NATIONAL CERTIFICATES (VOCATIONAL): PROGRAMME AND SUBJECT CODES

The attached document contains the programme and subject codes of the National Certificates (Vocational) offered by Further Education and Training Institutions for the 2012 academic year onwards. These programme and subject codes form the basis of the Department of Higher Education and Training (DHET) computerised examination system.

Examination Administrators at Examination Centres must therefore ensure that their computerised examination system complies with the requirements of the DHET.

Examination centres are hereby instructed to implement the attached programme and subject codes on to their computerised examination system.
