MEMORANDUM NO. 13 OF 2009

ERRATA ON THE MARKING LIST FOR MANAGEMENT COMMUNICATION N4: GENERAL STUDIES JUNE 2009 EXAMINATION

Please refer to the Markers Address List for the General Studies June 2009 Examination.

All centres are advised to strictly follow the information which appears in the Markers address lists for the dispatching of the answer scripts of Management Communication N4 (P1 and P2). The document T1048 BBP that were distributed to all examination / marking centres does not correlate with the Markers Address Lists.

In the case of Management Communication N4 (Paper 1) that were written on 26 May 2009, examination scripts might already have been forwarded to the incorrect marking centre. This implies that certain marking centres would receive more scripts than previously anticipated and other less. To avoid further confusion marking centres should in the case they received more scripts appoint additional markers. UNDER NO CIRCUMSTANCES SHOULD SCRIPTS BE RETURNED TO THE CAMPUSSES FOR FURTHER RE-SENDING TO OTHER MARKING CENTRES. This will only add to the confusion and compound the original error.

Examination Centres are requested to provide the CD: NEAM with information regarding the dispatch of answer books for this instructional offering to Marking Centres, the number dispatched, the address of the relevant Markers you dispatch to as well as the waybill numbers. This should be forwarded to Mrs. Ada Kruger at (012)328 2620 or email to kruger.a@doe.gov.za.

Please also take note that after marking all answers books, it should be dispatched to the CD: NEAM with Skynet Courier Services as indicated on the first page of the address lists.
