EXAMINATION INSTRUCTION NO 01 OF 2009

REWRITING OF ENGINEERING DRAWING AND DESIGN NATIONAL CERTIFICATES (VOCATIONAL)(NCV) LEVEL 3 IN THE FEBRUARY 2009 SUPPLEMENTARY EXAMINATIONS

The urgent attention of all FET COLLEGE PRINCIPALS, CAMPUS HEADS, ADCOM MEMBERS, CENTRE MANAGERS, EXAMINERS and MODERATORS, is drawn to the following:

1. The results of ENGINEERING DRAWING and DESIGN NC(V) Level 3 examinations written in final Examinations in 2008 have been declared null and void.
2. All candidates who were registered to write this subject will have to re-write the examinations in both Papers 1 and 2 as part of the Supplementary Examination in 2009.
3. The statement of results issued to candidates offering this subject will therefore reflect an incomplete result.
4. Students who have this as the only outstanding subject in order to obtain a complete pass may be tentatively registered for NC(V) Level 4, pending the outcome of the results in the Supplementary Examination of 2009.
5. Kindly refer to the Final Timetable for the February 2009 Supplementary Examination, NC(V) Level 2 and 3 Programmes, issued as Examination Instruction No. 22 of 2008, a copy of which is attached for your reference.
6. Kindly bring this to the attention of all candidates offering Engineering Drawing and Design NC(V) Level 3.

SNP SISHI
