Week 1 Day 1		
ORAL: LANGUAGE DEVELOPMENT: LISTENING AND SPEAKING		
LO/ASs	LO 1 AS 1, 2	LO 2 AS 1
MILESTONES: Oral: <ul style="list-style-type: none"> Enjoys listening to stories and poems, identifying the main idea and specific details Comments on the effect of the sound and word pictures used in poems and stories Participates in discussions on familiar topics, asking relevant questions and offering opinions Describes a set of actions or events 		
NOTES TO TEACHER: <ul style="list-style-type: none"> Choose a story and prepare to read it to your class. Make sure it is slightly longer than the stories you read aloud in the first term. You could choose a story from a picture book, textbook or reader. 		
DAILY ACTIVITIES:		
Stories <ul style="list-style-type: none"> Introduce the story you have prepared to the class and draw on their prior knowledge (their worlds). Show the cover/read the title and discuss what the story might be about. Introduce any new words needed for the story. Read the story in a lively, interactive way. Ask learners some questions about the story, e.g. <i>What was the story about? (the main idea) How did the story begin? Who were the characters in the story? What did it teach you?</i> Talk about some of the language used in the story so learners can see the effect of sound and word pictures on their understanding of the story. Ask some true/false questions. Give learners a sentence about the story. Learners must say if the sentence is true or false. Respond to the story: learners can work in pairs to talk about whether they enjoyed the story or not and why. 		
ASSESSMENT: A note on the Assessment Tasks for Term 2: <ul style="list-style-type: none"> The Foundations for Learning Assessment Framework for the Intermediate Phase spells out the milestones to be covered for each of the two Assessment Tasks (pages 33 – 35). The main focus of the first Assessment Task in Oral is on listening to stories, participating in discussions and describing a set of actions or events. For this week, Oral Assessment will be informal and unrecorded, unless you notice specific problems. You should focus on learners' listening skills, taking note of learners who cannot identify the central idea in the story. 		

Week 1 Day 1	
LITERACY FOCUS TIME	
LO/ASs	LO 3 AS 1,3,4,5,7,8 LO 4 AS 1, 2, 4 LO 5 AS 4 LO 6 AS 1,2
MILESTONES: Reading: <ul style="list-style-type: none"> Reads South African and international fiction and non-fiction texts independently eg poems, stories, brochures and textbooks Uses a range of reading strategies in both fiction and non-fiction texts eg making predictions and inferences and using contextual clues Identifies and comments on the plot and characters in a fiction story Discusses cause effect relations in a story Describes and explains feelings about stories or poems Recognises the different structures, language use, purposes and audiences of different kinds of non-fiction texts eg formal language Spelling and Grammar <ul style="list-style-type: none"> Uses phonics and spelling rules and a dictionary to spell words used in personal texts e.g. stories and descriptions Uses prefixes, stems and suffixes to form words Identifies and uses parts of speech e.g. nouns, pronouns, verbs, adverbs, adjectives, prepositions and conjunctions Writes a variety of sentence types e.g. statements, questions, commands using correct punctuation Writing: <ul style="list-style-type: none"> Plans, drafts and revises stories and short descriptions (1-2 paragraphs) Uses appropriate grammar, tenses, spelling and punctuation in writing Writes extended sentences using a wide variety of words, qualifying phrases and clauses Shifts from one tense to another consistently and appropriately 	
NOTES TO TEACHER:	
<ul style="list-style-type: none"> Choose a fiction story for shared reading. It could be in a textbook or class reader or in a Big Book. Each learner should have access to the text. Prepare for Vocabulary: select five vocabulary words from the shared text. You can also choose some sight words you wish to teach/revise. 	
DAILY ACTIVITIES:	
Shared reading and writing – shared reading of a new text: a story Choose a story for shared reading. <ul style="list-style-type: none"> Prepare learners for the story. Introduce the text by reading the title and looking at the cover and any illustrations. Discuss the title and illustrations. Ask 2-3 learners to predict what they think the text will be about. Read the story aloud while the learners follow. Model stopping at punctuation marks, using correct pronunciation and intonation. Model how to use illustrations to make meaning by ‘thinking aloud’ during the reading. Stop at one point and ask learners to say how they think the story will end (predict). 	

- Afterwards, ask 4-5 questions to check understanding:
 - who were the main characters?
 - where did the story take place? (setting)
 - what happened? (plot)
 - how did the story end?
- Ask learners questions to help them make inferences based on the text and draw out any cause-effect relations, e.g. *Why do you think _____ happened? What happened when _____ did _____?*

Word and sentence level work

Spelling / Phonics / Sight (High Frequency) words / Vocabulary

- Select new vocabulary words (3 – 7) from the text. Rather than simply telling learners the meaning of each word, ask them to find the words in the text and guess what they think they might mean, i.e. use the context as a clue. Confirm the correct meanings and write the words on flashcards, adding them to the Word Wall. Learners add them to their personal dictionaries, together with 5 – 8 sight words. Remember that sight or high frequency words should be drawn from the shared text (where possible) and supplemented by words from high frequency word lists (Lists were provided as an annexure with Term 1 Lesson Plans).
- Choose some of the sight words and new vocabulary to make up Week 1's spelling words. (This first week learners only have vocabulary and sight words for spelling.)

Group, guided and independent reading/writing

- Learners copy the vocabulary words into their personal dictionaries on the correct letter-page.
- Next to each word they write a short sentence. (In Term 1 you gave learners these sentences. In Term 2 you can continue to do this or let the learners write their own sentences).
- Learners write their sight words for the week into their Spelling books and write sentences with some of the words.
- Learners who have completed their tasks in time can write an entry into their journals about their holidays (if time permits).
- Do guided reading with one of your groups. Focus on making predictions and inferences. Inferences refer to the reader working something out and drawing conclusions from the text. Ask questions like: *Why do you think _____ happened?* Before each learner reads they can predict what they think will happen next.

Remember that your grouping for guided reading is not permanent and may change over the year or the term. This week, at the beginning of the term, you may want to reassess the reading level of some of your learners and make changes to your guided reading groups.

ASSESSMENT:

- **The focuses of the first Assessment Task** in Reading, Spelling, Grammar and Writing are on reading **poems and stories**, using **prediction** and **making inferences**, commenting on the **plot, characters and setting**, identifying and using various **parts of speech** and **sentence types**, and **writing stories and short descriptions**.
- **For this week**, for Reading, Spelling, Grammar and Writing, **Assessment will be informal** unless you notice specific problems. You should focus on assessing learners' reading skills, noting any specific concerns in your Assessment Notebook.

Week 1 Day 2
LITERACY FOCUS TIME
NOTES TO TEACHER:
<ul style="list-style-type: none"> ○ Use the same text (a story) that you used on Day 1. ○ Select three sentences from the shared reading text or make up sentences using the theme of the story for the Grammar task on prepositions.
DAILY ACTIVITIES:
<p>Shared reading and writing – shared reading of a story (continued)</p> <ul style="list-style-type: none"> • Re-read the story from the previous lesson aloud with the learners joining in. • Afterwards, ask 1-2 questions to check understanding. Ask some true/false questions. Give learners a sentence about the story. Learners must say if the sentence is true or false. • Discuss the plot of the story, and help learners to sequence the key events of the story. You could record this in diagrammatic form on flipchart paper. • Discuss with learners if anything like that has ever happened to them and how they would feel if it had. <p>Word and sentence level work</p> <p>Prepositions</p> <ul style="list-style-type: none"> • Write three sentences on the board. (These can either be from the shared text or made up based on the theme of the text.) • Remind learners that prepositions are words that give information about how things are related to each other in a sentence, e.g. in, at, down, next to, into. • Read the sentences together with the learners and underline the prepositions. Talk about how the preposition gives meaning to the sentence. • Write a few simple sentences on the board for learners to complete using prepositions, e.g. Sit _____ your friend. Walk _____ the door. Run _____ the field. Have learners take it in turns to complete the sentences using different prepositions, e.g. Sit with/ next to/behind/in front of your friend, etc. <p>Group, guided and independent reading/writing</p> <ul style="list-style-type: none"> • Do guided reading with one of your groups. • The rest of the class completes a written task on prepositions. You can write sentences on the board for learners to copy and complete using prepositions, e.g. The ball rolled ____ the hill, or use an activity from a Learner's Book. <p>Reading for enjoyment</p> <p>In addition to Reading and Writing focus time, remember that there should be time each day or week for reading for enjoyment. During this time learners choose what they want to read and read independently. Each learner needs to record what he/she reads on a reading record card. If there are no books to read, you can use this time to read aloud to the class.</p>

LANGUAGE DEVELOPMENT: WRITING**PRE-WRITING DISCUSSION AND PLANNING – A STORY**

- Explain that learners are going to write a short story of their own.
- In pairs, learners should talk about stories that they know or have heard. Through their discussion learners must decide what story they want to use for their writing.
- **Note:** *This writing activity can be differentiated according to learners' needs. Some learners may choose to write a story that you have told them previously, others can write a story they have heard at home, and some might choose to make up a story of their own.*
- Explain to learners that before they write their story they should plan it carefully. Give learners a story plan frame, e.g.

Story plan

Name of story _____

Beginning _____

Middle _____

End _____

- Explain that learners do not have to use full sentences in the plan. Including main points will be enough to help them structure their stories, e.g. *Boy walks to school.*
- Learners begin working on their story plan.

ASSESSMENT: Informal

- Check Personal Dictionaries to see if learners are writing legibly and correctly.
- Note any learners who cannot identify and use prepositions.
- Check that learners are able to discuss their own and others' ideas and opinions.

Week 1 Day 3

LITERACY FOCUS TIME

NOTES TO TEACHER:

- Continue to use the same text (a story) that you used on Day 1.

DAILY ACTIVITIES:

Shared reading and writing – shared writing

- Read the story from the previous lessons together with the learners.
- Re-cap the story, using the story frame you made during the last lesson. Revise vocabulary words.
- Use the diagram to make a summary of the story using shared writing. You could write on flipchart paper and display the summary in the classroom afterwards.
- You could use this frame:

Story Summary Frame	Prompt questions
Setting the scene (2 – 3 sentences)	<i>What was the story about?</i> <i>Where was it set?</i> <i>Who were the main characters?</i>
Actions (3 – 4 sentences)	<i>What happened first?</i> <i>What happened next?</i> <i>Then what happened?</i>
Ending (1 – 2 sentences)	<i>How did it end?</i>

- **Shared writing:** 1. Ask prompt questions from the writing frame. 2. Help learners construct sentences 3. Involve learners as you write the sentences

Spelling / Phonics / Sight (High Frequency) words / Vocabulary

CONTRACTIONS

- Write an example of a contraction on the board, e.g. *couldn't, don't, let's, what's, I've, it's* etc. You should try to use a contraction from the Shared Reading text. Explain that two words have been shortened into one to make the contraction, e.g. *could + not = couldn't, do + not = don't, etc.* Point out that the apostrophe shows that a letter (or letters) has been left out, e.g. in '*couldn't*' the letter 'o' has been left out.
- Draw attention to any contractions in the shared text.
- Language task: Learners copy and complete a table of contractions, e.g.

couldn't	could _____
can't	_____ not, etc.

- Do a short, informal, spelling test (based on the week's vocabulary and sight words).

Group, guided and independent reading/writing

- Guided reading: do guided reading with one of your groups.
- Group reading: learners read a short simple text in their seating groups. (This could be pairs or more). One learner volunteers to read aloud or the group reads quietly in unison. You may want to set a discussion question afterwards. Use a variety of fiction stories, poems, myths and fables for group reading throughout the second term. **Use for Assessment Task 1.**

Note: *this group reading can take place at any time within the language lesson, and can be on a different day of the week and at a different time.*

LANGUAGE DEVELOPMENT: WRITING**DRAFTING – A STORY**

- Learners complete their story plan and then write a draft story.
- They read their story to themselves first and check for spelling and grammar errors and missing words. Learners use a dictionary to check the spelling of words.

ASSESSMENT: Formal: Assessment Task 1

This term use your group reading in which learners read a variety of text types to rate them against the following READING milestone:

- Reads South African and international fiction and non-fiction texts independently eg poems, stories, brochures and textbooks

The National Policy on Assessment and Qualifications for Schools in the General Education and Training Band (page 12) requires that, in the Intermediate Phase, there should be two Formal Assessment Tasks for “Language 1” per term – a total of 8 in the year.

You should use the following rating scale for recording and reporting, which is given on the same page of the document:

RATING CODE	DESCRIPTION OF COMPETENCE	PERCENTAGES
4	Outstanding / Excellent Achievement	70 – 100
3	Satisfactory Achievement	50 – 69

Write questions like these on the board, e.g. <ul style="list-style-type: none"> Why were you given your first name (s)? Does it/do they have a special meaning? Where does your surname come from? Do you have a nickname? How did you get it? Is there any other special information about your name? Learners use the list of questions to interview each other and ask additional questions for clarification. Walk around the class and listen to some of the interviews. Observe and record any problems you notice. To end the lesson, have 5-6 learners stand up and tell the class what they learned about their friend's name. After each presentation talk about how the way we speak changes according to the person we speak to and why we are speaking, i.e. audience and purpose, e.g. learners would have spoken differently to their friend (in their pair) than to the whole class.

Prepare Week 2's spelling words (new vocabulary words and high frequency words from the shared text + phonic words). Readers for individual, paired and group reading. 	
DAILY ACTIVITIES:	
Shared reading and writing – reading a poem <ul style="list-style-type: none"> Choose a short poem. Write it on a chart or the board. Orientate learners to the poem, e.g. using the title. Elicit learners' prior knowledge of the topic. Read the poem, running a pointer under the lines as you read. Check understanding by asking 2 - 3 oral questions, e.g. <i>What is the poem about?</i> Talk about the way the poem is organized, for example if it is in stanzas, uses rhyming words, etc. <u>Pair work</u>: Divide learners into pairs. Each learner gets a chance to say whether they liked the poem or not, if it reminded them of something and how it made them feel. Remind learners to use <i>because</i>. (I felt because.....). 	

Word and sentence level work**Spelling / Phonics / High Frequency (Sight) words / Vocabulary**

- Phonics: briefly revise the following (3-letter) consonant blends and use 10 - 15 of the words as part of Week 2's spelling words:
 - scr: screw, scream, scratch, scrap, scrub
 - str: strip, stream, strap, straight, string
 - spr: spread, spring, sprint
 - spl: splash, split
 - squ: square, squeeze, squeak, squash, squirrel
- Choose new vocabulary words (3 – 7) and sight words from the text to add to the week's spelling words.

Group, guided and independent reading/writing

- Learners copy the vocabulary words into their personal dictionaries on the correct letter-page.
- Next to each word they write a short sentence. (In Term 1 you gave learners these sentences. In Term 2 you can continue to do this or let the learners write their own sentences).
- Learners write their spelling words for the week into their Spelling books and write sentences with some of the words.
- Learners who have completed their tasks in time can do either individual or paired reading.
- Do guided reading with one of your groups. Focus on making predictions and inferences. Before each learner reads they can predict what they think will happen next. Inferences refer to the reader working something out and drawing conclusions from the text. Ask questions like: Why do you think _____ happened? **Use for Assessment Task 1. Every learner should be assessed by the end of Week 5.**

ASSESSMENT: Formal: Assessment Task 1

Use Guided Reading each day to rate the learners, recording any problems you have noticed, against the following READING milestone:

- Uses a range of reading strategies in both fiction and non-fiction texts eg making predictions and inferences and using contextual clues

LITERACY FOCUS TIME

DAILY ACTIVITIES:

Shared reading and writing

- Re-read the poem with the learners as Shared Reading. Make sure your voice is heard. Run your pointer under the lines of the poem as you read. Read slowly but naturally.
- Draw attention to some of the features of the poem, e.g. descriptive language, word pictures, alliteration, words in bold and/or uppercase for emphasis.
- Draw attention to any sound words in the poem. These are words that sound like their meaning, e.g. crunch, crackle, pop, splattered.

Word and sentence level work

Working with descriptive language and alliteration

- Together with the learners identify all the adjectives (describing words) in the poem. Talk about how the words are used to make 'word pictures' in our minds as we read the poem.
- Write a noun on the board, e.g. sandwich. Have learners suggest adjectives you can use to describe the noun, e.g. tasty/ delicious/ hard/ big/ old.
- You can play a game with the learners. Divide learners into groups and give each group the same object/thing to describe. Learners can write sentences to describe the object using as many descriptive adjectives as possible. The class can decide which group's description is the most effective.
- Write a sentence/phrase that includes alliteration on the board, e.g. Happy Harry had a horrible hot dog in his hand. (Ideally this sentence should come from or be based on the shared reading text).
- Let learners read the sentence aloud. (You can play a game and ask learners to read it faster and faster each time.)
- Explain that we sometimes use words that begin with the same sound to make a sentence sound different. We call this alliteration.
- Learners can each make up sentences to describe foods they like/don't like to eat. Some of the sentences can use alliteration, i.e. words that start with the same letter or sound. [eg Simple Celia kicked Connie]

Group, guided and independent reading/writing

- Do guided reading with one of your groups. Focus on making predictions and inferences. Before each learner reads they can predict what they think will happen next. Ask questions like: why do you think _____ happened? **Use for Assessment Task 1. Every learner should be assessed by the end of Week 5.**
- At the same time learners continue to write their sentences using descriptive language and/or alliteration.
- Learners who have completed their tasks in time can write a journal entry about a favourite story or book they have read.

LANGUAGE DEVELOPMENT: WRITING**REVISING, EDITING, PUBLISHING – A STORY**

- Learners read their draft story to a partner to check that it makes sense and that sentences are in the correct tense. The partners can make suggestions on what else they would like to be included.
- The writers make the final changes to the story and write a final, neat copy. **Use for Assessment Task 1.**

ASSESSMENT: Formal: Assessment Task 1

Use the Writing activity (A story) to rate the learners, recording any problems you have noticed, against the following SPELLING AND GRAMMAR and WRITING milestones:

- Plans, drafts and revises stories and short descriptions (1-2 paragraphs)
- Shifts from one tense to another consistently and appropriately
- Uses appropriate grammar, tenses, spelling and punctuation in writing
- Uses phonics and spelling rules and a dictionary to spell words used in personal texts e.g. stories and descriptions

You will have other opportunities to assess against this milestone during Week 3 this term, so you may choose to assess only some (not all) of your learners using this activity.

Use Guided Reading each day to rate the learners, recording any problems you have noticed, against the following READING milestone:

- Uses a range of reading strategies in both fiction and non-fiction texts eg making predictions and inferences and using contextual clues

Informal: unrecorded assessment of learners' journals. **Over the term try to read** each learners journal at least twice. Make positive comments, responding to the content rather than things like spelling, punctuation and grammar. The journal writing is an opportunity for the learners to express themselves freely and it is important for your comments to encourage this, e.g. Yes Maria, I also loved 'Cinderella' when I was young. Have you ever read_____?

Week 2 Day 3
LITERACY FOCUS TIME
NOTES TO TEACHER:
<ul style="list-style-type: none"> ○ Prepare/photocopy a writing frame for a poem or write it on the board. ○ Also prepare a writing frame for learners to record information describing an object for Writing.
DAILY ACTIVITIES:
<p>Shared reading and writing – shared writing</p> <ul style="list-style-type: none"> • Re-read the poem you used on Days 1-2 with the learners. • Explain to learners that you are going to write a poem together. You can use a simple poem as a frame or write a 'letter poem' together with the learners. • To write a 'letter poem', spell the word/words you want to write about down the side of your page (one letter per line). Together with the learners write something for each letter, e.g.: <p>South Africa Our country Under the sun Thank you Happiness</p> <p>A new beginning For all our people Ready Inspiring Committed Amazing!</p> <ul style="list-style-type: none"> • Note: If you use another poem for this activity it must be very simple with only a few words changing each line. <p>Word and sentence level work</p> <p>Language - Punctuation</p> <ul style="list-style-type: none"> • Point out any punctuation in the poems you used for shared reading (Days 1 and 2) and the shared writing. Talk about how poems do not have to use punctuation in a traditional way. Poets often use punctuation differently for emphasis or to make their sentences sound different. When writing texts that are not poems it is important however to use the correct punctuation. • Revise some common punctuation marks e.g. capital letter, full stop, commas, proper nouns beginning with capital letters. • Write a few sentences on the board without punctuation or spaces between words. Learners can divide the words correctly and put in the full stops, commas and capital letters, e.g. insouthafricatherearemanyofficalanguagesalotofpeoplespeakzuluandxhosa • Do a short, informal, spelling test.

Group, guided and independent reading/writing

- Do guided reading with one of your groups. Focus on making predictions and inferences. Before each learner reads they can predict what they think will happen next. Ask questions like: why do you think _____ happened? **Use for Assessment Task 1. Every learner should be assessed by the end of Week 5.**
- At the same time learners continue to copy and complete sentences using correct punctuation.
- Group reading in pairs or larger groups using graded texts. (This can be done on any day and at various times, not necessarily as a whole class activity.)

LANGUAGE DEVELOPMENT: WRITING**PRE-WRITING - A DESCRIPTION**

- Explain to learners that they are going to write a description of an object, e.g. a tree, flower.
- Each learner must choose an object to describe. First have them close their eyes and visualise the object. Then explain that they must imagine that they are writing their description for a blind person. Their description must say exactly what the object looks like (and, if applicable, what it is used for).
- Give learners a writing frame to help plan their writing, e.g.

WRITING FRAME- DESCRIPTION	
Title: Object being described	
Opening sentence: what it is and where it is found (if applicable, also what it is used for)	
Description: including size, colour, shape, weight and features. Use present tense. Use describing words.	

- Learners can work in pairs to plan their writing. They can talk about what they want to describe and record their ideas in a table (as set out in the writing frame). They need only record information in point form – not in full sentences. Correct spelling is not essential.
- Collect learners' writing plans. They will need them for next week's Writing.

Formal: Assessment Task 1:

DAILY ACTIVITIES:	
Shared reading and writing – shared reading of a new text: a story Choose a story for shared reading. <ul style="list-style-type: none"> Prepare learners for the story. Introduce the text by reading the title and looking at the cover and any illustrations. Discuss the title and illustrations. Ask 2-3 learners to predict what they think the text will be about. Model how to use illustrations to make meaning by 'thinking aloud' during the reading. Stop at one point and ask learners to predict how they think the story will end. Afterwards, ask 5-6 questions to check understanding. Discuss the main idea of the story, and help learners sequence the events in the story (orally). 	

Word and sentence level work**Spelling / Phonics / High Frequency (Sight) words / Vocabulary****HARD AND SOFT C**

- Write words with **hard and soft 'c'** on the board, e.g. cat, cake, city, cents, circus
- Read the words together with the learners. Point out that 'c' makes a different sound in each of the words. Explain that when 'c' is followed by 'e', 'i', or 'y' the 'c' is usually soft. Soft 'c' stands for the same sound 's' stands for.
- Write words with **hard and soft 'g'** on the board, e.g. green, grass, giraffe, stage, orange.
- Read the words together with the learners. Point out that 'g' makes a different sound in each of the words. Explain that when 'g' is followed by 'e', 'i', or 'y' the 'g' is usually soft. Soft 'g' stands for the same sound 'j' stands for.
- Write a list of words on the board. The list should include examples of hard and soft 'c' and 'g' words. Together with the learners sort the words into columns, e.g.

Hard c	Soft c	Hard g	Soft g

- Use approximately 10-15 of the hard and soft 'c' and 'g' words for this week's spelling.
- Choose new vocabulary words (3 – 7) and sight words from the text to add to the week's spelling words.

Group, guided and independent reading/writing

- Learners copy the vocabulary words into their personal dictionaries on the correct letter-page.
- Next to each word they write a short sentence. (In Term 1 you gave learners these sentences. In Term 2 you can continue to do this or let the learners write their own sentences).

LANGUAGE DEVELOPMENT: WRITING**DRAFTING - A DESCRIPTION**

- Hand out learners' planning notes from last week.
- Learners use their planning notes to write a description of an object. Explain that they must write in full sentences, not in point form as they did when planning their writing. They must remember to use describing words and give a lot of detail. Their paragraph must have at least 6 sentences.
- They read their sentences to themselves first and check for spelling and grammar errors and missing words. Remind learners to use spelling rules or check the spelling of words in a dictionary.

ASSESSMENT: Formal: Assessment Task 1

Use the Word and Sentence Level Work (Comprehension Task) to rate the learners, recording any problems you have noticed, against the following READING milestones:

Week 3 Day 3
LITERACY FOCUS TIME
NOTES TO TEACHER:

DAILY ACTIVITIES:
<p>Shared reading and writing – shared writing</p> <ul style="list-style-type: none"> • Re-read the story you used on Days 1-2 with the learners. • Introduce shared writing. Talk about the features of a dialogue, e.g. <i>the colon used to introduce the actual words spoken by each character, no direct speech marks.</i> • Explain that you are going to write a short dialogue based on the story you used for shared reading. In a dialogue, a colon (:) is used to introduce the words spoken by each person. • Aim to use some of the vocabulary, sight words, and sentence patterns from the shared text as you write. You do not have to use the exact words from the shared text but can make up shorter, simpler dialogue, e.g. <div style="background-color: #e0e0e0; padding: 10px; margin: 10px 0;"> <p><u>Fox:</u> Would you like to come to dinner tonight Tselane?</p> <p><u>Stork:</u> Yes. Involve learners as you write the sentences. • Stop after 3-4 sentences and continue the next day. <p>Word and sentence level work</p> <ul style="list-style-type: none"> • Do a short spelling test. • Revise the six-step plan and re-teach commonly miss-spelt words. • Revise dictionary skills. The learners should already be familiar with using a simple published dictionary, but if not, explain how to find a word and what information a dictionary can provide. Let the learners do a couple of examples. • Introduce learners to a thesaurus. Explain that we use a thesaurus when we want to find a word that has the same meaning or nearly the same meaning in the same language. Show learners how to find a word (and synonyms for that word) in a thesaurus. Let the learners do a couple of examples.

Group, guided and independent reading/writing

DAILY ACTIVITIES:	
Shared reading and writing – shared writing <ul style="list-style-type: none"> Complete the dialogue you began on Week 3 Day 3. Revise and edit sentences. Check spelling of sight words with learners. Encourage learners to use a dictionary to check any new spellings. Do shared reading of the class text (dialogue). Try to use a slightly different voice/expression for each of the characters. Explain to learners that for the next two weeks the Listening and Speaking activity will involve their dramatizing the story. (To prepare for this you will have to 1) divide learners into small groups, 2) keep the dialogue displayed on the classroom wall and 3) try to find some time for groups to practise, e.g. if they finish their tasks early or during break time). 	

Word and sentence level work**Spelling / Phonics / High Frequency (Sight) words / Vocabulary****PREFIX (UN-)**

- Write the word 'untie' on the board. Read it with the learners. Rub out 'tie'. Explain that **un-** is an example of a prefix. A prefix is a letter or group of letters that is added at the beginning of a word (or to the stem or root of a word) to make a new word.
- Write some examples on the board and go through them with the learners, e.g. do – undo; happy – unhappy; pack – unpack; cover – uncover; dress- undress.
- Depending on the level of your learners you can introduce learners to other common prefixes, e.g. tri- (triangle, tricycle), under- (underneath, underline), tele- (telephone, telegraph, telecommunication). Write the prefix on the board and let learners make as many words as they can using the prefix.
- Use approximately 10 of the prefix words for this week's spelling.

Group, guided and independent reading/writing

- Learners write their spelling words for the week into their Spelling books and write sentences with some of the words.
- Learners who have completed their tasks in time can complete a cloze activity based on the sentences in the dialogue.
- Do guided reading with one of your groups. Focus on making predictions and inferences. Before each learner reads they can predict what they think will happen next. Inferences refer to the reader working something out and drawing conclusions from the text. Ask questions like: why do you think _____ happened? **Use for Assessment Task 1. Every learner should be assessed by the end of Week 5.**

ASSESSMENT: Formal: Assessment Task 1

Use Guided Reading each day to rate the learners, recording any problems you have noticed, against the following READING milestone:

- Uses a range of reading strategies in both fiction and non-fiction texts eg making predictions and inferences and using contextual clues

Week 4 Day 2

LITERACY FOCUS TIME

NOTES TO TEACHER:

- Use a Grade 4 level non-fiction text.
- Prepare an example of a simple information paragraph on a large sheet of paper to display to the class for Writing. The Writing activity will be used for their Investigation (together with Week 5).

DAILY ACTIVITIES:

Shared reading and writing

- Introduce a Grade 4 level **non-fiction/information text** with at least **one photograph**. (Ideally this should be a simple text about an animal, insect, car, or interesting place.)
- Orientate learners to the text as before. Do a picture walk. Show and revise the features of a non-fiction text, e.g. table of contents, index, glossary, headings.
- Read the text to the learners, modelling the following: analysing photographs, reading captions, linking photographs to text.
- Afterwards check understanding by asking 3 - 4 *wh* questions and asking about any cause-effect relations in the text.

Word and sentence level work

Writing sentences

- Draw four columns on the board and label them: nouns, adjectives, verbs, adverbs
- Play a game with the learners. Write a noun in the first column. Try to use the object (thing) that the shared reading text is about, e.g. butterfly.
- Together with the learners fill the other columns with as many words related to the noun as possible. Make sure the words go into the correct columns, e.g.

NOUNS	ADJECTIVES	VERBS	ADVERBS
butterfly	colourful graceful bright etc.	floats flies rests eats/sucks etc.	silently gently gracefully etc.

- Let learners use the words to write 3-5 describing sentences about the object/thing. Learners should try and use different kinds of words for each sentence they write. **Use for Assessment Task 1.**
- Choose new vocabulary words (3 – 7) and sight words from the text to add to the weeks' spelling words.

Group, guided and independent reading/writing

- Learners copy the vocabulary words into their personal dictionaries on the correct letter-page.
- Next to each word they write a short sentence.
- Do guided reading with one of your groups. Focus on making predictions and inferences. Before each learner reads they can predict what they think will happen next. Ask questions like: why do you think _____ happened? **Use for Assessment Task 1. Every learner should be assessed by the end of Week 5.**
- At the same time, learners can complete a comprehension based on the shared reading text and the photograph. (Learners can also finish writing their describing sentences).

LANGUAGE DEVELOPMENT: WRITING**PRE-WRITING – AN INFORMATION PARAGRAPH (INVESTIGATION)**

- Write the following question on the board: if you were allowed a new pet, which pet would you choose?
- Explain that when we have to make a decision about something it is useful first to get as much information as we can before making our decision. Ask learners what kind of information might help them choose a pet e.g. what does the animal look like/do, what does it eat, how does it need to be cared for, how long does it live, etc?
- Show learners an example of a short information paragraph based on your investigation of this question. You can choose any pet to model the paragraph on and should try encourage learners to think beyond the common cat and dog options. (You would have prepared the paragraph on a large sheet of paper to display to the class), e.g.

A snail for a pet

by Mrs Bule

Snails are small animals. They live in the garden. Snails usually live in dark places like under stones.

A snail has a hard shell that is usually brown and white, and a soft body. The soft body is called a foot. At the end of the foot there are two pairs of tentacles. The snail uses the lower pair for touching and smelling. It has two eyes at the end of the upper tentacles. Snails also have a mouth.

A snail likes to eat fresh leaves and move very slowly. I think a snail would be a good pet because it would not cost a lot of money to feed and it couldn't run away easily and get lost.

- Talk about how the information is organised in the paragraph and the language used: the subject is introduced, then some details are given, the present tense is used, and sentences are organised into paragraphs. At the end of the paragraph a conclusion is drawn – I think
- Explain that learners are going to find out about an animal/insect they'd like to choose as a pet and write an information paragraph about it. Their paragraph must end with a conclusion explaining why it is their best choice.
- Write these questions on the board:
 - what is it called?
 - where does it like to live?
 - what does it look like?
 - what does it eat?
 - what is something interesting about it?
 - why do you think it would make a good pet?

Show learners where the information is included in the example paragraph.

- In this lesson learners can choose the animal/ insect they want to investigate and begin looking for information.
- Learners will need to find information using textbooks, encyclopaedias, books from the classroom library etc.

ASSESSMENT: Formal: Assessment Task 1

Use the Word and Sentence Level Work (writing sentences) to rate the learners, recording any problems you have noticed, against the following WRITING and SPELLING AND GRAMMAR milestones:

- Writes extended sentences using a wide variety of words, qualifying phrases and clauses.
- Identifies and uses parts of speech e.g. nouns, pronouns, verbs, adverbs, adjectives, prepositions and conjunctions

Week 4 Day 3
LITERACY FOCUS TIME
NOTES TO TEACHER:
<ul style="list-style-type: none"> ○ Prepare an example of notes set out as a mind map based on the information paragraph you used for Day 2. ○ Prepare an activity using pronouns and conjunctions.
DAILY ACTIVITIES:
<p>Shared reading and writing – shared reading</p> <ul style="list-style-type: none"> • Re-read the non-fiction/information text together with the learners. • Play a ‘thinking’ game. Show learners the contents page of the book and ask questions e.g. <i>Where do you think I will find information on where a whale lives? What can I expect to read about on page 4?</i> • To demonstrate how to use an index have individual children demonstrate how to use the index to find information, e.g. <i>Come and show us where in the book we will find information on what a whale eats.</i> <p>Word and sentence level work</p> <ul style="list-style-type: none"> • Do a short spelling test. • Notice how the sentences in each paragraph (in the shared text) are linked. This is done through the use of conjunctions and pronouns. Revise pronouns such as: <i>he, she, they</i>, and conjunctions such as: <i>and, but, because</i>. • Learners can do an activity linking sentences into a paragraph using pronouns and conjunctions. You can develop this activity as a worksheet or use a page from a Learner’s Book. <p>Group, guided and independent reading/writing</p> <ul style="list-style-type: none"> • Do guided reading with one of your groups. Focus on making predictions and inferences. Before each learner reads they can predict what they think will happen next. Ask questions like: why do you think _____ happened? Use for Assessment Task 1. Every learner should be assessed by the end of Week 5. • Learners who have completed their tasks in time can write a journal entry of things they enjoy/don’t enjoy doing. (This entry can be written as two lists.) • Group reading in pairs or larger groups using graded texts. (This can be done on any day and at various times, not necessarily as a whole class activity.)

LANGUAGE DEVELOPMENT: WRITING

SUMMARISING INFORMATION

- Show learners an example of a mind map summarising the information you used for the paragraph (Day 2).

- Talk about how mind maps help us to organise and summarise the information we find out.
- Learners complete their research for information about a new pet and summarise the information as a mind map. **Use for Assessment Task 1.**

ASSESSMENT: Formal: Assessment Task 1

You will use the Writing activity in Week 4 (summarising information) and 5 to rate the learners, recording any problems you have noticed, against the following INVESTIGATION milestones:

- Locates information from relevant sources using key words or concepts, e.g. dictionaries, textbooks and children's encyclopaedias
- Summarises the information in a mind map and draws a conclusion

Word and sentence level work

Spelling / Phonics / High Frequency (Sight) words / Vocabulary

SUFFIXES

- Write the word 'painful' on the board. Read it with the learners. Rub out 'ful'. Explain that **ful** is an example of a suffix. A suffix is a letter or group of letters that is added to the end of a word to make a new word.
- Spelling: teach rules for adding suffixes. Use words written on the board to demonstrate the rules.
 - When you add full to any word, drop the second 'l': thankful, forgetful, awful, powerful, spoonful, peaceful, thoughtful, painful. (Note that you sometimes have to make other things change too, e.g. beauty + full = beautiful)
 - When you add a 'y' or a suffix that begins with a vowel (a,e,i,o,u) to a word that ends with a silent 'e', drop the silent e': joke-joked, nature-natural, scare-scary, pure-purer
- Use approximately 10-15 of the words as part of Week 5's spelling words.
- Point out any suffixes in the shared text.
- Learners complete a written task based on word stems, suffixes and prefixes. **Use for Assessment Task 1.**
- Choose new vocabulary words (2-5) and sight words from the text to add to the week's spelling words.

Group, guided and independent reading/writing

- Learners copy the vocabulary words into their personal dictionaries on the correct letter-page.
- Next to each word they write a short sentence.
- Learners write their spelling words for the week into their Spelling books and write sentences with some of the words.
- Learners that have completed their tasks in time can do either paired or individual reading.
- Do guided reading with one of your groups. Focus on making predictions and inferences. Before each learner reads they can predict what they think will happen next. Inferences refer to the reader working something out and drawing conclusions from the text. Ask questions like: why do you think _____ happened? **Use for Assessment Task 1. Every learner should be assessed by the end of this week.**

ASSESSMENT: Formal: Assessment Task 1

Week 5 Day 2
LITERACY FOCUS TIME
NOTES TO TEACHER:
<ul style="list-style-type: none"> • Select a new text for shared reading – a short speech. Write the speech on a large sheet of paper beforehand. • Prepare an activity on different sentence types. • Continue to display an example of a simple information paragraph on a large sheet of paper (for Writing/ Investigation).
DAILY ACTIVITIES:
<p>Shared reading and writing – shared reading of a new text: a speech</p> <ul style="list-style-type: none"> • Show learners the short speech you have prepared (written on a large sheet of paper beforehand). Explain any new or difficult words. • Afterwards, ask 4-5 questions to check understanding. Identify the main idea in the speech and talk about some of the language features, e.g. using emotive language to appeal to listeners. • Talk about how speeches are similar/different to other text types, e.g. poems and stories. <p>Word and sentence level work</p> <p>Different types of sentences</p> <ul style="list-style-type: none"> • Write a variety of sentence types on the board, e.g. a statement: Thursday is my brother's birthday; a question: Can I go to the party? and a command: Sit down now! • Read the sentences together with the learners. Talk about what each of the sentences does: makes a statement, asks a question, or gives a command. Point out the punctuation used for each type of sentence. • Pairwork: learners can take it in turns to make up oral sentences. The partner should say if the sentence is a statement, question or command. • Let learners complete a written activity based on sentence types, e.g. you can dictate sentences using appropriate tone and intonation. Learners write the sentences down using correct punctuation. When learners have written their sentences they can use dictionaries to check spelling. (This is not a spelling test. You are looking to see if learners can identify the correct sentence type and use appropriate punctuation.) Use for Assessment Task 1. • Choose new vocabulary words (2-5) from the text to add to learners' personal dictionaries.

Group, guided and independent reading/writing

- Learners copy the vocabulary words into their personal dictionaries on the correct letter-page.

- Learners who have completed their tasks in time can write an entry into their journals about a sports game they either played or watched.

LANGUAGE DEVELOPMENT: WRITING**DRAFTING : AN INFORMATION PARAGRAPH**

- Learners use the information they have summarised in their mind map (Week 4) to draft a short information paragraph.
- You may want to review the information paragraph you showed the learners as an example (Week 4, Day 2) and revise features such as how the information is organised and the language used.

ASSESSMENT: Formal: Assessment Task 1

DAILY ACTIVITIES:**Shared reading and writing – shared reading of a new text: an advertisement**

- Show learners the advertisement you have prepared (preferably enlarged and pasted on a large sheet of paper beforehand or copied for each learner or pair of learners). You can use an advertisement from a magazine, newspaper, etc.
- Talk about the reasons companies advertise, e.g. to let people know about their products, to make people want to buy their products etc.
- Read the advertisement aloud while the learners follow. Explain any new or difficult words.
- Together with the learners, identify what product the advertisement is trying to sell and who it is targeting. Ask 4-5 questions to check understanding, e.g. Where can I buy _____? How much does it cost?
- Talk about how adverts are similar/different to other text types, e.g. poems, stories and speeches.

Word and sentence level work

- Do a short spelling test. Use for **Assessment Task 1**.
- Comprehension Task: set questions based on the text types you have used this term. Have the questions written up on a separate page, e.g.
 - Complete this table.

Where do you usually hear/see this text?			
Is the language formal or informal?			

- Use learners' written responses for **Assessment Task 1**.
- Choose new vocabulary words (2-5) from the text to add to learners' personal dictionaries.

Group, guided and independent reading/writing

- Learners copy the vocabulary words into their personal dictionaries on the correct letter-page.
- Next to each word they write a short sentence.
- Do guided reading with one of your groups. Focus on making predictions and inferences. Before each learner reads they can predict what they think will happen next. Ask questions like: why do you think _____ happened? **Use for Assessment Task 1. Every learner should be assessed by the end of this week.**
- Learners who have completed their tasks in time can write a journal entry about a favourite film or television programme.
- Group reading in pairs or larger groups using graded texts. (This can be done on any day and at various times, not necessarily as a whole class activity.)

LANGUAGE DEVELOPMENT: WRITING

REVISING, EDITING, PUBLISHING

- Learners complete writing their draft information paragraph.
- They read their sentences to themselves first and check for spelling and grammar errors and missing words.
- Then they give the draft to their partner who checks that the sentences make sense and are in the correct tense. The partners can make suggestions on what else they would like to be included.
- The writers make the final changes to the sentences and write a final, neat copy. **Use for Assessment Task 1.**

ASSESSMENT: Formal: Assessment Task 1

Use the Word and Sentence Level Work (comprehension task) to rate the learners, recording any problems you have noticed, against the following READING milestone:

- Recognises the different structures, language use, purposes and audiences of different kinds of non-fiction texts eg formal language

Use the Writing activity in Week's 4 and 5 (information paragraph) to rate the learners, recording any problems you have noticed, against the following INVESTIGATION milestones:

- Locates information from relevant sources using key words or concepts, e.g. dictionaries, textbooks and children's encyclopaedias
- Summarises the information in a mind map and draws a conclusion

Use Guided Reading each day to rate the learners, recording any problems you have noticed, against the following READING milestone:

- Uses a range of reading strategies in both fiction and non-fiction texts eg making predictions and inferences and using contextual clues

This term use your group reading in which learners read a variety of text types to rate them against the following READING milestone:

- Reads South African and international fiction and non-fiction texts independently eg poems, stories, brochures and textbooks

Informal: unrecorded assessment of learners' journals. **Over the term try to read** each learner's journal at least twice. Make positive comments, responding to the content rather than things like spelling, punctuation and grammar. Try to extend learners' writing by asking questions, e.g. Have you ever seen a really bad film? Why didn't you enjoy it?

DAILY ACTIVITIES:	
Shared reading of a new text: a non-fiction text <ul style="list-style-type: none"> Introduce a Grade 4 level non-fiction/information text. You can use an extract from a textbook or other non-fiction text. Orientate learners to the text as before. Do a picture walk. Show and revise the features of a non-fiction text, e.g. table of contents, index, glossary, headings. Read the text to the learners, modelling the following: analysing photographs, reading captions, linking photographs to text. Afterwards check understanding by asking 3 - 4 <i>wh</i> questions, discussing the main and supporting ideas. 	

Word and sentence level work

Spelling / Phonics / High Frequency (Sight) words / Vocabulary

- Spelling: briefly revise the rules for using 'i' and 'e' - 'i' before 'e' except after 'c' or when sounding like 'a' as in neighbour. Use approximately 10-15 of the words as part of Week 6's spelling words.
 - i before e: friend, piece, pie, tie, lie, die, chief, believe, tried, field
 - except after c: receive, receipt, ceiling
 - or when sounding like 'a' as in neighbour and weigh: neighbour, weigh, weight, vein, eighty
- Point out any 'ie' and/or 'ei' words in the shared text.
- Choose new vocabulary words (3-7) and sight words from the shared text to add to the week's spelling words.

Group, guided and independent reading/writing

- Learners copy the vocabulary words into their personal dictionaries on the correct letter-page.
- Next to each word they write a short sentence.
- Learners write their spelling words for the week into their Spelling books and write sentences with some of the words.
- Learners who have completed their tasks in time can do either paired or individual reading.
- Do guided reading with one of your groups. In this second half of the term try to use mostly non-fiction texts for your guided reading. Focus on making inferences and surveying the content pages, headings and indexes to find information. For example, before each learner reads they can use headings to predict what they think the section will be about. You can also ask learners to use the index to find specific information. **Use for Assessment Task 2. Every learner should be assessed by the end of Week 10.**

ASSESSMENT: Formal: Assessment Task 2

Use Guided Reading each day to rate the learners, recording any problems you have noticed, against the following READING milestones:

- Uses a range of reading strategies in both fiction and non-fiction texts eg making predictions and inferences and using contextual clues
- Reads aloud clearly and with expression

Week 6 Day 2**LITERACY FOCUS TIME****NOTES TO TEACHER**

- Prepare a language activity based on subject-verb agreement for Word and Sentence Level Work.
- Prepare an example of a book review on a large sheet of paper to display to the class. Prepare a writing frame for a book review (See Writing).

DAILY ACTIVITIES:**Shared reading – a non-fiction text**

- Finish reading the **non-fiction/information text** to the learners.
- Play a 'thinking' game. Focus on the contents page of the book and ask questions e.g. *Where do you think I will find information on lions? What can I expect to read about on page 2?*
- To demonstrate how to use an index have individual children demonstrate how to use the index to find information, e.g. *Come and show us where in the book we will find information on what lions eat.*

Word and sentence level work**Subject-verb agreement**

- Revise subject-verb agreement, e.g. on the board write some sentences based on the shared text using is/are, was/were, make/makes: Male lions is/are very lazy; The children was/were scared of the lions. Read the sentences with the learners. Together with the learners choose the correct verb form to complete the sentences.
- Have learners complete a written activity based on subject-verb agreement. You can use an activity from a Learner's Book or give learners a table of sentence beginnings and endings to match up and complete using the correct verb form, e.g.

A giraffe	is/are	turning their heads.
A swarm of bees	make/makes	tall and graceful
The herd	was/were	on the tree
A pack of wolves	is/are	a big noise.

- For additional practice learners can use other examples such as is/are, was/were, make/makes, has/have to ask and answer oral questions correctly, e.g. _____ lions herbivores?

Group, guided and independent reading/writing

- Do guided reading with one of your groups. In this second half of the term try to use mostly non-fiction texts for your guided reading. Focus on making inferences and surveying the content pages, headings and indexes to find information. **Use for Assessment Task 2. Every learner should be assessed by the end of Week 10.**
- At the same time learners can finish their Word and Sentence Level Work (writing sentences).
- Learners who have completed their tasks in time can write a journal entry based on the theme of this week's shared text, e.g. My culture/My favourite animal/Places I would like to visit.

Reading for enjoyment

In addition to Reading and Writing focus time, remember that there should be time each day or week for reading for enjoyment. During this time learners choose what they want to read and read independently. Each learner needs to record what he/she reads on a reading record card. If there are no books to read, you can use this time to read aloud to the class.

LANGUAGE DEVELOPMENT: WRITING

PRE- WRITING – A BOOK REVIEW

- Explain that sometimes, after we have finished reading a book, we can write a review and say something about what we thought of the book.
- Show learners an example book review. (You would have prepared this on a large sheet of paper to display to the class).

Book review by Veronica

The title of the book is Kwenza from KwaZulu. This is a non-fiction book. The book is about a boy named Kwenza. Kwenza tells us about a day in his life. He tells us what he does when he wakes up, how he gets to school, what he does at school, and how he helps to prepare supper.

I liked the book because it showed me what it is like to live in a rural area. It made me think about the things I do each day.

- Explain the terms **title**, **fiction** and **non-fiction**.
- Explain that the sentence in the book review that begins *The story/book is about* is a summary.
- Give learners a writing frame for a book review, e.g.

Book review by _____

The title of the book is _____

This is a _____ book.

The book is about _____

I _____ the book because _____

- Go through each feature of the book review together with the learners. Include the following:
 - write your name.
 - write the title of the book using capital letters and underline it.
 - say if the book is fiction or non-fiction. If you can, you can also say if it's a fable, myth, traditional story etc.
 - say what or who the book is about.
 - say if you liked or disliked the book.
- Tell learners they will write their own book reviews.
- Learners can discuss with a partner and decide on the book they want to use for their review.

ASSESSMENT: Formal: Assessment Task 2

Use Guided Reading each day to rate the learners, recording any problems you have noticed, against the following READING milestones:

- Uses a range of reading strategies in both fiction and non-fiction texts eg making predictions and inferences and using contextual clues
- Reads aloud clearly and with expression

Week 6 Day 3

LITERACY FOCUS TIME

NOTES TO TEACHER

- Prepare an activity on subject-verb agreement.

DAILY ACTIVITIES:

Shared reading and writing – a non-fiction text and table

- Re-cap the **non-fiction/information text** with the learners. You can do this by asking learners to summarise the main and supporting ideas in the text and then re-reading parts of the text together with the learners.
- **Introduce shared writing.** Talk about why we use tables, e.g. a visual presentation of information, comparing things etc.
- Choose part of the information presented in the text to summarise in a table.
- **Shared writing:** while writing you should 1. Ask prompt questions. 2. Involve learners and help them compare and contrast information and place it in the correct column.
- Your table can compare information mentioned in the text, e.g.

	Lion	Cheetah
Family group		
Herbivore/carnivore		
Favourite food		
Mammal (yes/no)		

Word and sentence level work

- Do a short spelling test.
- Revise subject-verb agreement further with the learners. For example you can write some sentences based on the shared text and using has/have, go/goes/is, use/uses on the board, e.g. A male lion have/has a mane; Lions use/uses their sharp claws to catch their prey.
- Read the sentences with the learners. Together with the learners choose the correct verb form to complete the sentences.
- Let learners complete a written activity based on subject-verb agreement. You can use an activity from a Learner's Book or give learners a set of sentences to complete by choosing the correct verb form. Your activity can include sentences using all the verb forms revised this week.

Group, guided and independent reading/writing

- Do guided reading with one of your groups. In this second half of the term try to use mostly non-fiction texts for your guided reading. Focus on making inferences and surveying the content pages, headings and indexes to find information. **Use for Assessment Task 2. Every learner should be assessed by the end of Week 10.**
- At the same time learners can finish writing their sentences for Word and Sentence Level Work.
- Group reading in pairs or larger groups using graded texts. (This can be done on any day and at various times, not necessarily as a whole class activity.) **Use for Assessment Task 2.**

LANGUAGE DEVELOPMENT: WRITING**DRAFTING, REVISING, EDITING, PUBLISHING – A BOOK REVIEW**

- Learners write book reviews (using the Day 2 writing frame).
- They read their book review to a partner to check that it makes sense.
- They self-edit for spelling and punctuation.
- Learners write their book reviews neatly into their books.

ASSESSMENT: Formal: Assessment Task 2

Use Guided Reading each day to rate the learners, recording any problems you have noticed, against the following READING milestones:

- Uses a range of reading strategies in both fiction and non-fiction texts eg making predictions and inferences and using contextual clues
- Reads aloud clearly and with expression

In this second half of the term use your group reading in which learners read a variety of text types to rate them against the following READING milestone:

Word and sentence level work

Spelling / Phonics / High Frequency (Sight) words / Vocabulary

- Spelling: teach rules for making nouns plural (more than one). Use words written on the board to demonstrate the rules.
 - To make most nouns plural, you just add 's': oranges, dogs, books, pens
 - You add 's' to make a word plural if it ends with a 'y' and the letter in front of the 'y' is a vowel (a,e,i,o,u): turkeys, plays, boys, birthdays, keys
 - If the letter in front of the final 'y' is a consonant then you drop the 'y' and add 'ies': babies, countries, diaries, ladies, stories, families, cities, cherries
- Use approximately 10-15 of the words as part of Week 7's spelling words.
- Point out any plural nouns in the shared text.

Group, guided and independent reading/writing

- Learners write their spelling words for the week into their Spelling books and write sentences with some of the words.
- Learners who have completed their tasks in time can do either paired or individual reading.
- Do guided reading with one of your groups. In this second half of the term try to use mostly non-fiction texts for your guided reading. Focus on making inferences and surveying the content pages, headings and indexes to find information. **Use for Assessment Task 2.**
Every learner should be assessed by the end of Week 10.

Where is this place/can I get this product? etc. • Together with the learners revise your list of the kind of information included in the brochure (Day 1) adding any new features. • Point out the language and pictures used in the brochure and talk about how these are used to make you want to buy the product/visit the place. <p>Word and sentence level work</p> <p>Apostrophes (possession)</p> <ul style="list-style-type: none"> • Remind learners of the use of the apostrophe they learned at the beginning of the term (Week 1): in contractions the apostrophe shows that a letter (or letters) has (have) been left out, e.g. <i>in 'couldn't' the letter 'o' has been left out.</i> • Apostrophes are also used to show that something belongs to someone or something. Write sentences on the board to demonstrate this, e.g. <u>Paul's</u> book is about butterflies. The <u>book's</u> cover has a picture of butterflies. • Explain the rules for placing apostrophes to show ownership (possession). When the noun is in the singular the apostrophe goes before the 's' (apostrophe s), e.g. Dina's wedding. When the noun is plural the apostrophe goes after the 's' (s apostrophe), e.g. two boys' birthdays. • Have learners complete a written activity based on the apostrophe for possession. You can use an activity from a Learner's Book or give learners sentences and ask them to use the rule to place apostrophes in the right places, e.g. the girls head, the cats tails, Thabos pants, the mans nose, etc. <p>Group, guided and independent reading/writing</p> <ul style="list-style-type: none"> • Do guided reading with one of your groups. In this second half of the term try to use mostly non-fiction texts for your guided reading. Focus on making inferences and surveying the content pages, headings and indexes to find information. Use for Assessment Task 2. • Every learner should be assessed by the end of Week 10. • At the same time learners can finish writing their Word and Sentence Level Work (writing sentences using the apostrophe for possession). • Learners who have completed their tasks in time can do paired reading.

LANGUAGE DEVELOPMENT: WRITING

PRE-WRITING: A DIARY ENTRY

- Talk to learners about diaries. A diary is a book with a space for each day. Some people use diaries to keep a record of their appointments and meetings. Other people use their diaries to write down their experiences and feelings about what happens to them each day.
- Explain that sometimes people use a diary like a friend - they write about their problems and feelings, and then feel better because they have 'shared' their thoughts.
- Read learners an example diary entry. (You would have prepared this on a large sheet of paper to display to the class).

22 March 2009

Dear Diary

Today I went to my friend Rebecca's birthday party. I was worried I wouldn't know many people there because Rebecca left our school last year, but when I got there I saw my old friend Jim (from swimming) was there. He introduced me to his sister Mary who is such fun! Soon we were all laughing. I was so happy that I had gone to the party!

I think I ate too much cake but I can sleep happily tonight because I think I made a new friend!

- Explain that learners must choose a situation to write a diary entry on. Depending on the level of your learners you might want to give them a few situations to choose from, e.g. you had a fight with your best friend, you met your favourite television star, etc.
- Explain that learners must write a diary entry for the day their chosen situation happened. A diary entry should include the date, what happened as well as your thoughts and feelings about what happened.
- Learners can discuss with a partner and decide on the situation they want to use for their diary entry.

ASSESSMENT: Formal: Assessment Task 2

Use Guided Reading each day to rate the learners, recording any problems you have noticed, against the following READING milestones:

- Uses a range of reading strategies in both fiction and non-fiction texts eg making predictions and inferences and using contextual clues
- Reads aloud clearly and with expression

Week 7 Day 3**LITERACY FOCUS TIME****NOTES TO TEACHER**

- Prepare an activity based on sentence types and the possessive apostrophe.

DAILY ACTIVITIES:**Shared writing – table comparing non-fiction texts**

- Discuss and compare the information contained in this week's two brochures.
- Choose the information included in each of the brochures to summarise in a table. Your table can demonstrate similarities and differences between the texts, e.g.

	Brochure for Robben Island	Brochure for Chippy's Restaurant
Exciting photographs	x	x
Cost		x
How to find it	x	
Contact details	x	x
Other details	x	

- Together with the learners write some comparing sentences about the two texts, e.g. Both the brochures use exciting photographs, etc.
- Remember that when doing shared writing (drawing up the table and writing the sentences) you should 1. Ask prompt questions. 2. Help learners construct sentences 3. Involve learners as you write the sentences.

Word and sentence level work

- Do a short spelling test.
- Revise different sentence types. Write sentences on the board and have learners identify whether they are a statement, question or command. Point out the punctuation used for each type of sentence.
- Let learners complete a written activity based on sentence types. You can use an activity from a Learner's Book or dictate different types of sentences using the appropriate tone and intonation. Include one or two words that use the possessive apostrophe in your dictation, e.g. Go and fetch Jane's shoes! Learners write the sentences using correct punctuation. **Use for Assessment Task 2.**

Group, guided and independent reading/writing

- Do guided reading with one of your groups. In this second half of the term try to use mostly non-fiction texts for your guided reading. Focus on making inferences and surveying the content pages, headings and indexes to find information. **Use for Assessment Task 2. Every learner should be assessed by the end of Week 10.**
- At the same time learners can use dictionaries to check the spelling of words in their Word and Sentence Level Work.
- Group reading in pairs or larger groups using graded texts. (This can be done on any day and at various times, not necessarily as a whole class activity.) **Use for Assessment Task 2.**

LANGUAGE DEVELOPMENT: WRITING

DRAFTING, REVISING, EDITING, PUBLISHING – A DIARY ENTRY

- Learners write their diary entries.
- They read their diary entry to a partner to check that it makes sense.
- They self-edit for spelling and punctuation.
- Learners write their diary entries neatly into their books. Use for **Assessment Task 2.**

ASSESSMENT: Formal: Assessment Task 2

Use the Word and Sentence Level Work (sentence types and possessive apostrophe) to rate the learners, recording any problems you have noticed, against the following WRITING milestone:

- Writes a variety of sentence types e.g. statements, questions, commands using correct punctuation including the apostrophe for possession

Use the Writing activity (diary) to rate the learners, recording any problems you have noticed, against the following WRITING and SPELLING AND GRAMMAR milestones:

- Writes for playful and creative purposes eg limericks, letter, diary
- Uses appropriate grammar, tenses, spelling and punctuation in writing
- Records words in a personal dictionary
- Uses neat, legible handwriting for all written work
- Uses more complex tenses eg present perfect progressive: I have been reading for an hour.

Use Guided Reading each day to rate the learners, recording any problems you have noticed, against the following READING milestones:

- Uses a range of reading strategies in both fiction and non-fiction texts eg making predictions and inferences and using contextual clues
- Reads aloud clearly and with expression

In this second half of the term use your group reading in which learners read a variety of text types to rate them against the following READING milestone:

- Reads South African and international fiction and non-fiction texts independently eg poems, stories, brochures and textbooks

Note that this week's shared reading texts also correspond to this milestone.

Inferences refer to the reader working something out and drawing conclusions from the text. Word and sentence level work

Spelling / Phonics / High Frequency (Sight) words / Vocabulary

- Spelling: teach more rules for making nouns plural (more than one). Use words written on the board to demonstrate the rules.
 - If a word ends in –ch add ‘es: lunches, matches, peaches, matches
 - If a word ends in –sh add ‘es: bushes, wishes, brushes, dishes (Note the exception: one fish... two fish)
 - If a word ends in –ss or –s, add –es: buses, addresses, gasses
 - If a word ends in –o, add either –s or –es: photos, pianos, potatoes, mangoes, tomatoes, heroes
- Use approximately 10-15 of the words as part of Week 8’s spelling words.
- Point out any plural nouns in the shared text.
- Choose new vocabulary words (3-7) and sight words from the text, to add to the week’s spelling words.

Group, guided and independent reading/writing

- Learners copy the vocabulary words into their personal dictionaries on the correct letter-page.
- Next to each word they write a short sentence.
- Learners write their spelling words for the week into their Spelling books and write sentences with some of the words.
- Learners who have completed their tasks in time can do either paired or individual reading.
- Do guided reading with one of your groups. In this second half of the term try to use mostly non-fiction texts for your guided reading. Focus on making inferences and surveying the content pages, headings and indexes to find information. **Use for Assessment Task 2. Every learner should be assessed by the end of Week 10.**

Week 8 Day 2
LITERACY FOCUS TIME
NOTES TO TEACHER
<ul style="list-style-type: none"> • Prepare a sample text for shared writing (a set of instructions for a sport/game) • Prepare a language activity based on identifying different noun types for Word and Sentence Level Work.
DAILY ACTIVITIES:
<p>Shared reading and writing – shared writing of a set of instructions</p> <ul style="list-style-type: none"> • Re-read the sports report you used for Day 1 shared reading. • Talk about how all sports (and games) have rules/instructions that say how to play the sport/game. • Show learners a set of instructions (jumbled up) you have prepared. This could be for the sport dealt with in the report or for a simple game, e.g. <p>Three cans The team with the most points wins. First, stack 3 empty cans one on top of the other. You need two teams of three players, three empty cans and a ball. Then players from the defending team wait behind the cans to catch the ball. Next the bowling team uses the ball to knock down the three cans. If they catch the ball, they must try to hit players from the bowling team. ... etc.</p> <ul style="list-style-type: none"> • Talk about the game for which you have written instructions. Ask if learners have ever played the game. • Together with the learners work out the correct order for the instructions. • Use shared writing techniques to write the instructions in the correct order. Point out the words used to sequence the instructions, e.g. first, then etc. <p>Word and sentence level work Noun types: common, proper, abstract, collective</p> <ul style="list-style-type: none"> • Revise parts of speech with learners: nouns, verbs, adverbs, adjectives, pronouns. Remind learners that all sentences need to have a verb in them. • Explain that nouns can be grouped in different ways, for example into common and proper nouns, or into concrete and abstract nouns. <ul style="list-style-type: none"> ○ Common nouns label non-specific people, places or things e.g. holiday, chair, table, soccer. ○ Proper nouns are the labels given to particular people, places or things. A proper noun always begins with a capital letter, e.g. Johannesburg.

- Concrete nouns refer to people and things that can be experienced in the physical world (ie things we can touch, see or hear) such as banana, bread, house, teacher, Durban, Thandi. (Concrete nouns which refer to groups are known as collective nouns e.g. team, crowd, class, pack, herd.)
- Abstract nouns refer to concepts, emotions, or qualities, e.g. happiness, ability.
- Write a few example sentences based on the shared text on the board. Together with the learners identify the nouns and say whether they are common, proper, abstract or concrete.
- Have learners complete a written activity based on noun types. You can use an activity from a Learner's Book or develop an activity based on a text, e.g. give learners a short text and ask them to identify the common, proper, abstract and concrete nouns in the text. **Use for Assessment Task 2.**

Group, guided and independent reading/writing

- Do guided reading with one of your groups. In this second half of the term, try to use mostly non-fiction texts for your guided reading. Focus on making inferences and surveying the content pages, headings and indexes to find information. **Use for Assessment Task 2. Every learner should be assessed by the end of Week 10.**
- At the same time learners can finish writing their Word and Sentence Level Work (noun types).
- Learners who have completed their tasks in time can write an entry into their journals about a favourite sport or game they enjoy playing (if time permits).

LANGUAGE DEVELOPMENT: WRITING

PRE-WRITING DISCUSSION AND DRAFTING – A SET OF INSTRUCTIONS

- Explain that learners are going to write a set of instructions for a game of their choice.
- Learners can discuss with a partner and decide on the game they want to write instructions for.
- Learners first plan their writing. They should plan their instructions in numerical order. At the planning stage learners do not have to use full sentences. Including main points will be enough to help learners structure their instructions, e.g. Kick the ball.

ASSESSMENT: Formal: Assessment Task 2

Use the activity on different noun types to rate the learners, recording any problems you have noticed, against the following SPELLING AND GRAMMAR milestone:

- Identifies and uses parts of speech (nouns, pronouns, verbs, adverbs, adjectives, prepositions and conjunctions)

Use Guided Reading each day to rate the learners, recording any problems you have noticed, against the following READING milestones:

- Uses a range of reading strategies in both fiction and non-fiction texts eg making predictions and inferences and using contextual clues
- Reads aloud clearly and with expression

Informal: unrecorded assessment of learners' journals. **Over the term try to read** each learners journal at least twice. Make positive comments, responding to the content rather than things like spelling, punctuation and grammar. Try to establish a dialogue between the learners and yourself by responding personally and asking questions, e.g. I enjoyed reading about how much you enjoy soccer Tumisang. Do you get a chance to play often?

Week 8 Day 3

LITERACY FOCUS TIME

NOTES TO TEACHER

- Prepare a chart, graph or map based on the text you have used for shared reading this week.
- Prepare a language activity based on the present/past continuous tenses for Word and Sentence Level Work.

Shared reading and writing – shared reading of a chart, graph or map

Show the learners a chart, graph or map based on the sports report you used for shared reading this week, e.g. if the report was on the Comrades Marathon you might prepare a map showing the marathon route and distances. If the report was on a soccer team you might prepare a chart showing the matches played, the opposing teams and the final scores.

- Read the chart/graph/map together with the learners. Talk about the information included in the chart/graph/map.
- Ask questions to check understanding, e.g. How far is it from ____ to ____? What was the final score in the match against _____?

Word and sentence level work

- Do a short spelling test.
- Revise the past, present and future tenses. Introduce learners to the progressive (or continuous) tense. Explain that the progressive tense form tells us that the action or process is in progress and is not yet completed (present).
- Write a table on the board to compare the simple present and present progressive tenses, e.g.

Simple present	Present progressive
I like horses.	I am riding a horse at the moment.
I work.	I am working.
Hilda wears blue jeans.	Hilda is wearing blue jeans.

- Explain how the progressive tense uses the verb 'to be' together with the present participle (verb + -ing)
- Let learners complete a written activity based on the progressive tense. You can use an activity from a Learner's Book or give learners present tense sentences to change into the present progressive tense. **Use for Assessment Task 2.**

Note: the emphasis is on learners using the verbs correctly rather than knowing the terminology. The meaning of the sentence should make it clear which verb form should be used.

Group, guided and independent reading/writing

- Do guided reading with one of your groups. In this second half of the term, try to use mostly non-fiction texts for your guided reading. Focus on making inferences and surveying the content pages, headings and indexes to find information. **Use for Assessment Task 2.**
Every learner should be assessed by the end of Week 10.
- At the same time learners can complete their Word and Sentence Level Work.
- Learners who have completed their tasks in time can do paired or individual reading.
- Group reading in pairs or larger groups using graded texts. (This can be done on any day and at various times, not necessarily as a whole class activity.) **Use for Assessment Task 2.**

LANGUAGE DEVELOPMENT: WRITING**WRITING, REVISING, EDITING, PUBLISHING – A SET OF INSTRUCTIONS**

- Learners write their set of instructions.
- They read their instructions to a partner to check that they make sense. Partners say what else needs to be added to make the instructions clear.
- Learners self-edit for spelling and punctuation.
- Learners write their set of instructions neatly into their books. Use for **Assessment Task 2.**

ASSESSMENT: Formal: Assessment Task 2

Use the Writing activity (set of instructions) to rate the learners, recording any problems you have noticed, against the following WRITING and SPELLING AND GRAMMAR milestones:

- Writes and designs visual and information texts e.g. set of instructions, simple book reviews
- Uses appropriate grammar, tenses, spelling and punctuation in writing
- Records words in a personal dictionary
- Uses neat, legible handwriting for all written work
- Uses more complex tenses eg present perfect progressive: I have been reading for an hour.

Note that you can also assess this last milestone in other activities on this day.

Use Guided Reading each day to rate the learners, recording any problems you have noticed, against the following READING milestones:

- Uses a range of reading strategies in both fiction and non-fiction texts eg making predictions and inferences and using contextual clues
- Reads aloud clearly and with expression

In this second half of the term use your group reading in which learners read a variety of text types to rate them against the following READING milestone:

<ul style="list-style-type: none"> Select a new text for shared reading – it should be a biography (non-fiction). Prepare Week 9's spelling words (new vocabulary words and sight words from the shared text + spelling words). Readers for individual, paired and group reading. 	
DAILY ACTIVITIES:	
Shared reading of a new text: a non-fiction text <ul style="list-style-type: none"> Introduce a Grade 4 level non-fiction/information text. You can use an extract from a textbook or other non-fiction text. Orientate learners to the text as before. (If applicable, show and revise the features of a non-fiction text, e.g. table of contents, index, glossary, headings.) Read the text to the learners, modelling analysing photographs, reading captions, linking photographs to text. Stop halfway through the text. Afterwards check understanding by asking 3 - 4 <i>wh</i> questions. 	

Word and sentence level work

Spelling / Phonics / High Frequency (Sight) words / Vocabulary

- Phonics: briefly revise the following silent letters and use approximately 10-15 of the words as part of Week 9's spelling words.
 - Silent b: comb, crumb, lamb, thumb, doubt
 - Silent l: calf, half, could, walk, talk
 - Silent t: ballet, listen, often, castle, fasten
 - Silent h: ghost, rhyme, spaghetti, hour, honest
- Choose new vocabulary words (3-7) and sight words from the text to add to the week's spelling words.

Group, guided and independent reading/writing

- Learners copy the vocabulary words into their personal dictionaries on the correct letter-page.
 - Next to each word they write a short sentence.
 - Learners write their spelling words for the week into their Spelling books and write sentences with some of the words.
 - Learners who have completed their tasks in time can do either paired or individual reading.
 - Do guided reading with one of your groups. In this second half of the term try to use mostly non-fiction texts for your guided reading. Focus on making inferences and surveying the content pages, headings and indexes to find information. **Use for Assessment Task 2.**
- Every learner should be assessed by the end of Week 10.**

ASSESSMENT: Formal: Assessment Task 2

Use Guided Reading each day to rate the learners, recording any problems you have noticed, against the following READING milestones:

- Uses a range of reading strategies in both fiction and non-fiction texts eg making predictions and inferences and using contextual clues
- Reads aloud clearly and with expression

Week 9 Day 2
LITERACY FOCUS TIME
NOTES TO TEACHER
<ul style="list-style-type: none"> Prepare a language activity based on revising tenses for Word and Sentence Level Work.
DAILY ACTIVITIES:
<p>Shared reading of a new text: a non-fiction text (continued)</p> <ul style="list-style-type: none"> Finish reading the non-fiction/information text to the learners. Afterwards, ask 5-6 questions to check understanding. Discuss the main and supporting ideas in the text (as a whole). Choose one paragraph/section/page of the text. Write these questions on the board: <ul style="list-style-type: none"> what is the main idea in this paragraph/section/page? what supports this main idea? (What other details are included?) Use learners' written responses to the questions for Assessment Task 2. <p>Word and sentence level work</p> <p>Revising present, past, future simple and continuous tense</p> <ul style="list-style-type: none"> Write sentences on the board to revise present, past, and future tenses and the present progressive tense e.g. <ul style="list-style-type: none"> Aunt Cindy <u>will</u> drive her new car to see us. (simple future) The rain <u>came</u> suddenly. (simple past) I <u>am riding</u> my bicycle to school. (present progressive) Read the sentences with the learners. Identify the tense used for each sentence (but not necessarily the verb form). Have learners complete a written activity based on revising the different tenses. You can use an activity from a Learner's Book or give learners sentences, e.g. Rewrite the following sentences in the tense indicated: The dog will survive (past) the accident; The girl sings (present continuous) all day long, etc. <p>Note: The emphasis is on learners using the correct verb form and not on knowing the terminology. Learners should be able to say if the action described in the sentence takes place in the present, past or future and if it is ongoing (continuous) or not. Plan the activity so that the meaning of the sentences guides learners to use the correct verb form.</p> <p>Group, guided and independent reading/writing</p> <ul style="list-style-type: none"> Do guided reading with one of your groups. In this second half of the term try to use mostly non-fiction texts for your guided reading. Focus on making inferences and surveying the content pages, headings and indexes to find information. Use for Assessment Task 2. <p>Every learner should be assessed by the end of Week 10.</p> <ul style="list-style-type: none"> At the same time learners can finish writing their Word and Sentence Level Work (revising simple and continuous tenses). Learners who have completed their tasks in time can write an entry into their journals about a role model/person they admire.

LANGUAGE DEVELOPMENT: WRITING

PRE-WRITING DISCUSSION, DRAFTING – A DESCRIPTION

- Ask learners if they know what penpals are. (A penpal is someone to whom you write letters, but whom you haven't met.)
- Have learners imagine that they have a penpal. This friend would like to know what you look like.
- Explain that learners will write a paragraph describing themselves.
- Learners should begin their paragraph by saying how old they are and how tall they are (if they know). Then they should describe what they look like by using sentence starters that you can provide on the board, e.g.
 - People describe me as _____,
- My nose is _____,
- My hair is _____,
- My skin is _____.
- Learners write a draft descriptive paragraph.

ASSESSMENT: Formal: Assessment Task 2

Use the Shared Reading activity to rate the learners, recording any problems you have noticed, against the following READING milestone:

- Identifies the main and supporting ideas in a short information text
- Surveys content page, headings and index to locate information

Use Guided Reading each day to rate the learners, recording any problems you have noticed, against the following READING milestones:

<ul style="list-style-type: none"> • Prepare a sample letter to a penpal (for yourself or a fictitious child) for shared reading. • Prepare a list of words to use for Word and Sentence Level Work and a word search or other word puzzle for Guided and Group Reading.
DAILY ACTIVITIES:
<p>Shared reading and writing – shared reading – letter to penpal</p> <ul style="list-style-type: none"> • Explain that when you look for a penpal you need to write more than just what you look like, you also need to write a short life story (biography) to introduce yourself. • Show learners the sample description you have prepared. This description should be in the form of a letter and could be about yourself or a fictitious child, e.g. <div style="background-color: #e0e0e0; padding: 10px; margin: 10px 0;"> <p style="text-align: right;">Gerda Schultz 14 Hofendam Street Amsterdam BG 2354</p> <p>My name is Gerda. I am very interested in finding out about people in South Africa. Anybody who is interested is welcome to reply to me.</p> <p>Looking forward to hearing from you Gerda</p> </div> <ul style="list-style-type: none"> • Read the letter together with the learners. Talk about the different features, the details included and the language used. (Note that the letter does not include too many details about physical appearance and that it is not addressed to anyone in particular.) <p>Word and sentence level work</p> <ul style="list-style-type: none"> • Do a short spelling test. Use for Assessment Task 2. • Revise dictionary and thesaurus skills. Give learners a list of words from some of the texts used this term. For each word learners should use a thesaurus to find a synonym (same or similar meaning) and then think of an antonym (opposite meaning).

- Do guided reading with one of your groups. In this second half of the term try to use mostly non-fiction texts for your guided reading. Focus on making inferences and surveying the content pages, headings and indexes to find information. **Use for Assessment Task 2. Every learner should be assessed by the end of Week 10.**
- Do a Word Search with the other learners, using a mixture of recently taught vocabulary and sight words. (See Term 1 Week 9)
- Group reading in pairs or larger groups using graded texts. (This can be done on any day and at various times, not necessarily as a whole class activity.) **Use for Assessment Task 2.**
