Ntombi Hippo

This is what I wear

Ntombi loves to dress up.
She has a wardrobe full of clothes.
There are winter clothes and spring clothes.
There are windy day clothes and rainy day clothes.
She has everyday clothes and she has party clothes.

She is the Belle of the Bush and everyone
wants her at their parties.

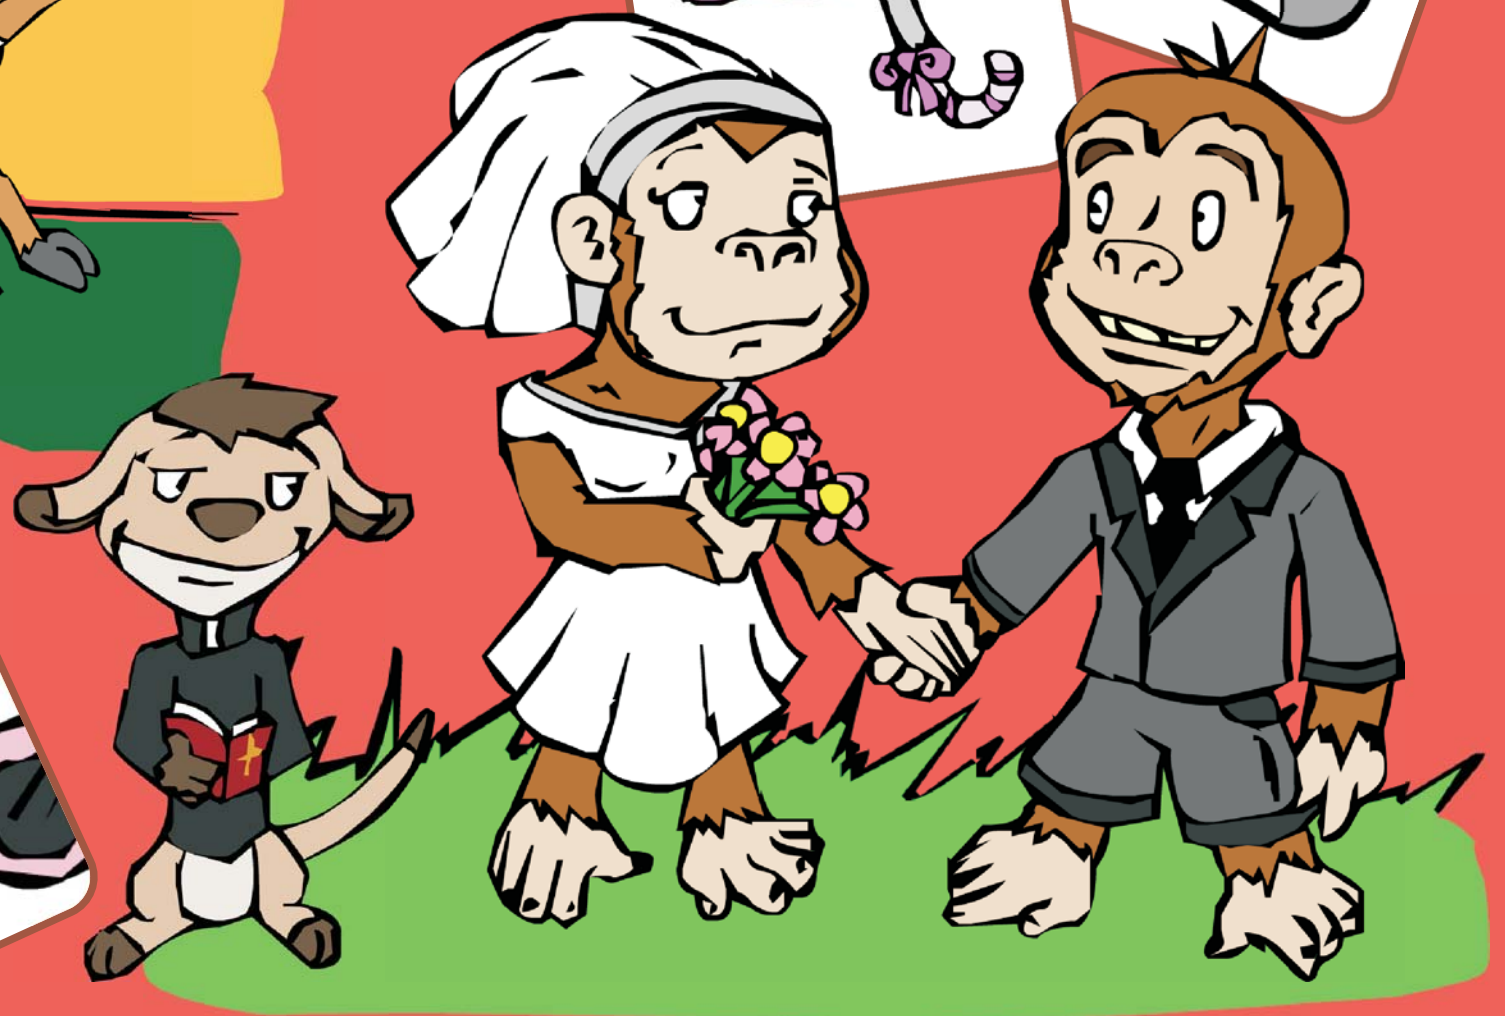

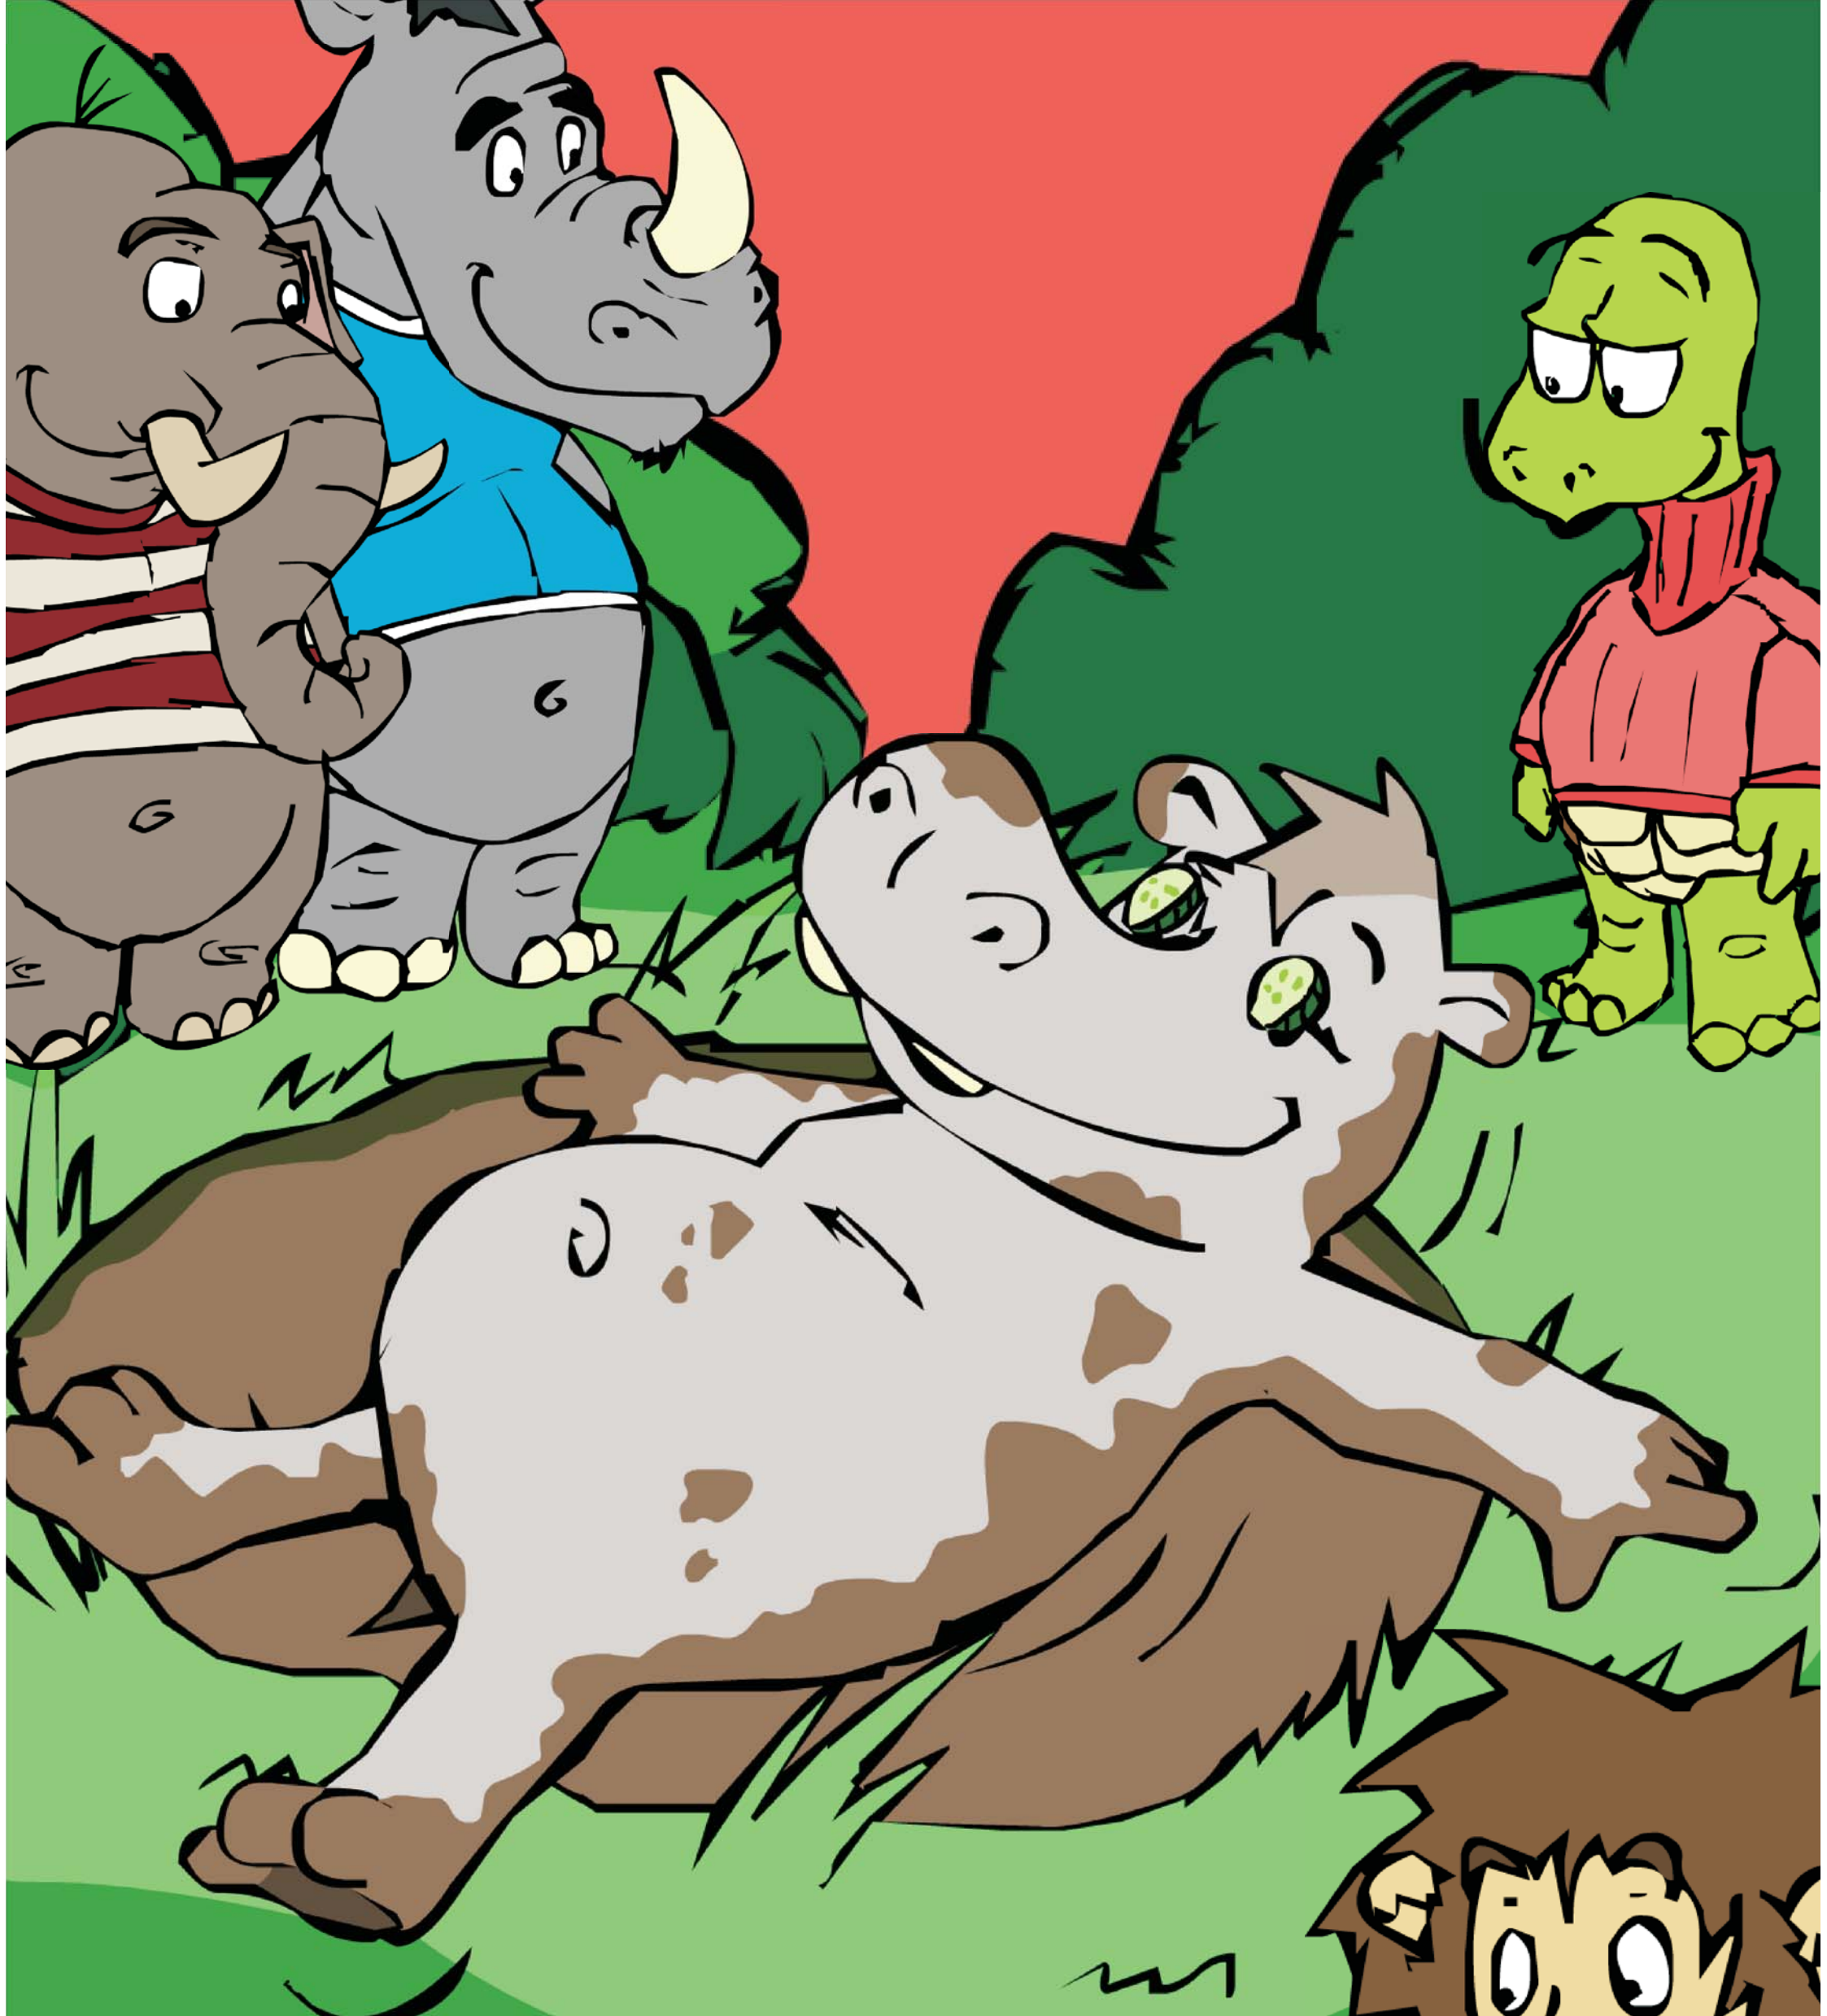

Lungi the lion invites Ntombi to a braai.
What will she wear?

Sipho the springbok invites Ntombi to the rugby.
What should she wear?

Mpho the monkey invites her to a monkey's wedding.
Help her choose!

Ntombi loves to dress up.
The ladies love Ntombi's clothes.
The boys love Ntombi's style.
Everyone loves to have Ntombi at their parties.

But what Ntombi the hippo loves most of all
is to wallow and laze in a
muddy, mucky, murky pool!
