MEMORANDUM 14 OF 2010

NATIONAL CERTIFICATE (VOCATIONAL): PROGRAMME AND SUBJECT CODES

Please take note that the programme and subject codes of the National Certificate (Vocational) offered by FET Colleges remain unchanged for the 2010 academic year.

The codes required for candidate registration for the November 2010 and the supplementary 2011 examinations will be in accordance with Examination Instruction 05 of 2009. The revised programme and subject codes referred to in Government Gazette No. 33220 of 25 May 2010 will be applicable from the November 2011 examinations onwards.

The Department of Higher Education and Training will communicate with all examination centres in advance of candidate registration for the November 2011 examinations to ensure that the change-over process is carried out in a systematic manner. Examination centres are instructed not to make any changes to the NC (V) programme and subject codes on their electronic examination database at this stage.

Kind regards
