MEMORANDUM 10 OF 2012: CLOSING DATE FOR REGISTRATION FOR AUGUST 2012 EXAMINATIONS

The delay in the release of some of the subject results for the April 2012 examinations has necessitated that the Department review the closing date for the submission of registrations for the August 2012 examinations. The new closing time and date is now **12:00 on Friday, 15 June 2012**. In accordance with national policy, entries received beyond this closing time and date will not be registered and will not be allowed to write the August 2012 examinations.

Kindly note the following with regard to the submission of registrations:

1. Where your centre has not yet submitted an *electronic* version of the entries for August 2012 to the Department, kindly amend the electronic file if necessary and submit the file to the Department. If no amendments are required, please submit the file immediately.
2. Where your centre has already submitted an *electronic* version of the entries for August 2012 to the Department, kindly do not amend the *electronic* file or resubmit it. Submit **only** the *registration forms* for the candidates that your centre has not yet captured on the registration file for August 2012 in lieu of the outstanding late results. The Department will capture these candidates directly on the system.

Kind regards
