2.1 Learner Placement

All learners (SNE and others) need to be placed in a grade as specified by the National Assessment Policy.

- Learners of different grades can be grouped in the same class e.g. multi-grade classes and LSEN / Remedial classes.
- Learners in a grade can only be assigned subjects registered to that grade. (Subjects of more than one grade CANNOT be assigned to a learner e.g. English HL Gr 2, Life Orientation Gr 3 and Math Gr 3.

2.1.1 Place Learners in Grades & Classes

Learners are placed in a grade using the following menus and functions:

- 2.1.1a The promotion function places a promoted learner automatically in the next grade (Menu 3.19).
- 2.1.1b The grade and class are captured when adding a new learner or editing learner details (Menu 3.1.1).
- 2.1.1c Learner grades can be changed on a list (Menu 3.1.4).

2.1.1a Assign Learner to Grade: Promotion Process (Menu 3.19)

On Menu 12.3.18 learners are promoted (not promoted or progressed) based on the assessment results at the end of the year.

 - This process is not reversible but learners can be later changed manually on (Menu 2.1.4).
- This process is discussed in section 3 of this guide.

Please ensure that you have made a copy of your database BEFORE you process your promotions.

You can create a copy of your database when SASAMS starts up by selecting the COPY option on the FIRST screen of SASAMS at the start up.
