EXAMINATION INSTRUCTION NO. 5 OF 2008

TRANSITIONAL ARRANGEMENT TO DELIVER SELECTED NATED COURSES FOR APPRENTICES

The Department of Education, MERSETA and MQA have come to an agreement that only students who are employed and indentured as artisans will be allowed to enroll for the first time to write the N1 and N2 examinations in 2008.

These examinations will only be offered in a select number of subjects (Annexure A) at a selected number of FET Colleges (Annexure B). Any other requests outside of this will be considered on merit.

Employees will have to pay the full costs of the course at the selected FET Colleges. FET Colleges must ensure that employers are aware of the full costs before enrolment.

Selected FET Colleges are therefore allowed to offer selected N1- and N2 programmes to apprentices as indicated in annexure A.

This examination Instruction does not replace Examination Instruction 9 of 2007.
