2.1 Learner biographical information & LSEN

Learner biographical data can be captured in **Menu 3.1.1: Learner & Parent Information** as well as **Module 4: Learner Listing**.

2.1.1 Learner biographical data (Menu 3.1.1)

This menu contains the biographical details of the learners at the school.

- This part is **compulsory as the information is required by all school surveys** and other official school reports.
- Data should be **checked quarterly and updated** whenever there are any changes.
- **Archived learners should not be captured as new** but should be reinstated to avoid learner duplicates.
- Data is **captured from a blank learner registration form** that was completed by the parent (Menu 3.1.2 & 6.2)

- ✓ The learner screen has an option to list **Current Learners** or **Future Registrations (learners)** selected at the 2nd line of the screen. (Fig. 3)
 - The **total number of learners** captured is indicated at the **top**.
 - The screen opens with a view of all learners that are **listed alphabetically** with accession number, grade, class, gender and ID number.
 - Select a **grade or class** from the drop-down list to filter for a **specific group** of learners.
 - Learners can be searched by Surname or by Accession Number through the **Search List for Learner** facility on the bottom of the screen.
 - Learners can be **added, edited or archived and details printed** on this screen
 - **Future Registrations** is a list of applicant learners for the following year that has been accepted by the school and registered on the system (See section 2.1.2. of this manual).

2.1.1b Add New Learner (Menu 3.1.1)

Learner Data is **captured from a blank learner registration form** that was completed by the parent.

- ✓ Click on **Blank Application Form** (Menu 6.2 or 3.1.2).
 - Select **Blank Learner & Parent Application Form** and click on **Print** (Fig. 21).
 - Distribute the printed blank copies to the parents before registration of new learners begins. Collect completed forms for capturing during the year.
- ✓ Capture the learner data on Learner Information (Menu 3.11) by selecting **Add new Learner** (Fig. 3).
 - Tracking number screen opens to verify if a learner is not a duplicate (Fig. 5).
 - Select if a learner has a **"LURITS" number** and add official number if known. DO not add any random number in this box.
 - A Learner Tracking Number is a 9 digit National Tracking Number which is allocated to learners by the **LURITS** (Learner Unit Record Information and Tracking System).
 - Click on **Next** or **Done** to capture the learner details on the following screens.

Learner Tracking Number

If the learner already has a national learner tracking number, then please enter the tracking number in the space provided below.

The tracking number is issued by the national tracking system and not by the school.

Each of the functions will be discussed individually under the related sections.

2.5.1 Maintain Learner Attendance (Menu 3.3.1, 3.3.3 & 3.3.7)

Learner attendance can be “paperless” administered with supporting source documents for audit purposes. This will also save time of the teachers and admin staff and assist the SMT with management of the absenteeism.

2.5.1a A **blank register** can be printed per class to mark the absenteeism manually.

- These lists are populated with learner names and saves the educator in writing down or admin clerk to type an excel spread sheet.

2.5.1b Capture manually recorded **weekly attendance** on the system.

- Weekly attendance statistics available for SMT after capturing
- List available with learners absent for a day

2.5.1c Capture manually recorded **attendance per period** on the system

- List available with learners absent for periods on that day

2.5.1a Print Blank Daily Attendance Register (Menu 3.3.1)

A blank attendance register can be printed to mark the absenteeism manually for later capturing on the system.

- For a Monthly Register printout select the **Month**, **Grade** and **Class** from the drop-down lists (Fig. 73)
 - Tick if **Nicknames** should be included
 - Tick if the list should be **alphabetical** and if the **gender** be split.
 - Click on **Print attendance register**
