Teacher instruction:
Ask learners to 'read' each picture.
Then ask them to match the animal to its home.
Help them use the correct names of the homes.
This is a visual discrimination exercise.

Where do I live?

Teacher instruction:
Ask learners to 'read' each picture and to count the tools and materials.
Then let them match the tools and materials.
Next let them cut out the cards and practise addition and subtraction story sums using the cards to facilitate their calculations.
