought or heard about this week.

ASSESSMENT: Informal: unrecorded assessment: Read through every piece of personal writing and make a positive comment about the content rather than focusing on things like spelling and punctuation, e.g. *I am also pleased to be back at school!*

ACTIVITIES			
PHONICS: REVISE CONSONANT BLENDS • This week you should revise some of the common consonant and vowel blends learnt in Terms 1 and 2, e.g. -ng, -nd, -nt, -nk, -sk, -st, -mp, br-, tr- etc. and ai, ay, oa, ow • You should choose the blends that <u>you know</u> have been difficult for your learners, e.g. revising the ‘sw’ blend may be more important than revising ‘bl’. • Make the revision fun by using some of the games and activities suggested below. Remember that each day you must choose two oral activities and a written task. Here are some suggestions: • <u>Blending</u>: Sound out a word e.g. dr-aw. Learners put the sounds together to make a word. • <u>Blending</u>: Sound out a word e.g. sn-a-ke. Learners construct the word with their letters or do a ‘quick-write’ and write it on a whiteboard or slate. • <u>Segmenting</u>: Learners work in pairs to segment words on the board into 2/3 sounds. • <u>Games</u>: Call out the word. Learners identify the blend the word starts with. • <u>Written Task: Constructing</u>: Learners re-arrange groups of letters to make words, e.g. ssgal = glass. • <u>Written Task</u>: Word Sort: Learners sort a mixed group of words according to initial sounds. Learners can write their sorted words in columns. • <u>Written Task</u> : Learners complete an activity from a Learner’s Book. • <u>Written Task</u> : Learners choose words to complete sentences. SPELLING ACTIVITIES • <u>Written task</u>: Each day, learners write five of the PHONICS words and a short sentence for each word into their Spelling Books to revise for homework. (You need to provide the sentence. This has the advantage of sight word revision.) • On Day 5 have a short, stress-free spelling test of the week’s words/sentence (as well as the sight words for the week). Use for Assessment Task 1.			

HANDWRITING: JOINING LETTERS

Show learners how to write the words using joined writing. Learners write a row of each word after watching you write it.

ACTIVITY 2:

- Write one-two sentences on the board or on writing strips using some of the blends you have revised this week. The sentences should include high-frequency words previously taught. Learners copy the sentences.

(See below) • Show learners how the letters make the long or short ‘a’ sound. Sound out each word. • A suggested sequence: • Day 1: short ‘a’ sound: a words (<i>cat, mat, catch, sack, sand, track, hand, clap</i>) • Day 2: long ‘a’ sound: a-e words (<i>cake, came, case, cave, face, flame, grape, make, plate, place</i>) • Day 3: long ‘a’ sound: ay words (<i>today, play, pay, may, birthday, maybe, player, say, clay</i>) • Day 4: long ‘a’ sound: ai words (<i>pain, fail, jail, mail, paid, paint, snail, train, wait, aim</i>) • Day 5: Consolidation of week’s sounds, e.g. give a mixed list of long and short ‘a’ sound words for sorting:

PHONICS ACTIVITIES: Each day, choose two oral activities and a written task. Here are some suggestions:

- Blending: Sound out a word e.g. tr-ay. Learners put the sounds together to make a word.
- Blending: Sound out a word e.g. main. Learners construct the word with their letters or do a ‘quick-write’ and write it on a whiteboard or slate.

 It will r__n tomorrow.
 Can I pl___ now?
- Written Task: Learners circle the word that will finish each sentence, e.g.
 - *My (cat, sat, cut) took a nap on the mat.*
- Written Task: Word Sort: Give learners sets of word cards. Have them sort the word cards first in any way they choose such as by common sounds or word length. Then suggest a way for the learners to sort the words. Make sure that the words you provide can be sorted in more than one way. For example use words containing the long 'a' sound spelled **ai, ay, a-e**. Learners can write their sorted words in columns.

SPELLING ACTIVITIES

- Written task: Each day, learners write five of the PHONICS words and a short sentence for each word into their Spelling Books to revise for homework. (You need to provide the sentence. This has the advantage of sight word revision.)
- On Day 5 have a short, stress-free spelling test of the week's words/sentence (as well as the sight words for the week).

HANDWRITING: JOINING LETTERS

ACTIVITY 1:

- Choose one or two of the 'a' sounds revised in this week's Phonics lessons, e.g. **ay, ai**. Write the letters that make this sound on the board in joined writing. Show learners how the two letters are joined. Focus on writing on the line and forming each letter correctly (starting and ending point, shape, size, direction of movement). Learners write a row of each combination after watching you write it. Write a word for each sound, e.g. **play, chain**. Show learners how to write the words using joined writing. Learners write a row of each word after watching you write it.

ACTIVITY 2:

- Write one-two sentences on the board, on writing strips or on work-cards using some of the words you have used to revise letter-sounds this week. The sentences should include high-frequency words previously taught. Learners copy the sentences. **Use for Assessment Task 1.**

ASSESSMENT: Formal: recorded Assessment Task 1:

Use the second handwriting lesson to rate the learners against the following milestones:

- Copies written text from the board, textbooks, workcards, etc. correctly, paying attention to correct letter formation and spacing
- Writes with increasing speed

Informal: unrecorded assessment of learners' ability to recognise the spellings that make the short and long 'a' sound.

'Word Hunt' is a good game to play with learners to reinforce particular phonic sounds and spelling patterns. Learners can work independently or in pairs. Ask learners to go through what they have recently read, e.g. a shared or group/guided reading text, to find words that fit a particular sound or pattern, e.g. 'Find all the words you can that sound like 'cake' in the middle'. Learners write down the words they find and then compare and discuss their findings.

- Read the sentences together with the learners. Talk about what each of the sentences does: makes statements, asks questions, or gives a command. Point out the punctuation used for each type of sentence.
- Pairwork: Learners can take it in turns to make up three different oral sentences: a statement, question and a command.
- Language task: Provide a written activity based on sentence types. For example, depending on the level of your learners, they can punctuate different sentence types correctly, change sentences from one type to another, e.g. from a command 'Sit down!' to a question 'Can you sit down?' or write different sentences of their own. **Use for Assessment Task 1.**

They should first describe what their animal looks like and then describe some of its characteristics, e.g. what it eats, what it likes doing, where it lives, etc. - Learners can plan/draft their writing. They do not have to use full sentences in the plan as including main points will be enough to help them structure their descriptions. ACTIVITY 3: WRITING, EDITING, PUBLISHING - Learners write their description using full sentences (2 paragraphs). - Learners self-edit their sentences for punctuation and sense. - Learners meet in small groups, present their creatures/animals and read their descriptions aloud.

WEEK 4	ORAL WORK AND LISTENING & SPEAKING	
LO/ASs	LO 1 AS 1, 2	LO 2 AS 5
MILESTONES	• Listens to a story and works out cause and effect in the story • Puts events in order of logical sequence • Participates in discussions, giving useful feedback to others • Suggests solutions to a problem, specifically word problems in Numeracy	
NOTE	• Prepare the pictures illustrating a sequence.	
RESOURCES	• A sequence of pictures illustrating a sequence - either enlarged or photocopied so that all learners have access to the text.	

ACTIVITIES

DAILY MORNING ORAL WORK: EACH DAY....

- Discuss the day/month/weather/birthday charts, and any special happenings.
- Continue to write a 'morning message' on the board for the learners. It should be on the board when they arrive. Learners read it silently and then ask questions and discuss it with you.

LISTENING AND SPEAKING

ACTIVITY 1: SEQUENCING

- Show learners the pictures illustrating a process e.g. making tea, that you have prepared beforehand. Display the pictures in the incorrect sequence.
- Have learners work with a partner to a.) describe what is happening in each picture, b.) work out what is wrong with the sequence shown in the pictures and c). work out what order the pictures should be in.
- Learners report back on the correct sequence for the pictures/process. **Use for Assessment Task 2.**
- **Note:** *This activity will work particularly well if you can provide each pair with a different illustrated process (photocopied). This way you can have one pair working on the process of making tea, another on making a sandwich, etc. This will also allow you to differentiate the activity so that stronger learners can, for example, sequence sentences rather than pictures.*

ACTIVITY 2: WHY...? QUESTIONS

- Together with the learners ask and answer a range of 'Why?' questions (ideally related to the process you dealt with in Activity 1), e.g. *Why do you have to fill the kettle with water first? Why do you have to plug in the kettle? etc.*
- Explain that when you ask a question beginning with 'Why?' the answer should include an explanation.
- To practise the format for writing a set of instructions, learners can work in pairs to ask and answer questions about everyday activities, e.g. *Why do we line up at lunchtime? Why do you like soccer? etc.*

ASSESSMENT: Formal: recorded Assessment Task 2:

Use Activity 1 to rate the learners, recording any problems you have noticed, against the following milestone:

- Puts events in order of logical sequence

WEEK 4	PHONICS & SPELLING + HANDWRITING		
LO/ASs	LO 3 AS 4	LO 4 AS 5, 7	LO 6 AS 1,6
MILESTONES	<i>Phonics</i> • Uses words pronounced the same, but with different meanings (homophones) e.g. fly : to fly in an aeroplane or a fly that is an insect • Builds and sounds words at level of phonetic knowledge • Uses both the letter sound as well as the letter name to spell words <i>Handwriting</i> • Copies written text from the board, writing strips, work-cards, etc. correctly, paying attention to correct letter formation • Writes with increasing speed		
ACTIVITIES			
PHONICS: REVISION OF ‘E’ SOUNDS AND HOMOPHONES DAYS 1 - 5: • Revise different ‘e’ sounds: long ‘e’ – ee (feet), ea (eat), y (key) and short ‘e’ – (bed) • Revise one spelling each day. • Write a set of words containing the sound on the board. (See below) • Show learners how the letters make the long or short ‘e’ sound. Sound out each word. • A suggested sequence: • Day 1: long ‘e’ sound: e words (<i>me, we, be</i>) • Day 2: long ‘e’ sound: ee words (<i>seed, sheep, teeth, week, wheel, queen, green, feel, cheek</i>) • Day 3: long ‘e’ sound: y words (<i>carry, lady, many, lucky, city, country, baby, only, party</i>) • Day 4: long ‘a sound: ea words (<i>leaf, meal, meat, neat, peach, dear, dream, heat, bean, clean</i>) • Day 5: Revise homophones (Week 5 Term 2), i.e. words that sound the same but mean different things. Homophones may/may not have the same spelling. To revise homophones write a set of sentences containing the words on the board, e.g. <i>When I am sick, I feel <u>weak</u>.</i> <i>We are on holiday for a <u>week</u>.</i> • Read the sentences together with the learners. Identify which words sound the same but are spelled differently and mean different things. Underline these words. Talk about how different letters in the words make the same sound. • Give learners a list of common homophones. Try to use homophones related to the week’s phonics, e.g. read-reed; red-read; see-sea; bean-been; be-bee; weak-week; meat-meet.			

PHONICS ACTIVITIES: Each day, choose two oral activities and a written task. Here are some suggestions:

- Blending: Sound out a word e.g. s-ea. Learners put the sounds together to make a word.
- Blending: Sound out a word e.g. ch-ea-p. Learners construct the word with their letters or do a 'quick-write' and write it on a whiteboard or slate.
- Segmenting: Learners work in pairs to segment words on the board into 2/3 sounds.
- Written Task: Learners re-arrange groups of letters to make words, e.g. ppayh = happy.
- Written Task: Word Sort: Give learners sets of word cards. Have them sort the word cards first in any way they choose such as by common sounds or word length. Then suggest another way for the learners to sort the words. Make sure that the words you provide can be sorted in more than one way. For example use words containing the long 'e' sound spelled **ee**, **-y** and **ea**. Learners can write their sorted words in columns.

SPELLING ACTIVITIES

- Written task: Each day, learners write five of the PHONICS words and a short sentence for each word into their Spelling Books to revise for homework. (You need to provide the sentence. This has the advantage of sight word revision.)
- On Day 5 have a short, stress-free spelling test of the week's words/sentence (as well as the sight words for the week). To test homophones you will need to include some dictation sentences, e.g. *Have you ever been to Durban?*, *Have you watched a bean grow?* **Use for Assessment Task 2.**

HANDWRITING: JOINING LETTERS

ACTIVITY 1:

- Choose one or two of the 'e' sounds revised in this week's Phonics lesson, e.g. **ee**, **ea**. Write the letters that make this sound on the board in joined writing. Show learners how the two letters are joined. Learners write a row of each combination after watching you write it. Write a word for each sound, e.g. **sleep**, **leaf**. Show learners how to write the words using joined writing. Learners write a row of each word after watching you write it.

ACTIVITY 2:

- Write one-two sentences on the board, on writing strips or on work-cards using some of the words you have used to revise letter-sounds this week. The sentences should include high-frequency words previously taught. Learners copy the sentences. **Use for Assessment Task 2.**

ASSESSMENT: Formal: recorded Assessment Task 2:

Use this week's spelling test to rate the learners, recording any problems against the following milestone:

- Uses words pronounced the same, but with different meanings (homophones) e.g. fly : to fly in an aeroplane or a fly that is an insect

Use one of the handwriting lessons to rate the learners against the following milestones:

- Copies written text from the board, writing strips, work-cards, etc. correctly, paying attention to correct letter formation
- Writes with increasing speed

ACTIVITIES

DAY 1:

SHARED READING AND WRITING: INTRODUCING A SHARED TEXT

- Introduce a Grade 3 level Big Book or a text from a class reader. The text should be a dialogue (play) preferably based on a familiar fable. If you do not have such a text, write part of a fable the learners are familiar with as a dialogue.
- Orientate learners to the text as before. Do a picture walk. Talk about the features specific to a dialogue (play), e.g. *the use of bold/underlining/colour for characters names and the colon used to introduce the actual words spoken by each character.*
- Show learners a single page (or double spread) of the text to look at quickly (i.e. scan). Ask learners to name the characters in the dialogue/play.
- Focus on prediction skills: Have a brief class discussion on what the learners think the dialogue will be about.

WORD & SENTENCE LEVEL WORK/GROUP, GUIDED & INDEPENDENT READING/ WRITING

- Teach 5 new vocabulary words based on the text.
- Vocabulary task: Learners write the vocabulary words into their Personal Dictionaries. **Use for Assessment Task 2. Every learner should be assessed by the end of Week 5.**
- Guided reading: Yellow Group
- Focus for the week: Sight word recognition. Reading aloud with expression, using appropriate stress, pausing and intonation.
- Independent reading: Learners read a page or more of a graded reader and/or newspaper or pamphlet each day. **Use for Assessment Task 2.**

DAY 2:

SHARED READING AND WRITING: MODELLED READING

- Read the text to the learners. If suitable, try to use a slightly different expression for the different characters in the dialogue (play).
- Afterwards check understanding by asking 3 - 4 oral *wh* questions (*who...*, *where...*, *what happened...*, *why..*).
- Have each learner write an individual response to say whether they enjoyed the story or not, giving reasons. Use learners' written responses for **Assessment Task 2**.

WORD & SENTENCE LEVEL WORK/GROUP, GUIDED & INDEPENDENT READING/ WRITING

- Written task: Sequencing: Write 5 sentences summarising the events in the story. Mix them up so that they are in the wrong sequence. Learners write the sentences in the correct sequence. **Use for Assessment Task 2**.
- Guided reading: **Blue Group**; Independent reading. **Use for Assessment Task 2**.

DAY 3:

SHARED READING AND WRITING: SHARED READING

- Do shared reading with learners. Afterwards ask some open-ended questions to draw out any cause-effect relations in the story, e.g. *What happened when _____ did _____? Why do you think _____ happened?*

WORD & SENTENCE LEVEL WORK/GROUP, GUIDED & INDEPENDENT READING/ WRITING

- Written task: learners do a short comprehension based on the shared reading text. It should consist of 2-3 factual questions focusing on understanding main idea, plot and characters. **Use for Assessment Task 2**.
- Language: Draw attention to the verbs in the text. Use a sentence from the shared text. Identify the verb in the sentence. Revise subject-verb agreement, e.g. *The animals sing. The lion sang.*
- Guided reading: **Red Group**; Independent reading. **Use for Assessment Task 2**.

DAY 4:

SHARED READING AND WRITING: RE-READING THE TEXT

- Re-read the text together with learners. Make your voice softer but still use the pointer.

WORD & SENTENCE LEVEL WORK/GROUP, GUIDED & INDEPENDENT READING/ WRITING

- Language: Revise simple present and simple past verb tenses based on the shared text.
- Language task: Provide sentences from the text in the present tense (either directly from the text or based on the theme). Learners re-write them using the past tense.
- Sight words: Teach 5 new sight words.
- Sight Words Task: Learners write 5 sight words into their Spelling Books.
- Guided reading: **Green Group**; Independent reading. **Use for Assessment Task 2**.

DAY 5:**SHARED READING AND WRITING: FINAL SHARED READING**

- Learners read the book to you. One learner can be the 'teacher' and use the pointer.

WORD & SENTENCE LEVEL WORK/GROUP, GUIDED & INDEPENDENT READING/ WRITING

- Learners complete the written activity that they missed during Guided Reading.
- Group/paired reading: Learners read a simple pamphlet in their seating groups.

READING FOR ENJOYMENT

In addition to Reading and Writing focus time, there should be time each day or week for Reading for enjoyment. During this time learners choose what they want to read **or** you read aloud to them. In Weeks 4-5 try to provide learners with a selection of newspapers, pamphlets and advertisements to choose from. **Use for Assessment Task 2.**

ASSESSMENT: Formal: recorded Assessment Task 2:

- Answers higher order questions based on the passage read

Use Day 1(Vocabulary task) to rate the learners, recording any problems you have noticed, against the following milestone:

- Builds own word bank and personal dictionary. (Writing milestone)

Every learner should be assessed against this milestone by the end of Week 5.

Use Paired and Independent Reading and Reading for Enjoyment in Weeks 4-5 to rate the learners, recording any problems you have noticed, against the following milestones:

Write up any new or difficult words on the board. - Explain that learners are going to write a story of their own based on the picture (or sequence of pictures). Their stories will need to have a title and a clear beginning, middle and end (at least two paragraphs). - In pairs, learners should talk about what they plan to include in their story. ACTIVITY 2: DRAFTING - Explain to learners that before they write their story they should plan it carefully. Have learners complete a story plan (See Term 2 Week 3 for a planning frame). Problem-solving activities are important for learners to learn to work systematically. Learning to follow systematic steps in problem solving can take a lot of patience and time.

- **Always make sure that your learners understand the question.**
- **Ask learners to look for clues in the information provided.**
- **Some activities may have several possible solutions. Encourage learners to look for alternative solutions.**

WEEK 5	PHONICS & SPELLING + HANDWRITING										
LO/ASs	LO 3 AS 4	LO 4 AS 5, 7	LO 6 AS 1,6								
MILESTONES	<i>Phonics</i> • Uses words pronounced the same, but with different meanings (homophones) e.g. fly : to fly in an aeroplane or a fly that is an insect • Builds and sounds words at level of phonetic knowledge • Uses both the letter sound as well as the letter name to spell words <i>Handwriting</i> • Copies written text from the board, writing strips, work-cards, etc. correctly, paying attention to correct letter formation • Writes with increasing speed										
ACTIVITIES											
PHONICS: REVISION OF ‘I’ SOUNDS DAYS 1 - 5: • Revise different ‘i’ sounds: long ‘i’ – i-e (bike), y (my), ie (tie) and short ‘i’ – (fish) • Revise one spelling each day. • Write a set of words containing the sound on the board. (See below) • Show learners how the letters make the long or short ‘i’ sound. Sound out each word. • A suggested sequence: • Day 1: short ‘i’ sound: i words (<i>big, dish, drink, hill, in, bit, is, it, win, rip</i>) • Day 2: long ‘i’ sound: i_e words (<i>bike, fire, kite, life, bite, bride, spice, mine, nice, like, wise</i>) • Day 3: long ‘i’ sound: y words (<i>try, why, sky, dry, fly, cry</i>) • Day 4: long ‘i’ sound: ie words (<i>tie, pie, lie, die, cries, dries, fries</i>) • Day 5: Consolidation of week’s sounds, e.g. give a mixed list of long and short ‘i’ sound words for sorting: <table><tr><th>i words</th><th>i_e words</th><th>y words</th><th>ie words</th></tr><tr><td> </td><td> </td><td> </td><td> </td></tr></table>				i words	i_e words	y words	ie words				
i words	i_e words	y words	ie words								
PHONICS ACTIVITIES: Each day, choose two oral activities and give learners a written task. Use these activities for Assessment Task 2. Here are some suggestions: • <u>Blending</u>: Sound out a word e.g. f-i-ve. Learners put the sounds together to make a word. • <u>Blending</u>: Sound out a word e.g. white. Learners construct the word with their letters or do a ‘quick-write’ and write it on a whiteboard or slate. • <u>Blending/Spelling</u>: Give learners a dictation/spelling activity where you sometimes give them the letter sounds only and other times the letter names. • <u>Segmenting</u>: Learners work in pairs to segment words on the board into 2/3 sounds.											

- Written Task: Learners choose the correct letters to complete words, e.g.

y ie

My mother will f___ the chips for lunch.

Wh_ do you think it happened?

He wears a t___ to work.

- Written Task: Word Sort: Give learners sets of word cards. Have them sort the word cards first in any way they choose such as by common sounds or word length. Then suggest a way for the learners to sort the words. Make sure that the words you provide can be sorted in more than one way. For example use words containing the long 'i' sound spelled **ie, y, i-e**.

SPELLING ACTIVITIES

- Written task: Each day, learners write five of the PHONICS words and a short sentence for each word into their Spelling Books to revise for homework. (You need to provide the sentence. This has the advantage of sight word revision.)
- On Day 5 have a short, stress-free spelling test of the week's words/sentence (as well as the sight words for the week).

HANDWRITING: JOINED WRITING

ACTIVITY 1:

- Choose one or two of the 'i' sounds revised in this week's Phonics lesson, e.g. **ie, y**. Write the letters that make this sound on the board in joined writing. Show learners how the two letters are joined. Learners write a row of each combination after watching you write it. Write a word for each sound, e.g. **pie, sky**. Show learners how to write the words using joined writing. Learners write a row of each word after watching you write it.

ACTIVITY 2:

- Write one-two sentences on the board, writing strips or on work-cards using some of the words you have used to revise letter-sounds this week. The sentences should include high-frequency words previously taught. Learners copy the sentences.

ASSESSMENT: Formal: recorded Assessment Task 2:

Use the written phonics activities on Days 1-5 to rate the learners, recording any problems against the following milestones:

- Builds and sounds words at level of phonetic knowledge
- Uses both the letter sound as well as the letter name to spell words

Informal: unrecorded assessment of learners' ability to write sentences in correctly joined script.

WEEK 5	READING		
LO/ASs	LO 3 AS 2, 3, 5	LO 4 AS 5	LO 6 AS 2,3,6
MILESTONES	<i>Shared reading</i> - Reads book as a whole class with teacher (shared reading) and discusses main idea, characters and plot - Expresses whether a story was liked and is able to justify answer - Answers higher order questions based on the passage read <i>Group, guided reading</i> - Reads aloud from book at own level in a guided reading group with teacher i.e. whole group reads same story <i>Paired/Independent reading</i> - Reads aloud to a partner - Reads independently for enjoyment and information from a variety of fiction and non-fiction texts - Builds own word bank and personal dictionary. (Writing milestone)		
NOTE	Prepare the Language work/task.		
RESOURCES	- Graded group readers or class readers for Guided Reading groups/Independent Reading. - Copies of a suitable text for Group Reading.		
ACTIVITIES			
DAY 1: SHARED READING AND WRITING: INTRODUCING SHARED WRITING - Re-read the shared text (dialogue/play). Revise the sight and vocabulary words from Week 4. Introduce shared writing. Remind learners of the features of a dialogue, e.g. a colon (:) used to introduce the actual words spoken, the speaker’s name underlined/bolded, etc. Draw attention to these features in Week 4’s shared text. - Explain that you are going to write a short dialogue based on the shared text. Aim to use some of the vocabulary, sight words, and sentence patterns from the shared text as you write. You do not have to use an extract from the shared text but can make up your own. Depending on the level of your learners you may choose to write the dialogue around a specific episode in the text or as an alternative ending. - Remember that when doing shared writing with learners you should write your own sample text beforehand. While writing, you should ask prompt questions and help learners construct sentences. - Stop after 3-4 sentences and continue the next day. WORD & SENTENCE LEVEL WORK/GROUP, GUIDED & INDEPENDENT READING/ WRITING <u>Sight word task:</u> Teach 5 new sight words. Learners copy the 5 new sight words into their Spelling Books. Learners either copy and complete a paragraph choosing the correct sight words or write sentences using the sight words. You can use this as a revision using sight words from Weeks 1-5.			

- Guided reading: **Yellow Group.**
- Focus for the week: Using decoding and comprehension skills when reading unfamiliar words to make meaning. Sounding out unfamiliar words at the level of phonetic knowledge.
- Independent reading: Learners read a page or more of a graded reader and/or newspaper or pamphlet each day. **Use for Assessment Task 2.**

DAY 2:**SHARED READING AND WRITING: SHARED WRITING CONTINUED.**

- Complete the dialogue. Revise and edit sentences.
- Check spelling of sight words with learners. Encourage learners to use a dictionary to check any new spellings.

WORD & SENTENCE LEVEL WORK/GROUP, GUIDED & INDEPENDENT READING/ WRITING

- Comprehension task: Learners complete a cloze activity based on the sentences in the dialogue.
- Guided reading: **Blue Group.** Independent reading. **Use for Assessment Task 2.**

DAY 3:**SHARED READING AND WRITING: SHARED READING**

- Do shared reading of the class text (dialogue). Try to use a slightly different voice/expression for each of the characters.
- Identify different sentence types in the dialogue, e.g. statements, command and questions.

WORD & SENTENCE LEVEL WORK/GROUP, GUIDED & INDEPENDENT READING/ WRITING

- Language: Together with the learners look over the shared text (you can use Week 4 or 5's text) and find all the sentences with words ending in **-ing**. Write the sentences on the board, e.g. *He is running very fast.*
- Explain that all the verbs ending in 'ing' in these sentences tell us that the actions are still happening, i.e. they are in the continuous (progressive) tense.
- Language task: Provide a written activity based on the present continuous tense. For example, learners can change sentences to show that the action is still happening: *The old lady is (knitted) a jersey, etc.*
- Guided reading: **Green Group.** Independent Reading. **Use for Assessment Task 2.**

DAY 4:**SHARED READING AND WRITING: RE-READING**

- Re-read the class text with the learners.
- Learners can work in small groups to dramatise the dialogue.

WORD & SENTENCE LEVEL WORK/ GROUP, GUIDED & INDEPENDENT READING/ WRITING

- Vocabulary Words Task: Give learners a list of words from the text to sort into alphabetical order. The words should be written into their Personal Dictionaries. **Use for Assessment Task 2. Continue to note in your Assessment Notebook who is unable to build their personal dictionary. Every learner should be assessed by the end of Week 5.**
- Guided reading: Red Group. Independent Reading. **Use for Assessment Task 2.**

DAY 5:

SHARED READING AND WRITING: FINAL SHARED WRITING

- Learners re-read the text together. One learner can be the 'teacher' and use the pointer.

WORD & SENTENCE LEVEL WORK/GROUP, GUIDED & INDEPENDENT READING/ WRITING

- Learners complete the written activity that they missed this week during Guided Reading.
- Group/paired reading: Learners read a short, simple text in their seating groups.

ASSESSMENT: Formal: recorded Assessment Task 2:

Every learner should be assessed against this milestone by the end of Week 5.

Use Guided Reading to rate the learners, recording any problems you have noticed, against the following milestone:

- Reads independently for enjoyment and information from a variety of fiction and non-fiction texts

WEEK 5	WRITING
LO/ASs	LO 4 AS 1,2,3,4,6
MILESTONES	- Writes about personal experiences in different forms e.g. a diary entry, a letter to a relative, description - Drafts, writes, edits and publishes own story of at least two paragraphs - Gives writing a title - Uses a variety of vocabulary to make the writing more interesting - Reads own writing to the class
NOTES	Prepare an example diary entry on a large sheet of paper to display to the class.
ACTIVITIES	
ACTIVITY 1: PRE-WRITING DISCUSSION - Talk to learners about diaries. A diary is a book with a space for each day. Some people use diaries to keep a record of their appointments and meetings. Other people use their diaries to write their experiences and feelings about what happens to them each day. - Explain that sometimes people use a diary like a friend - they write about their problems and feelings, and then feel better because they have 'shared' their thoughts. - Read an example diary entry to the learners. (You would have prepared this on a large sheet of paper to display to the class). 22 September 2009 Dear Diary Today I went to play at my friend Jesse's house. Her mother made us sausages and chips for lunch. We played in the garden all afternoon. Dad came to fetch me after work. I love spending time at Jesse's house! - Explain that learners must choose a situation to write a diary entry on. Depending on the level of your learners you might want to give them a few situations to choose from, e.g. you went to a birthday party, you went to see the school play, etc. - Explain that learners must write a diary entry for the day their chosen situation happened. A diary entry should include the date, what happened as well as your thoughts and feelings about what happened. - Learners can discuss with a partner and decide on the situation they want to use for their diary entry.	

ACTIVITY 2: WRITING/EDITING/PUBLISHING

- Learners write their diary entries.
- They read their diary entry aloud to a partner to check that it makes sense.
- They self-edit for spelling and punctuation.
- Learners write their diary entries neatly into their books. Use for **Assessment Task 2**.

ACTIVITY 3: PERSONAL WRITING - DIARY WRITING

- Learners add to their personal writing. This week they can write about their pet or a pet they would like to own. Learners can say what their pet is named, why it is a good pet to have, how they care for it, etc.

ASSESSMENT: Formal: recorded Assessment Task 2:

Use Activity 1 and 2 to rate the learners, recording any problems you have noticed, against the following milestones:

- Writes about personal experiences in different forms e.g. a diary entry, a letter to a relative, description

Informal: unrecorded assessment of learners' personal writing. Over the term try to read each learner's diary at least twice. Make positive comments, and try to encourage learners to write further on topics/issues of their choice.

WEEK 6	ORAL WORK AND LISTENING & SPEAKING	
LO/ASs	LO 1 AS 2	LO 2 AS 1,5,7
MILESTONES	• Listens to stories, predicts the ending, or makes up own ending for the story • Makes oral presentations e.g. tells news or talks about an experience varying volume and pitch of voice and making eye contact with peers • Uses interesting words and descriptions when speaking	
ACTIVITIES		
DAILY MORNING ORAL WORK: • Discuss the day/month/weather/birthday charts, and any special happenings. • Continue to write a ‘morning message’ on the board for the learners. It should be on the board when they arrive. Learners read it silently and then ask questions and discuss it with you. • Remind learners that when telling people about a news event it is important to describe events in an interesting way, vary the pitch of your voice and maintain eye contact with the people you are talking to. This is important whether you are telling personal news or reporting on something you read/heard about. Demonstrate this by sharing some general news about something that happened at school or that you have read/heard about in your community. First present the item in a ‘flat’, monotonous voice, avoiding eye contact, etc. and then present the same item varying the pitch and volume of your voice, maintaining eye contact, etc. Discuss the difference between the two presentations. • From Day 2 onwards, have 3-4 learners each day share 3-4 minutes of family or general news. Use for Assessment Task 3. Every learner should be assessed by the end of Week 7.		
LISTENING AND SPEAKING		
ACTIVITY 1: GROUP DISCUSSION • Write a question(s) on the board that raise or highlight a relevant issue in the learners’ lives, e.g. - <i>Do radio and TV affect our schoolwork?</i> - <i>Are games good for us?</i> • Learners work in small groups to discuss their views and then choose a group member to make a presentation to the class. You should remind learners to talk about both the good and bad points before they say ‘yes’ or ‘no’ and compare their reasons for saying ‘yes’ or ‘no’. A good presentation must make the rest of the class believe the group’s view.		

ACTIVITY 2: WORD PROBLEMS

- Use the theme of the question you set for Activity 1 to base word problems on, e.g. *Max watches 4 hours of TV a day. He listens to the radio for 1 hour. How many hours a day (in total) does Max spend watching TV and listening to the radio? There are 24 hours in a day. If Max spends ____ hours watching TV and listening to the radio, how many more hours does he have left in the day?*

ASSESSMENT: Formal: recorded Assessment Task 3:

Use Morning Oral Work each day to rate the learners, recording any problems you have noticed, against the following milestones:

- Makes oral presentations e.g. tells news or talks about an experience varying volume and pitch of voice and making eye contact with peers
- Uses interesting words and descriptions when speaking

Every learner should be assessed against this milestone by the end of Week 7.

Try to use dialogues as Speaking and Listening activities throughout the year. In the beginning you may want to control the words in the dialogues but at later stages dialogues can be longer and can even be produced or adapted by the learners themselves. Dialogues provide a valuable way for learners to practise new language structures and tenses in communicative situations. For example, you can practise the future tense and the structure 'going to' by using a dialogue between two learners who tell each other what they are going to do at the weekend.

WEEK 6	PHONICS & SPELLING + HANDWRITING
LO/ASs	LO 3 AS 4 LO 4 AS 5, 7 LO 6 AS 1,6
MILESTONES	<i>Phonics</i> - Recognises silent letters in words i.e. k as in know, l as in half, b as in comb, w as in write, h as in hour, g as in sign - Builds and sounds words at level of phonetic knowledge - Uses both the letter sound as well as the letter name to spell words <i>Handwriting</i> - Copies written text from the board, writing strips, work-cards, etc. correctly, paying attention to correct letter formation - Writes with increasing speed
ACTIVITIES	
PHONICS: SILENT LETTERS – k, l, b DAYS 1 - 5: - Introduce learners to silent letters. Explain that over time, the way that words are pronounced changes. For example, a thousand years ago the word 'knife' was pronounced 'k-nife'. This was hard to say, so over time people stopped sounding the separate 'k'. However the spelling of the word remained the same. The 'k' became a silent letter. - Introduce one silent letter each day. - Write a set of words containing the letter on the board and read the words together with the learners. (See below) - A suggested sequence: Day 1: silent k: e.g. <i>knee, knife, knock, knight, kneel, knot, knew, knit, know</i> Day 2: silent l: e.g. <i>calf, could, talk, half, chalk, walk, calm</i> Day 3: silent b: e.g. <i>comb, crumb, lamb, thumb, doubt</i> Day 4: consolidate learning of silent k, l, b. Day 5: consolidate learning of silent k, l, b. PHONICS ACTIVITIES: Each day, choose two oral activities and a written task. Silent letters can largely only be reviewed in written activities (because the letter-sound is silent). You can therefore use the week's activities to consolidate the silent letters but also to revise some of the sounds/spellings taught thus far. Here are some suggestions: <u>Blending:</u> Sound out a word. Learners put the sounds together to make a word. <u>Blending:</u> Sound out a word. Learners construct the word with their letters or do a 'quick-write' and write it on a whiteboard or slate. <u>Segmenting:</u> Learners work in pairs to segment words on the board into different sounds. <u>Word families:</u> Take a sheet of paper and write a word family starter. Learners suggest words for the word family. <u>Written Task:</u> Learners re-arrange groups of letters to make words.	

- Oral/Reading Task: Learners read a list of words and identify the words with silent letters.
- Written Task: Learners copy and complete sentences using words with silent letter spellings, e.g.

knight night

I go to sleep at _____.

- Written Task: Learners choose the correct spellings, e.g. caf calf calv

Note: *It is important for children to read and write the words with silent letters in many different contexts so vary your activities and give them lots of practice.*

SPELLING ACTIVITIES

- Written task: Each day, learners write five of the PHONICS words and a short sentence for each word into their Spelling Books to revise for homework. (You need to provide the sentence. This has the advantage of sight word revision.)
- On Day 5 have a short, stress-free spelling test of the week's words/sentence (as well as the sight words for the week).

HANDWRITING: JOINED WRITING

ACTIVITY 1:

- Choose two or three of the words with silent letters taught this week. Use joined writing to write a sentence on the board, writing strips or on work-cards using each word (to demonstrate it's meaning). Learners copy the sentences.

ACTIVITY 2:

- Choose two or three of the words with silent letters taught this week. Use joined writing to write a sentence on the board, writing strips or on work-cards using each word (to demonstrate its meaning). The sentences should include high-frequency words previously taught. Learners copy the sentences. **Use one of the handwriting activities for**

Assessment Task 3.

ASSESSMENT: Formal: recorded Assessment Task 3:

Use one of the handwriting lessons to rate the learners against the following milestones:

- Copies written text from the board, writing strips, work-cards, etc. correctly, paying attention to correct letter formation
- Writes with increasing speed

- Introduce a Grade 3 level **non-fiction/information text** with diagrams and/or photographs.
- Orientate learners to the text as before. Do a picture walk.
- If applicable, show learners the contents page of the non-fiction book you are using. Talk about the function of a contents page and demonstrate how to use it to find information, e.g. you can ask learners questions like: *In which chapter do you think I will be able to read about fish? What page does that chapter start on?* etc.

WORD & SENTENCE LEVEL WORK/GROUP, GUIDED & INDEPENDENT READING/ WRITING

- Introduce the past continuous tense. Write a table on the board to compare the simple present/past and continuous tenses, e.g.

Simple	Continuous
I like horses. (present)	I am riding a horse. (present)
I liked horses. (past)	I was riding a horse. (past)
