MEMORANDUM 09 OF 2012: RELEASE OF NC (V) SUPPLEMENTARY 2012 EXAMINATION RESULTS

The release of the final schedule of results for the 2012 NC (V) supplementary examinations was delayed due to challenges experienced with the statistical moderation records on the resulting system. The Department has now addressed these challenges and completed the verification of the data with Umalusi. Umalusi approved the release of the results on 05 June 2012 and the final NC (V) 2012 supplementary schedule of results for candidates at your examination centre will be forwarded to your centre via email.

Please note that this is the final schedule of results and it replaces the preliminary schedule of results that was sent to FET institutions on 05 April 2012. Refer to Annexure A for an explanation of subject indicators.

Kindly note that a "7" indicator indicates that the candidate was absent for the examination and will therefore not receive a mark. A "9" indicator indicates a pending result, possibly because a mark was not received by the DHET. Refer to memorandum 05 of 2012 (par.1) on how to manage the release of pending results.

Please direct the queries for your examination centre to the relevant official indicated in Annexure B.

The closing date for re-mark and re-check of the scripts for the 2012 NC (V) supplementary examinations is hereby extended to 30 June 2012.

Kind regards
