### MEMORANDUM 11 OF 2011

#### 2011 SUPPLEMENTARY EXAMINATION PAPERS THAT NEED TO BE REPLACED

The urgent attention of all examination centres, examination officers, campus managers and principals of colleges offering the NC(V) 2011 Supplementary examinations is drawn to the following:

- The 2011 Supplementary examination timetable for subjects that were scheduled to be written between 21 February 2011 and 25 February 2011 was re-scheduled to 28 March 2011 to 01 April 2011. [Refer to Memorandum 10 of 2011.]
- Some examination centres unfortunately ignored the instruction to re-schedule the affected subjects and have, as a result, compromised question papers in 16 subjects.
- This has required the Department to re-set the affected question papers and print and distribute these question papers to all examination centres that have candidates registered to write the subjects.
- All examination centres that have candidates sitting for the affected subjects must please withdraw all the question papers in the 16 subjects and replace them with the new question papers that will be supplied.
- All withdrawn question papers must be returned to the Department, still sealed in the original plastic bags, as soon as possible after receipt of this memorandum.
- The replacement papers will each contain a coloured cover page and be dispatched early next week.
- Any further contravention of examination requirements will be dealt with in accordance with the prescripts for examination and assessment irregularities.

Attached please find a list of the affected question papers which must be replaced. (Annexure A)

Your cooperation and assistance in the matter is sincerely appreciated.
