SASCE Circular to District Coordinators - 28 September 2014

Dear Colleagues

The programme for 2015 has been completed including the adoption of the new model as proposed in the 2013 review. The second model as adopted was supported by the rationalization process that is close to completion in most provinces. The education sector will have two forms of schools throughout the country - Primary and Secondary schools. It is befitting for SASCE as a programme organized in this sector to be aligned accordingly. From 2015, the senior phase section will not be part of the programme, the participation rules have been amended accordingly. The boys' choir section has been introduced in the primary schools to mobilize the participation of boys in the programme. This prepares them for the secondary school intensive syllabus which requires their full engagement. I hope provinces will appreciate this as it has been a request from a number of PCC's to consider this aspect.

Secondary schools programme

The secondary schools have 3 sections

(a) Secondary A

The schools in this category have been identified through their consistent performance in the last 4 years (2011 - 2014) in the 5 identified categories (i.e. Mixed Choirs – African, Afrikaans, Western and Male and Female Voice Choirs). They have reached the National level of the competition; a list has been compiled and shared with you. Schools in that list automatically fall in Secondary A category. The PCC may add other schools who have featured consistently at a provincial level but who may have not necessarily made it to National. However, once that has been done, it must be communicated to National for capturing purposes.

Provinces may not relegate the schools that appear in the list to another section, if the school that is in secondary A finds the syllabus not suitable for the choir or prefers the Secondary B syllabus, **they may not do so**. The school should only participate in the **open section only**. The identified school will participate in the first level of the competition even if it is the only one at that level. The choir will perform and be adjudicated accordingly before moving to the second level. Schools in this category are expected to participate in **all 5 sections** at the first level of the competition. They will progress with sections that they win to the next level of the competition.

(b) Secondary B

This section is for choirs that have participated in the programme and have not reached the National level in the past 4 years in the identified categories. This excludes schools that may be recommended by the PCC to take part in the Secondary A category. It is also for the new schools that will be participating for the first time in SASCE. This category also accommodates schools that previously participated in the senior phase category. It is important that schools are guided correctly to allow this category to accommodate such choirs only.

(c) Open category

This section is for both categories to select whatever they find suitable.

PCC's are encouraged to motivate and mobilize schools to take part in SASCE and assist them where they require assistance. This model is meant to broaden the base and expand the programme to all schools especially those schools that have not been part of SASCE before. It will further challenge Districts to explore and invite more schools to participate as the menu is wider to select what is suitable for any school. The levels below the Provincials should focus on mass participation; therefore you are urged to invite more schools in this regard.

I hope this circular will provide more explanation and clarity to the participation rules. You will be informed once the typesetting of the repertoire has been completed together with all the SAMRO processes. The booklet will be made available to you and also posted on the website. I wish you all the best as you prepare for another exciting season of SASCE.

Warm regards

Ms N Xulu

2015 SOUTH AFRICAN SCHOOLS CHORAL EISTEDDFOD

PARTICIPATION RULES and PRESCRIBED MUSIC

1. NAME:

The name of this choral eisteddfod shall be known as the **South African Schools Choral Eisteddfod**, and shall remain as such unless the National Coordinating Committee, on advice by the Department of Basic Education or HEDCOM, changes it.

2. FRAMEWORK:

- 2.1 The South African Schools Choral Eisteddfod was introduced in terms of the *protocol for the organisation, management, coordination and monitoring of school music competitions and/or festivals for schools in South Africa* published by the Minister of Education in *Government Notice No. 21697* of 27 October 2000 and amended on 08 February 2010.
- 2.2 The South African Schools Choral Eisteddfod is one of the school enrichment programmes coordinated by the Department of Basic Education to promote unity in diversity, national reconciliation, positive values, a new South African national identity, social transformation and social cohesion among school-going South African youth.
- 2.3 The 2015 South African Schools Choral Eisteddfod will be organized, managed, coordinated and monitored by the National Coordinating Committee at the national level, and the nine provincial coordinating committees for the respective provinces. No other organization will organize or manage or coordinate events related to the South African Schools Choral Eisteddfod.
- 2.4 The organisation, management and coordination of all events of the South African Schools Choral Eisteddfod shall be as determined in these Participation Rules, the resolutions of the National Coordinating Committee and the Memoranda of Agreement with possible funders or sponsors (where such Memoranda exist).

- 2.5 Among their responsibilities, the provincial coordinating committees will determine the appropriate levels below the provincial championships to be organised and coordinated in their respective provinces. However, provincial coordinating committees will ensure that mass participation is the norm at the levels lower than the provincial championships of the South African Schools Choral Eisteddfod.
- 2.6 No category other than those determined through these Participation Rules will be introduced in any year of the South African Schools Choral Eisteddfod without the expressed consent of the National Coordinating Committee.
- 2.7 Only educators under the employ of the participating schools shall be allowed to conduct or direct schools taking part in the 2015 South African Schools Choral Eisteddfod. It is not permissible for one conductor or director to conduct or direct choirs from more than one participating school. A learner may conduct his /her school choir. In the case where a learner is a conductor, the choir manager must be an educator.
- 2.8 At the provincial championships and levels below, only the respective provincial coordinating committees can approve the exchange of conductors or directors between any number of schools. Only the National Coordinating Committee shall approve the exchange of conductors or directors of provincial champion schools that had qualified for the national championships of the 2015 South African Schools Choral Eisteddfod. The National Coordinating Committee will only consider formal representation from the respective provincial coordinating committees.

3. SECTIONS AND CATEGORIES OF THE 2015 SOUTH AFRICAN SCHOOLS CHORAL EISTEDDFOD:

- 3.1 The sections for the year 2015 will include choirs in the **Primary schools** (Grades R – 7), and **Secondary schools** (Grades 8 – 12).
- 3.2 Schools starting from **Grade R-9** will be divided into two categories of choirs, i.e. Primary and Secondary. Schools starting from **Grade R-12** will be divided into **two** categories of choirs, i.e. Primary and Secondary.
- 3.3 It must be borne in mind that the South African Schools Choral Eisteddfod is an event organised, managed and coordinated for school-going youth, and no one else. Any school that infringes upon this arrangement will be disqualified from participating in future events organised for the South African Schools Choral Eisteddfod. Whenever a need arises, the provincial coordinating committees, with the assistance of Provincial Education Departments, will verify whether participating learners are duly registered with their respective schools.

- 3.4 In the event that a section of the 2015 participation rules has been infringed upon, a formal dispute must be lodged with the project manager by a school principal, a conductor, an educator, the chairperson of a school governing body, or a concerned member of the community before the school choral ensemble or soloist descends the stage. If evidence to corroborate the dispute can be produced before the choral ensemble or soloist descends from the stage, the affected choral ensemble or soloist will be disqualified with immediate effect. If evidence to corroborate the dispute cannot be produced at the competition site, the responsible coordinating committee will ensure that the matter is brought to its close within forty-eight (48) hours. It is important to note that the process to disqualify choral ensembles or soloists must be fair and transparent.
- 3.5 Provincial coordinating committees must determine the music to be prescribed for Foundation Phase in the **Primary schools (Grades R – 3)**, and the most appropriate voice combinations for such schools. In doing so, provincial coordinating committees must take into cognisance the age and voice range of the learners. Events for learners from Foundation phase in the **Primary schools (Grades R – 3)** must end at the district or regional championships of the South African Schools Choral Eisteddfod.

3.14 The Provincial Coordinating Committees will be liable for the transport, accommodation and catering for all provincial champions participating at the 2015 National Championships as follows:

- (a) the soloists, duets, and the actual number of the small ensembles, only if they do not belong to any provincial champion mixed or gender-based choir, accompanied by *one educator*;

- (c) The school ensembles will only be directed and managed by educators under the employ of the participating schools. - (b) The National Coordinating Committee shall organise, manage and coordinate the national championships of the 2015 South African Schools Choral Eisteddfod. The Heads of Education Departments Committee (HEDCOM) shall have an oversight or monitoring responsibility at all levels of the 2015 South African Schools Choral Eisteddfod, and especially the national championships.
