Le ntfombatana le ayibona emehlweni.
Ngayibuka lentfombatana, yendlula eceleni kwami!

Ngatjela make nangifika ekhaya ntsmbama.
Watsi make, "Mmeme ete la ekhaya ate kudlala!"

Ngelikhefu umfanyana uyatidlalela ngekuthula
Uhleti yedvwa phansi kwesihlahla
Uyangibona, mangita madvutane
Ngitsi, "Sawubona", kodvwa akeva

Ngitjele babe. Atsi, "Kulungile
yetame kumbabhayisela
nekumoyitela nawuphindze

La esitolo ngiyema ngiyabuka
Lomntfwana uyangetfusa!

Ngicabanga kutsi lo mntfwana akalungi kahle
Kodvwa Gogo utsi "Usipho lesichamuka kuNkulunkulu"

Ngibambe sandla sa Gogo, nasiya ekhaya:
Bese uyangichazela ngeDown's Syndrome

Umngani wami lomkhulu Jason uhleti esihlalweni
Bantfu bayema bambuke

Imilente yakhe ayisebenti, akakwati kuhamba,
Uyabona naye kutsi bantfu bayammangala!
Jason utsi akanandzaba
Utsandza sihlalo sakhe sekuhamba

Asifanani sonkhe ngetindlela letehlukene
Kodvwa sisengaba bangani, sidlale
