

DAY 1 - TUESDAY, 30 SEPTEMBER 2008 - PARALLEL SESSIONS: 14H00 - 15H30

VENUE 1: Facilitator: Ms J Rault-Smith	VENUE 2 Facilitator: Dr Francis Nzama	VENUE 3 Facilitator: Dr Molefe Ralenala	VENUE 4 Facilitator: Ms Jenny Kinnear	VENUE 5 Facilitator: Ms M Samuels
<i>The Mathematical Brain: An alternative approach to early numeracy and mathematical concepts</i> Presenter: Sharon Caldwell, Montessori Founder, SA	<i>Problem solving strategies to construct number sense</i> Presenter: Poomoney Govender, Education Specialist - Gauteng	<i>The impact of high frequency words on basic reading skills</i> Presenter: Charmaine Uys: Lecturer, North West University	<i>Making sense of English spelling</i> Presenter: Olive Douglas, Consultant, Brain Power Tutorial Games	<i>The Montessori's view of the mathematical mind of the 6 - 9 yr old</i> Presenter: Heidi Van Staden President Southern African Montessori Association
<i>Teaching Emergent numeracy Skills</i> Presenter: Maliga Pillay, Lecturer, UKZN	<i>A learning pathway for number: a trajectory for early number development</i> Presenter: Cally Kuhne, Schools Development Unit, University of Cape Town.	<i>Managing barriers to reading</i> Presenter: Magdalena Benn, Teacher, Imperial Primary - Mitchells Plain	<i>How I teach Reading</i> Presenters: Sizwe Luthuli, Teacher: Nontutuzelo Public School, East London & Nomandhlovu Mdingi, Education Specialist, E/Cape	<i>How to build Mental Maths Skills?</i> Presenter: Una Koch, Junior Student Publishers
<i>A multilingual maths lesson for Grade 3</i> Presenter: Margie Owen, Manager Home Language Project	<i>Learning about numbers and computation by working at problems</i> Presenter: Manare Setati, Mathematics Educationist, Ukuqonda Institute	<i>Success and fun in teaching reading</i> Presenter: Barbara Coombe, Training Director - Literacy for All	<i>Group Reading</i> Presenter: Agnes Valaishiya, HoD, Glenhazel Primary, Gauteng	<i>Learning and Moving: an integrated approach towards movement education for the young child</i> Presenter: Prof Cora Burnett, Department of Sport and Movement Studies, Univeristy of Johannesburg

DAY 1 - TUESDAY, 30 SEPTEMBER 2008 - PARALLEL SESSIONS: 16H00 - 18H00

<i>Shapes all around us: Practical Workshop</i> Presenters: Sally Campher, Marie Jordaan, Carol Lawrence, Teachers: Heidedaal Primary, George	<i>Thinking Skills to enhance problem solving</i> Presenter: Janet Van Heerden, Education Specialist, KZN	<i>The development of literacy skills: a continued professional development programme for Foundation Phase teachers.</i> Presenter: Anna Marie Wiium, University of Pretoria	<i>Spotlight on texts in the Foundation Phase: A planning framework for text based literacy instruction (workshop paper)</i> Presenter: Linda Rutgers, Lecturer, Stellenbosch University	<i>Wits Literacy Book Box Project</i> Presenter: Dr Jean Place, Head of Foundation Phase, Wits University
<i>The Family Maths</i> Presenters: Penny Smith Director-COUNT & Vicki Lindsay - Maths for Peace	<i>The use of manipulatives to enhance numeracy learning and establishing firm mathematical concepts</i> Presenter: Freda Wilkens, SMILE Consultant	<i>The relation between the development of two digit number sense and methods of computation</i> Presenter: Gertruida Smit Cape Peninsula University of Technology	<i>Developing listening skills through the integration of the arts - a trans cultural approach</i> Presenter: Dr Zenda Nel, University of Pretoria	<i>Teaching a multi-grade class</i> Presenters: Gisella Kingwill & J Fortuin (E/Cape Teachers)
<i>Video: The use of multimedia to enhance reading, writing and mathematical skills for Foundation Phase learners</i> Presenter: Dr Audrey Kloppe - NW University	<i>Video: Shape and space</i> Presenter: Selina Maduna, Tshepana Primary, Gauteng	<i>Video: Literacy Month Celebrations</i> Presenter: Louisa Zondi, Education Specialist, Gauteng	<i>Video: "Scaffolding Reading and Writing"</i> Presenter: Michael Travers Hart Consultant: Reading to Learn Programme	<i>Video: Literacy, Numeracy, Life Skills</i> Presenter: Karen Ogilvie - Craft Education

DAY 2 - WEDNESDAY, 1 OCTOBER 2008 - PARALLEL SESSIONS: 10H30 - 11H30

VENUE 1 Facilitator: Mr Q Moloi	VENUE 2 Facilitator: Ms G Koopman	VENUE 3 Facilitator: Dr J Joshua	VENUE 4 Facilitator: Mr D Govender	VENUE 5 Facilitator: Dr S Sithole
<i>Closing the gap between counting and column arithmetic</i> Presenter: Prof Piet Human, Ukuqonda Institute and Impala Mathematics and Science Initiative, Rustenburg	<i>Unpacking Mathematics Outcomes</i> Presenters: Penny Smith, Director COUNT, Roshni Govender, Education Specialist, Gauteng	<i>Creative Writing in Foundation Phase</i> Presenter: Peggy Williams, Mitchells Plain Primary.	<i>Acquisition of number skills in the Foundation Phase.</i> Presenter: Mapula Ngoepe & Ziphorah Ramorala, lecturers, UNISA	<i>Organising a Grade R daily programme</i> Presenter: Retha van Collier, Education Specialist, Free State
<i>Data Handling</i> Presenter: Dr Helena Wessels, Specialist in Mathematics Education, North West University	<i>How I teach the five learning outcomes for Mathematics</i> Presenter: Busisiwe Mpintso & Charlotte van Gensen - Teachers E/Cape	<i>A framework for reading and writing</i> Presenter: Diane Hendricks, SDU-UCT	<i>Learner Attainment targets for Numeracy & Literacy</i> Presenters: Dr T Reddy, Ms A Baines & Antoinette Minnaar, Education Specialists, E/Cape	<i>Teaching children to be good writers.</i> Presenter: Narend Budhoo, Teacher and Author - Clarens Primary School, Durban

DAY 2 - WEDNESDAY, 1 OCTOBER 2008 - PARALLEL SESSIONS: 11H40 - 13H00

<i>Breaking up numbers (doubling and halving)</i> Presenter: Brenda Lekgetho, HoD, Lime Acres Primary, Northern Cape	<i>Identifying errors in children's mathematical thinking and methods of remediation</i> Presenter: Ronica Pardesi, HoD, Parkside Primary, Gauteng	<i>Do teachers know what the essential literacy skills are?</i> Presenters: Prof AC Lessing & Prof De Witt, UNISA	<i>Developing a skills-based literacy programme that allows for effective integration</i> Presenter: Sally Stewart, Nutrend Publishers	<i>Bridging Primary and Secondary schools closer together</i> Presenters: Mr SA Chetty, Superintendent of Education KZN & Mr P Naidu (Chairperson Tongaat Principal's Association)
<i>How to get learners to investigate bonds, using dominoes to teach numeracy concepts</i> Presenter: Elmarie Lombard, Senior Facilitator, Supedi Trust	<i>Planning your way to achieving the Numeracy Outcomes</i> Presenter: Agatha Liebethe & Heather Collins - MEPP	<i>Developing a skills based literacy programme</i> Presenter: Thembisile Chambale, Teacher: Penryn College, Mpumalanga	<i>Using assessment to improve learning: Implications for Foundation Phase teachers and learners.</i> Presenter: Dr Anil Kanjee, HSRC	<i>Establishing critical partnerships in the quest for quality: leading from the front</i> Presenter: Mr Joseph Tebele, Mafete Primary School, Gretare Sekhukhune, Limpopo
<i>Video ECD</i> Presenter: Werna Pretorius Education Specialist-E/Cape	<i>Number concepts and place value</i> Presenter: Nomntu V Soyedyesi-Botha, Teacher, RD Williams Primary - N/Cape	<i>Video Shared reading</i> Presenter: Onica Makgare, Kanana Primary, Gauteng	<i>Video CASS</i> Presenter: A Baines, Education Specialist - E/Cape	<i>Video Life Skills</i> Presenter: P Ngculu & N Tyamzashe Education Specialists - E/Cape

EXHIBITS , DISPLAYS AND POSTER PRESENTATIONS
