#### ACTIVITIES

**DAILY MORNING ORAL WORK**

**DAY 1: DAY/MONTH/WEATHER CHARTS / CLOCK**

- Begin the day by greeting everybody and welcoming them back to school. If there are any new children in the class take a few minutes to introduce them to the other learners.
- Discuss the day/month charts and any special happenings, e.g. whose birthdays you will be celebrating this week/month, etc.
- Use the weather chart. Talk about the weather. Ask: *What is the weather like today? What was it like yesterday?*
- Have learners select the correct weather symbol for the day and put it on the weather chart.
- Continue to use the charts and the clock as the basis for word problems for the learners to solve. (See Term 3, Week 8.)
- Continue to write a ‘morning message’ on the board for learners. (See Terms 1-3.)

**DAY 2: ORAL PRESENTATION**

- Begin the day by discussing the day/month charts and any special happenings.
- Tell the learners about an event or celebration you have attended recently, e.g. a birthday party or wedding, a sporting event, etc. Model how to do this expressively by varying the tone and pitch of your voice and using interesting and descriptive language.
- Tell the learners they are each going to make a 1-2 minute presentation on something they have experienced recently, e.g. an event they have attended, something they have done, etc. Explain to the learners that, to make their presentation interesting, it is important to vary the volume and pitch of their voice, make eye contact with the people they are talking to, and use interesting words and descriptions. Encourage them to bring something to show the other learners as they talk.
• From Day 3 onwards, have 3-4 learners present each day (for 1-2 minutes). Use for Assessment Task 1. Every learner should be assessed by the end of Week 3.
• If necessary, you can write the following frame on the board to help learners structure their recount/presentation:

<table>
<thead>
<tr>
<th>ORAL FRAME: RECOUNT</th>
</tr>
</thead>
<tbody>
<tr>
<td>Title</td>
</tr>
<tr>
<td>Opening sentence: set the scene, say where and when it took place</td>
</tr>
<tr>
<td>Recount the events in the right order. First, then, after that, etc. Use the past tense.</td>
</tr>
</tbody>
</table>

LISTENING AND SPEAKING

ACTIVITY 1: READ ALOUD
• Read a short, suitable myth or legend to the learners. You could choose a story from a picture book, text book or reader.
• Introduce the story to the learners and draw on their prior knowledge (their worlds).
• Introduce any new words needed for the story. These can be written onto flashcards and placed on the Word Wall.
• Read the story to the learners in a lively, interactive way.
• Use for Assessment Task 1. Note in your Assessment Notebook who is unable to listen for a longer period with interest.

ACTIVITY 2: RESPONDING TO THE STORY
• Ask learners some questions about the story, e.g. Who was in the story? Where did the story take place? How did the story begin? What happened next? etc.
• Responding to the story: Write 1-2 open-ended questions that draw out the cause-effect relations in the story on the board, e.g. Why do you think ____________? What caused ____________?
• Learners write individual responses to the questions. Use for Assessment Task 1.
**ASSESSMENT: Formal: recorded Assessment Task 1:**

Use Morning Oral Work each day to rate the learners, recording any problems you have noticed, against the following milestone:

- Plans and makes an oral presentation e.g. tells personal news, describes something experienced, recounts an event etc. using a visual aid

**Every learner should be assessed against this milestone by the end of Week 3.**

Use Activities 1 and 2 to rate the learners, recording any problems against the following milestone:

- Listens to a story and works out cause and effect

**Use your observations of learners’ use of correct terms during weeks 1 – 3, to rate them against the following milestone:**

- Uses terms such as subject, verb, object, question, statement, command, synonym, antonym, exclamation mark
## WEEK 1  PHONICS & SPELLING + HANDWRITING

<table>

<tr>
<th>LO/ASs</th>
<th>LO 3 AS 4</th>
<th>LO 4 AS 5, 7</th>
<th>LO 6 AS 1</th>
</tr>
</thead>
</table>

### MILESTONES
- **Phonics**
  - Recognises and uses all phonics learnt so far
  - Recognises and uses rhyming words e.g. fly, sky, dry
  - Builds and sounds words at level of phonetic knowledge
  - Uses both the letter sound as well as the letter name to spell words
- **Handwriting**
  - Copies written text from the board, textbooks, workcards, etc. correctly, paying attention to correct letter formation and spacing
  - Completes a writing task in a set time

### NOTES
- Although Phonics and Spelling fall under Word and Sentence Level Work, you may prefer to do the Phonics and Spelling early in the day. Phonics and Spelling should be done directly after one another.
- Prepare daily phonic oral activities and written tasks; prepare daily spelling words and sentences.
- Handwriting is done twice a week. It can be linked to the Phonic/Spelling words and can be done directly after Phonics or at a separate time.

### RESOURCES
- Prepare daily phonic oral activities and written tasks; prepare daily spelling words/sentences.

### ACTIVITIES

#### PHONICS:

**FIRST FULL WEEK: REVISE PHONICS**
- Sing the alphabet song. Make sure all the learners can say the name and sound of each letter.
- Choose some of the single sounds, i.e. consonant and vowels to revise this week. You should include some of the consonant blends and diagraphs you know have been difficult for your learners.
- Make the revision fun by using some of the games and activities suggested below. Remember that each day you must choose two oral activities and a written task. **Use this week's phonics activities for Assessment task 1.** Here are some suggestions:
  - **Blending (for reading):** Sound out a CVC word. Learners say the word normally.
  - **Blending (for reading):** Sound out a CVC word. Learners construct the word with their letters. (Letters can be made by the learners on squares of paper. See Week 1, Term 1. Plastic letters can also be used.)
  - **Segmenting (for spelling):** Say a CVC word. Learners sound out the word.
  - **Written Task:** Silly sentences. Help learners to create silly, alliterative sentences. For example, ‘Six snakes sell sweets’. Children can write their sentence and draw a picture to go with it.
• **Blending (for reading):** Sound it out: Write the song ‘Sound It Out’ on chart paper. Sing the song to the tune of ‘If you’re happy and you know it’. At the end of the song, say a word in parts for the learners to blend orally. For example, /fl/ ...ag. Then sing the song several times. At the end of each singing, point to a child to provide word parts for the class to blend. (See Week 1 Term 2).

• **Unscramble It:** Divide the class into teams of three to four. Provide each team with a list of ten scrambled words. The words can include the vowel or consonant sounds (and blends) you wish to revise. Allow each team five minutes to unscramble as many words as possible.

• **Written Task:** Learners choose the correct letters to complete words in sentences, e.g.
  
  dr sl sp
  
  My brother __inks a lot of orange juice.
  Is there enough __ace to fit the box in?
  My puppy __eeps a lot.

• **Written Task:** Word Sort: Give learners sets of word cards (approximately 10-15). Have them sort the word cards first in any way they choose such as by word length. Then suggest a way for the learners to sort the words, for example by initial or end sound. Make sure that the words you provide can be sorted in more than one way. Learners can write their sorted words in columns.

• **Written Task:** Play a game with the learners by giving them a word to spell, sometimes using the letter sound ONLY and other times the letter name.

**SPELLING ACTIVITIES:**

• **Written task:** Each day, learners write five of the PHONICS words and a short sentence for each word into their Spelling Books to revise for homework. (You need to provide the sentence. This has the advantage of sight word revision.)

• Remind learners of the 6-step routine for learning to spell a word: *look, spell out loud, look again, cover, write, check.*

• On Day 5 have a short, stress-free spelling test of the week’s words/sentence (as well as the sight words for the week). After the test you can write the words/sentence on the board for learners to do self- or peer assessment by comparing their answers to those on the board. Use for Assessment Task 1.

**HANDWRITING:**

Note: Depending on your provincial policy, Grade 3 is usually when you should teach your learners to join letters together to make joined or cursive handwriting. It is important to show them how to join letters that are commonly used together. By this stage in the year learners would have had lots of practice with joining individual letters and words. This term, handwriting lessons therefore focus on copying sentences, using handwriting tools effectively and completing a writing task neatly and in a set time.
ACTIVITIES 1 & 2:
• Write one-two sentences on the board, on writing strips or work-cards using some of the words you have used to revise letter-sounds this week. The sentences should include high-frequency words previously taught. Learners copy the sentences.

ASSESSMENT: Formal: recorded Assessment Task 1:
Use this week’s phonics activities and the spelling test to rate the learners, recording any problems, against the following milestones:
• Recognises and uses all phonics learnt so far
• Builds and sounds words at level of phonetic knowledge
• Uses both the letter sound as well as the letter name to spell words

- Prepare multiple copies of a simplified newspaper report to use for Group Reading.

### RESOURCES

- A Grade 3 Big Book or a simple story written on the board.
- A sheet of flipchart paper or 5 sheets of A3/A4 paper for 5 sentences.
- Copies of a simplified newspaper report for Group Reading.

### ACTIVITIES

#### DAY 1:

**SHARED READING AND WRITING: SHARED READING**

- Introduce a Grade 3 level story Big Book or use a story from a class reader.
- Orientate learners to the text by discussing the cover and title. Do a picture walk. Establish characters, setting.
- Either have a class discussion or have each learner write a sentence saying what they think the story will be about.

**WORD & SENTENCE LEVEL WORK/GROUP, GUIDED & INDEPENDENT READING/Writing**

- Teach 5 new vocabulary words based on the text.
- **Vocabulary task:** Learners write the vocabulary words into their Personal Dictionaries. By now learners will have multiple entries under a single letter. Remember that learners can practice alphabetical ordering by taking a list of words under the same letter and sorting them alphabetically using the initial and second letter. **Use for Assessment Task 1.** **Every learner should be assessed by the end of Week 3.**
- **Guided Reading: Red Group**
- **Focus for the week:** Using self-correcting strategies when reading, and reading with increasing fluency, speed and expression.
- **Independent reading:** Learners read a page or more of a graded reader and/or magazine or comic each day. **Use for Assessment Task 1. By the end of Week 3 all learners should have read a more complex variety of texts e.g. magazines and comics for enjoyment.**
DAY 2:
SHARED READING AND WRITING: SHARED WRITING
• Read the story to the learners modelling the following: Pausing at full stops, looking carefully at illustrations for more information, reading fluently and pronouncing words correctly. Stop once or twice to model using decoding skills to read unfamiliar words or use self-correction strategies, e.g. That word didn’t sound right/make sense. Let me look at it again. What word it could be?
• Afterwards check understanding by asking 3 - 4 oral *wh* questions (*who...*, *where...*, *what happened...*, *why*).

WORD & SENTENCE LEVEL WORK/GROUP, GUIDED & INDEPENDENT READING/WRITING
• **Written Comprehension task**: Learners complete a short comprehension based on the Shared Reading story. It should consist of 2-3 factual questions, a question about the main idea, and an open-ended or higher order question e.g. *Why do you think......? What would you have done? Use for Assessment Task 1.*
• **Guided reading**: Yellow Group; **Independent reading**. (Use for Assessment Task 1.)

DAY 3:
SHARED READING AND WRITING: SHARED READING
• Do Shared Reading with learners using the story. Afterwards ask some open-ended questions to help learners relate the story to their own lives, e.g. *Has something like this ever happened to you? What would you do if ________________?*

WORD & SENTENCE LEVEL WORK/GROUP, GUIDED & INDEPENDENT READING/WRITING
• **Language**: Use sentences from the book (or based on the theme of the book) to revise tenses – present, past and continuous tenses.
• **Language Task**: Learners complete a written activity based on revising tenses.
• **Guided reading**: Green Group; **Independent reading**. (Use for Assessment Task 1.)

DAY 4:
SHARED READING AND WRITING:: RE-READING
• Re-read the text together with learners. Make your voice softer but still use the pointer.

WORD & SENTENCE LEVEL WORK/GROUP, GUIDED & INDEPENDENT READING/WRITING
• **Sight words**: Teach 5 new sight words. (*These will be more meaningful if they are from the text or in a sentence.*)
• **Sight words task**: Learners copy the 5 new sight words into their Spelling Books.
• **Guided reading**: Blue Group. **Independent reading**. (Use for Assessment Task 1.)
DAY 5:
SHARED READING AND WRITING: FINAL SHARED READING
• Read the Big Book as Shared Reading. One learner can be the ‘teacher’ and use the pointer.

WORD & SENTENCE LEVEL WORK/GROUP, GUIDED & INDEPENDENT READING/WRITING
• Learners complete the written activity that they missed during Guided Reading
• Group reading: Learners read a short, simplified newspaper report in their seating groups.

READING FOR ENJOYMENT
In addition to Reading and Writing focus time, there should be time each day or week for Reading for enjoyment. During this time learners choose what they want to read or you read aloud to them.
In Weeks 1-3, in addition to suitable books, try to provide learners with a selection of magazines and comics to choose from. **Use for Assessment Task 1.**

ASSESSMENT: Formal: recorded Assessment Task 1:

Use Day 1 (Vocabulary task) to rate the learners, recording any problems you have noticed, against the following milestone:
• Builds own word bank and personal dictionary. **(Writing milestone)**
Every learner should be assessed against this milestone by the end of Week 3.

Use the written comprehension task on Day 2 and your observations of the shared reading sessions to rate the learners, recording any problems you have noticed, against the following milestones:
• Reads written texts as a whole class with teacher (shared reading) and discusses characters, plot and cultural values in the text
• Answers higher order questions based on the passage read in order to draw conclusions

Use Independent Reading and Reading for Enjoyment in Weeks 1-3 to rate the learners, recording any problems you have noticed, against the following milestone:
• Reads independently at a more complex level for enjoyment from a variety of texts e.g. books from different cultures
WEEK 1  WRITING

LO/ASs  LO 4 AS 1,2,3,4,6  LO 6 AS 2,3

MILESTONES  • Uses pre-writing strategies to gather information and plan writing  
• Drafts, writes, edits and publishes own story of at least two paragraphs  
• Uses some narrative devices when writing e.g. dialogue  
• Writes a selection of short texts for different purposes e.g. recounts, letters, dialogues, 
  descriptions  
• Uses phonics knowledge and spelling rules to write more difficult words  
• Uses a dictionary to find new vocabulary and check spelling  
• Uses apostrophes in contractions eg can’t  
• Builds own word bank and personal dictionary  

NOTES  • Independent writing activities take place for a total of one hour a week.  

RESOURCES  • For personal writing learners should be using the back of their Language and Writing books 
  or a separate book given to them for this purpose.

ACTIVITIES

ACTIVITY 1: DISCUSSION, PRE-WRITING  
• Use the story as the basis for learners to ‘role-play’ a character in the story and write a letter. 
  For example, if you have used a story like ‘Beauty and the Beast’ you can ask learners to 
  imagine that they are Beauty and to write a letter to her father. (Beauty’s father would have 
  been less worried if she had perhaps written to him.)  
• Depending on the story you are using this week and the letter you will be asking learners 
  to write, write some questions on the board as a guide for what information learners should 
  include in their letters, e.g.  
  - How do you (Beauty) feel?  
  - What does the Beast look like?  
  - What did the Beast do when you first saw him?  
  - What did you do on the first day at the castle?  
• In pairs, learners discuss what they want to include in their letters.  

ACTIVITY 2: DRAFTING, REVISING  
• Learners each write a draft letter. They read their draft to a friend to check for sense and 
  then make adjustments/corrections.  

ACTIVITY 3: WRITING, EDITING, PUBLISHING A LETTER  
• Learners edit their own writing by correcting spelling, punctuation, etc.  
• Learners write a neat version of their letters.  
• Learners publish their letters by reading them aloud in small groups.

| **MILESTONES** | • Listens to a story and works out cause and effect  
• Plans and makes an oral presentation e.g. tells personal news, describes something experienced, recounts an event etc. using a visual aid  
• Engages in conversation as a social skill, accepting and respecting the way others speak 
• Uses terms such as subject, verb, object, question, statement, command, synonym, antonym, exclamation mark |
| **NOTE** | • Prepare 2-4 problem scenarios relevant to your learners' lives. These should be written on card/paper and (if necessary) photocopied. |
| **RESOURCES** | • Day/month/birthday charts |

**ACTIVITIES**

**DAILY MORNING ORAL WORK: EACH DAY....**

- Discuss the day/month/weather/birthday charts, and any special happenings.
- Have 3-4 learners present (recount) an event or celebration they have recently experienced each day (for 1-2 minutes). **Use for Assessment Task 1. Every learner should be assessed by the end of Week 3.**
- Continue to write a ‘morning message’ on the board for the learners.

**LISTENING AND SPEAKING**

**ACTIVITY 1: DISCUSSING SOLUTIONS TO A PROBLEM**

- Divide learners into small groups. Give each group a scenario that you have prepared beforehand. The scenarios should describe a ‘problem’ that is relevant to your learners’ lives, e.g.
  - *Thandi is being bullied at school. Every morning... etc. What do you think she should do?*
  - *Bertus has lost his soccer boots. He thinks they have been stolen. He remembers putting them in his locker before school... etc. What do you think he should do?*
- In their groups, learners should discuss solutions to the problem and prepare to report back to the rest of the class. **Use for Assessment Task 1.**
- **Note:** You may have various groups working on the same problem. This will make for an interesting class discussion.

**ACTIVITY 2: REPORTING BACK ON SOLUTIONS**

- Each group should report back the solutions to the problem they have discussed. To begin their presentation they should read the problem scenario aloud to the rest of the class.
- Have a class discussion comparing/contrasting learners’ suggested solutions. **Use for Assessment Task 1.**
problem-solving activities can be related to a particular lesson or learning area, whilst others might be related to real life situations. often they can be both, e.g. use a table to work out how many different sets of uniforms you can make with these clothes: grey skirt, white shirt, black socks, brown skirt, blue blouse, white socks.

MILESTONES

**Phonics**
- Recognises and uses all phonics learnt so far
- Recognises and uses rhyming words e.g. fly, sky, dry
- Builds and sounds words at level of phonetic knowledge
- Uses both the letter sound as well as the letter name to spell words

**Handwriting**
- Copies written text from the board, textbooks, workcards, etc. correctly, paying attention to correct letter formation and spacing
- Completes a writing task in a set time

NOTES
- Prepare daily phonic oral activities and written tasks; prepare daily spelling words/sentences.

ACTIVITIES

PHONICS: RHYMING WORDS

- This week you should teach/revise rhyming words. Because at this late stage of the year learners will already be familiar with the concept of rhyming words being words that sound/end the same you can use the week to teach/revise some common word families, e.g. **-and** (band, land, hand, sand, stand), **-ump** (jump, dump, lump, plump, stump, thump), **-ain** (main, pain, brain, chain, drain, plain, stain, train), **-ack** (back, lack, pack, sack, black, crack, shack, smack, track), **-ice** (ice, dice, mice, nice, rice, price, slice, twice) etc.
- You should choose word families that you know learners come across frequently and/or have been difficult for your learners.
- Introduce one word family each day.
- Write a set of words belonging to the word family on the board.
- Read the words together with the learners and point out how they all rhyme or sound the same.
- On Day 5 do a written activity based on the week’s work to consolidate rhyming words. Use for Assessment Task 1.

PHONICS ACTIVITIES: Each day, choose two oral activities and a written task. Here are some suggestions:

- **Blending:** Sound out a word e.g. pl-ump. Learners put the sounds together to make a word. Learners think of another word that rhymes with this word
- **Blending:** Sound out a word e.g. st-air. Learners construct the word with their letters or do a ‘quick-write’ and write it on a whiteboard or slate. Learners think of and write another word that rhymes with this word.
• **Segmenting:** Learners work in pairs to segment words on the board into 2/3 sounds, i.e. onset and rime.

• **Written Task:** Learners re-arrange groups of letters to make words, e.g. fagl = flag.

• **Written Task:** Word Sort: Give learners sets of word cards. Have them sort the word cards into rhyming groups, i.e. word families. Learners can write their sorted words in columns.

• **Games:** Call out a word. Learners take it in turns to see how many rhyming words they can think of. Learners can also do this in pairs. Each pair can write a list of all the rhyming words they can think of and then compare/contrast their list with other pairs.

• **Written Task:** Learners complete an activity from a Learner’s Book.

• **Written Task:** Learners choose words to complete sentences.

**SPELLING ACTIVITIES**

• **Written task:** Each day, learners write five of the PHONICS words and a short sentence for each word into their Spelling Books to revise for homework. (You need to provide the sentence. This has the advantage of sight word revision.)

• On Day 5 have a short, stress-free spelling test of the week’s words/sentence (as well as the sight words for the week).

**HANDWRITING: JOINED WRITING - SENTENCES**

**ACTIVITIES 1 & 2:**

• Write one-two sentences on the board, on writing strips or work-cards using some of the words you have used to teach/revise rhyming words and word families this week. The sentences should include high-frequency words previously taught. Learners copy the sentences. **Use one lesson for Assessment Task 1.**

**ASSESSMENT: Formal: recorded Assessment Task 1:**

Use the written activity on Day 5 (phonics) to rate the learners, recording any problems you have noticed, against the following milestone:

- Recognises and uses rhyming words e.g. fly, sky, dry.

Use one of the handwriting activities to rate the learners, recording any problems you have noticed, against the following milestones:

- Copies written text from the board, textbooks, workcards, etc. correctly, paying attention to correct letter formation and spacing
- Completes a writing task in a set time

**MILESTONES**

**Shared reading**
- Reads written texts as a whole class with teacher (shared reading) and discusses characters, plot and cultural values in the text
- Answers higher order questions based on the passage read in order to draw conclusions

**Group, guided reading**
- Reads aloud from book at own level in a guided reading group with teacher i.e. whole group reads same story
- Uses self-correcting strategies when reading eg practising the word before saying it aloud
- Reads with increasing fluency, speed and expression

**Paired/Independent reading**
- Reads independently at a more complex level for enjoyment from a variety of texts e.g. books from different cultures

**NOTE**
- Prepare the Language work/task.

**RESOURCES**
- A Big Book (published or home-made). It should be a story.
- Graded group readers or class readers for Guided Reading groups.
- Copies of summarised or shortened book reviews or diary entries for Group Reading.

**ACTIVITIES**

**DAY 1:**

**SHARED READING AND WRITING: INTRODUCING A SHARED TEXT**
- Introduce and orientate learners to a new shared text. The text must be a story with a clear beginning, middle and end. You can use a story, fable, legend or myth.

**WORD & SENTENCE LEVEL WORK/GROUP, GUIDED & INDEPENDENT READING/Writing**
- Teach 5 new vocabulary words based on the text.
- **Vocabulary task:** Learners write the 5 vocabulary words into their Personal Dictionaries. **Use for Assessment Task 1. Every learner should be assessed by the end of Week 3.**
- **Guided reading:** Blue Group. (Use for Assessment Task 1.)
- **Focus for the week:** Using self-correcting strategies when reading and reading with increasing fluency, speed and expression.
- **Independent reading:** Learners read a page or more of a graded reader and/or magazine or comic each day. **Use for Assessment Task 1. By the end of Week 3 all learners should have read a more complex variety of texts e.g. magazines and comics for enjoyment.**

**DAY 2:**

**SHARED READING AND WRITING: MODELED READING**
- Read the text to the learners modelling the following: pausing at full stops, looking carefully at illustrations for more information, reading fluently, pronouncing words correctly. Stop once or twice to model various decoding and comprehension skills.
- Afterwards check understanding by asking 3-4 wh questions.
WORD & SENTENCE LEVEL WORK/GROUP, GUIDED & INDEPENDENT READING/Writing

- Written Comprehension task: Learners complete a cloze activity based on the sequence of events in the story.
- Guided reading: Yellow Group (Use for Assessment Task 1.)
- Independent reading: (Use for Assessment Task 1.)

Day 3:
Shared Reading and Writing: Shared Reading

- Do Shared Reading with learners. Afterwards ask some open-ended questions to draw out any cause-effect relations in the story, e.g. e.g. What happened when _____ did _____? Why do you think ______ happened?

WORD & SENTENCE LEVEL WORK/GROUP, GUIDED & INDEPENDENT READING/Writing

- Language: Apostrophe: Write an example of a contraction on the board, e.g. can’t, I’m, it’s etc. You should try to use a contraction from the Shared Reading text. Explain that two words have been shortened into one to make the contraction, e.g. can + not = can’t, I + am = I’m, etc. Point out that the apostrophe shows that a letter (or letters) has been left out, e.g. in the word ‘can’t’ the letters ‘no’ have been left out.
- Draw attention to any contractions in the shared text.
- Language Task: Learners copy and complete a table of contractions, e.g.

<table>
<thead>
<tr>
<th>couldn’t</th>
<th>could __________</th>
</tr>
</thead>
<tbody>
<tr>
<td>can’t</td>
<td>_______ not, etc.</td>
</tr>
</tbody>
</table>

Use for Assessment Task 1.

- Guided reading: Green Group (Use for Assessment Task 1.)
- Independent reading: (Use for Assessment Task 1.)

Day 4:
Shared Reading and Writing: Re-reading

- Re-read the text together with learners. Make your voice softer but still use the pointer.

WORD & SENTENCE LEVEL WORK/GROUP, GUIDED & INDEPENDENT READING/Writing

- Sight words: Teach 5 new sight words. (These will be more meaningful if they are from the text or in a sentence.)
- Sight words task: Learners copy the 5 new sight words into their Spelling Books.
- Guided reading: Red Group (Use for Assessment Task 1.)
- Independent reading: (Use for Assessment Task 1.)
DAY 5:
SHARED READING AND WRITING: FINAL SHARED READING
• Read the Big Book as Shared Reading. One learner can be the ‘teacher’ and use the pointer.

WORD & SENTENCE LEVEL WORK/GROUP, GUIDED & INDEPENDENT READING/
WRITING
• Learners complete the written activity that they missed during Guided Reading.
• Group reading: Learners read a summarised or shortened book review or diary entry in their
  seating groups.

READING FOR ENJOYMENT
In addition to Reading and Writing focus time, there should be time each day or week for
Reading for enjoyment. During this time learners choose what they want to read or you read
aloud to them.
In Weeks 1-3, in addition to suitable books, try to provide learners with a selection of magazines
and comics to choose from. Use for Assessment Task 1.

ASSESSMENT: Formal: recorded Assessment Task 1:
Use Day 1 (Vocabulary task) to rate the learners, recording any problems you have
noticed, against the following milestone:
• Builds own word bank and personal dictionary. (Writing milestone)
Every learner should be assessed against this milestone by the end of Week 3.
Use Days 1-5 (Guided Reading) to rate the learners, recording any problems you have
noticed, against the following milestones:
• Reads aloud from book at own level in a guided reading group with teacher i.e. whole group reads same story
• Uses self-correcting strategies when reading eg practising the word before saying it aloud
• Reads with increasing fluency, speed and expression
Use Independent Reading and Reading for Enjoyment in Weeks 1-3 to rate the learners,
recording any problems you have noticed, against the following milestone:
• Reads independently at a more complex level for enjoyment from a variety of texts e.g. books from different
cultures
Use the written task on contraction to rate the learners, recording any problems you have
noticed, against the following WRITING milestone:
• Uses apostrophes in contractions eg can’t

### ACTIVITIES

**DAILY MORNING ORAL WORK: EACH DAY....**
- Discuss the day/month/weather/birthday charts, and any special happenings.
- Have 3-4 learners present (recount) an event or celebration they have recently experienced each day (for 2-4 minutes). **Use for Assessment Task 1. Every learner should be assessed by the end of Week 3.**
- Continue to write a ‘morning message’ on the board for the learners.

**LISTENING AND SPEAKING**

**ACTIVITY 1: SOCIAL CONVERSATION**
- Write 1-2 simple questions as ‘conversation starters’ on the board, e.g. *Where did you go on Saturday? What did you do there?*
- Learners work in pairs to ask the questions and have a social conversation with their partner. **Use for Assessment Task 1.**

**ACTIVITY 2: CRITICAL DISCUSSION**
- Use a topic relevant to the learners (and your community) to talk about with your class. Ask and discuss questions with the learners, e.g.
  - *In our community/area, what do you think is the most useful way to get around?*
  - *Which do you think is more useful, a bicycle or a car? Why do you say so?*
  - *Which is better for the environment, a bicycle or a car? Why do you say so?*

**ASSESSMENT: Formal: recorded Assessment Task 1:**

Use Morning Oral Work each day to rate the learners, recording any problems you have noticed, against the following milestone:
- Makes an oral presentation e.g. tells personal news, describes something experienced, recounts an event etc. **Every learner should be assessed against this milestone by the end of Week 3.**

Use Activity 1 to rate the learners, recording any problems against the following milestone:
- Engages in conversation as a social skill, accepting and respecting the way others speak

**MILESTONES**

**Phonics**
- Recognises and uses all phonics learnt so far
- Recognises and uses rhyming words e.g. fly, sky, dry
- Builds and sounds words at level of phonetic knowledge
- Uses both the letter sound as well as the letter name to spell words

**Handwriting**
- Copies written text from the board, textbooks, workcards, etc. correctly, paying attention to correct letter formation and spacing
- Completes a writing task in a set time

**NOTES**
- Prepare daily phonic oral activities and written tasks; prepare daily spelling words/sentences.

**ACTIVITIES**

**PHONICS: SYNONYMS**

**DAYS 1 - 5:**
- Introduce **synonyms**. Synonyms are words that have similar meanings. Dictionaries often use synonyms in their definitions. There are whole books of synonyms and special reference works, such as a thesaurus, that have clusters of words or phrases, all with similar meanings. These are particularly useful when you are looking for just the right word when writing.
- Each day give learners 2-3 sets of words (synonyms) to write sentences with. (Depending on the level of your learners you may encourage your stronger learners to use a thesaurus to look for synonyms of their own).
- To introduce the words, write a sentence using the focus word on the board. Ask learners to think of another word with a similar meaning that can be substituted in the sentence, e.g. *My mother gave me a *gift*; My mother gave me a present*.
- Suggested synonyms:
  - **Day 1**: hard – difficult; gift – present
  - **Day 2**: back – behind; annoy – bother
  - **Day 3**: high – tall; go – leave
  - **Day 4**: ask – question; thief - robber
  - **Day 5**: mistake – error; cure -heal
PHONICS ACTIVITIES: Each day, set a written task based on synonyms. Here are some suggestions:

- **Written Task**: Learners choose words to copy and compete sentences.
- **Written Task**: Learners use a dictionary to look up words and then find/think of synonyms.
- **Written Task**: Learners use a thesaurus to find synonyms for a list of words.
- **Written Task**: Learners write sentences of their own.
- **Written Task**: Learners complete an activity from a Learner’s Book.

SPELLING ACTIVITIES

- **Written task**: Each day, learners write the synonyms and a short sentence for each word into their Spelling Books to revise for homework.
- On Day 5 have a short, stress-free spelling test of the week’s words/sentence (as well as the sight words for the week).

HANDWRITING: JOINED WRITING - SENTENCES

ACTIVITIES 1 & 2:

- Write one-two sentences on the board, writing strips or work-cards using some of the synonyms you have used/taught this week. The sentences should include high-frequency words previously taught. Learners copy the sentences.

MILESTONES

- **Shared reading**
  - Reads written texts as a whole class with teacher (shared reading) and discusses characters, plot and cultural values in the text
  - Answers higher order questions based on the passage read in order to draw conclusions

- **Group, guided reading**
  - Reads aloud from book at own level in a guided reading group with teacher i.e. whole group reads same story
  - Uses self-correcting strategies when reading e.g. practising the word before saying it aloud
  - Reads with increasing fluency, speed and expression

- **Paired/Independent reading**
  - Reads independently at a more complex level for enjoyment from a variety of texts e.g. books from different cultures
  - Builds own word bank and personal dictionary. (Writing milestone)

NOTE

- Prepare the Language work/task and the Vocabulary Words Task (Day 4).

RESOURCES

- Graded group readers or class readers for Guided Reading groups/Independent Reading.
- Copies of a suitable text for Group Reading.

ACTIVITIES

DAY 1:

**SHARED READING AND WRITING: INTRODUCING SHARED WRITING**

- Reread the shared text. Revise the sight and vocabulary words from Week 2.
- **Introduce shared writing.** Talk about how all stories have a beginning, middle and an end. Explain that you are going to write a story summary (of Week 2’s Shared Reading text) but that you are going to write a slightly different (alternative) ending for the story.
- First discuss an alternative ending with the learners. You will need to ask questions to prompt learners, e.g. *What would have happened if ________?*
- Remember that, to prepare for shared writing, you should write your own sample text beforehand. As you write you must remember to: 1. Ask learners prompt questions. 2. Help learners to construct sentences 3. Involve learners as you write the sentences.
- Stop after 3-4 sentences and continue the next day.

**WORD & SENTENCE LEVEL WORK/GROUP, GUIDED & INDEPENDENT READING/Writing**

- **Vocabulary task:** Learners write the 5 vocabulary words into their Personal Dictionaries. **Use for Assessment Task 1. Every learner should be assessed by the end of Week 3.**
- **Guided reading:** Yellow Group.
- **Focus for the week:** Using self-correcting strategies when reading, and reading with increasing fluency, speed and expression.
- **Independent reading:** Learners read a page or more of a graded reader and/or magazine or comic each day. **Use for Assessment Task 1. By the end of Week 3 all learners should have read a more complex variety of texts e.g. magazines and comics for enjoyment.**
DAY 2:
SHARED READING AND WRITING: SHARED WRITING CONTINUED.
• Complete the story summary with an alternative ending. Edit sentences to ensure that they link together.
• Check the spelling of sight words with learners. Encourage learners to use a dictionary to check any new spellings.

WORD & SENTENCE LEVEL WORK/GROUP, GUIDED & INDEPENDENT READING/Writing
• Language: Learners complete a written activity to consolidate punctuation learnt this year, e.g. capital letters, exclamation marks, apostrophes in contractions.

DAY 3:
SHARED READING AND WRITING: SHARED READING
• Do shared reading of the class text (story summary).

WORD & SENTENCE LEVEL WORK/GROUP, GUIDED & INDEPENDENT READING/Writing
• Language: Sentence parts: Write a simple sentence on the board. Identify (revise) the parts of speech in the sentence, e.g. The lazy boy sat on the chair.

<table>
<thead>
<tr>
<th>Tom</th>
<th>plays</th>
<th>soccer</th>
</tr>
</thead>
<tbody>
<tr>
<td>noun</td>
<td>verb</td>
<td>noun</td>
</tr>
</tbody>
</table>

• Explain that sentences always contain a verb. All sentences have two parts – a part that tells what the sentence is about – a person, thing or idea – and a part that tells what the person, thing or idea does or did.
• Use the example sentence you wrote to demonstrate this, e.g. ‘plays’ is the verb. By asking “who or what plays?” we can work out that ‘Tom’ is the part that tells us what the sentence is about (called the subject). By asking “plays what?” we can work out that the word ‘soccer’ tells us what Tom did (called the object).
• Write a few, example sentences on the board and, together with the learners, identify the verb, subject and object in each sentence.
• Language task: Provide a written activity based on identifying parts of speech in a sentence (including subject and object).
• Note: At this level learners do not necessarily have to use the terms ‘subject’ and ‘object’, they simply need to be able to identify the verb and say who/what the verb refers to.
DAY 4:
SHARED READING AND WRITING: RE-READING
• Re-read the class text with the learners.

WORD & SENTENCE LEVEL WORK/ GROUP, GUIDED & INDEPENDENT READING/ WRITING
• Vocabulary Words Task: Learners complete a task of sorting a selection of vocabulary words into categories, e.g. transport words, weather words, etc.

DAY 5:
SHARED READING AND WRITING: FINAL SHARED WRITING
• Learners re-read the text together. One learner can be the ‘teacher’ and use the pointer.

WORD & SENTENCE LEVEL WORK/GROUP, GUIDED & INDEPENDENT READING/ WRITING
• Learners complete the written activity that they missed this week during Guided Reading.
• Group/paired reading: Learners read a short, simple text in their seating groups.

ASSESSMENT: Formal: recorded Assessment Task 1:
Use Day 1 (Vocabulary task) to rate the learners, recording any problems you have noticed, against the following milestone:
• Builds own word bank and personal dictionary. (Writing milestone)

Every learner should be assessed against this milestone by the end of Week 3.

Use Independent Reading and Reading for Enjoyment in Weeks 1-3 to rate the learners, recording any problems you have noticed, against the following milestones:
• Reads independently at a more complex level for enjoyment from a variety of texts e.g. books from different cultures
### WEEK 3 WRITING

**LO/ASs**  
LO 4 AS 1,2,3,4,6

**MILESTONES**  
- Uses pre-writing strategies to gather information and plan writing  
- Drafts, writes, edits and publishes own story of at least two paragraphs  
- Uses some narrative devices when writing e.g. dialogue  
- Writes a selection of short texts for different purposes e.g. recounts, letters, dialogues, descriptions  
- Uses phonics knowledge and spelling rules to write more difficult words  
- Uses a dictionary to find new vocabulary and check spelling  
- Uses apostrophes in contractions e.g. can’t  
- Builds own word bank and personal dictionary

### ACTIVITIES

**ACTIVITY 1: PRE-WRITING DISCUSSION**  
- Explain that learners are going to write a short story of their own.  
- In pairs, learners should talk about stories that they know or have heard. Through their discussion learners must decide what story they want to use for their writing. Depending on the level of your learners you may choose to give them the beginning of a paragraph, a picture or a sequence from a comic or cartoon story to base their stories on.  
- Explain that learners’ stories should contain some dialogue, i.e. what the different characters in the story say to each other. (You may need to show learners in the shared reading text how to use quotation marks.)

**ACTIVITY 2: DRAFTING AND REVISING**  
- Before learners write their story they need to plan it carefully. Stories must be at least two paragraphs long and have a clear beginning, middle and end.  
- Learners plan their stories and write a draft.  
- They read their draft to a partner to see if it makes sense. Learners then revise their writing.

**ACTIVITY 3: WRITING, EDITING, PUBLISHING**  
- Learners self-edit their work for punctuation and spelling and then write a neat, final copy of their stories.  
- Learners read their stories aloud in small groups. *Use for Assessment Task 1.*

### ASSESSMENT: Formal: recorded Assessment Task 1:

Use the writing activities 1-3 to rate the learners, recording any problems you have noticed, against the following milestones:  
- Uses pre-writing strategies to gather information and plan writing  
- Drafts, writes, edits and publishes own story of at least two paragraphs  
- Uses some narrative devices when writing e.g. dialogue

**ACTIVITIES**

**DAILY MORNING ORAL WORK: EACH DAY....**
- Discuss the day/month/weather/birthday charts, and any special happenings.
- Continue to use the charts and the clock as the basis for word problems for the learners to solve. Use the activities to emphasise the use of correct terminology for the different learning areas. (See Term 3, Week 8.) **Use for Assessment Task 2.**
- Continue to write a ‘morning message’ on the board for learners. (See Terms 1-3.)

**LISTENING AND SPEAKING**

**ACTIVITY 1: LISTEN, LAUGH AND TALK**
- Divide learners into small groups. Give each group a selection of jokes and riddles.
- Each group member chooses a joke/riddle to tell using appropriate volume and intonation as well as gestures and facial expressions. The other group members listen.
- Learners discuss why the joke/riddle was funny and who they think would enjoy it, e.g. younger children, older people, people who understand language very well, etc.
- Each group reports back, saying which joke/riddle they thought was the best and why.
- Afterwards, learners can fill in a Peer Assessment form.

**PEER ASSESSMENT**

- Use the completed form, together with your own observations for **Assessment Task 2.**
ACTIVITY 2: WHOSE...? QUESTIONS

• Together with the learners ask and answer a range of ‘Whose ....?’ questions, e.g. Whose ruler is this? Whose bag is that? etc.
• Explain that when you ask a question with the word ‘whose’, the answer should include the name of a person. Using ‘whose’ is like asking who it belongs to.
• To practise the structure, learners can work in pairs to ask and answer questions about objects in the classroom, e.g. Whose pencil is this? Whose ball is that? etc.

ASSESSMENT: Formal: recorded Assessment Task 2:

Use Morning Oral Work each day to rate the learners, recording any problems you have noticed, against the following milestone:
• Understands and uses appropriate language of different learning areas

- Introduce a Grade 3 level Big Book or a text from a class reader. The text should be a story that communicates specific cultural values, attitudes and assumptions, e.g. respecting and caring for elders, valuing education, assumptions based on gender stereotypes, etc.
- Orientate learners to the text as before. Do a picture walk.
- Show learners a single page (or double spread) of the text to look at quickly (i.e. scan). Ask learners to name the characters in the story or another specific detail, e.g. the setting. (The purpose of this activity is to have learners scan for specific details.)
- Focus on prediction skills: Have a brief class discussion on what the learners think the story will be about.

**WORD & SENTENCE LEVEL WORK/GROUP, GUIDED & INDEPENDENT READING/Writing**
- Teach 5 new vocabulary words based on the text.
- **Vocabulary task**: Learners write the vocabulary words into their Personal Dictionaries. **Use for Assessment Task 2. Every learner should be assessed by the end of Week 5.**
• **Guided reading:** Yellow Group
• **Focus for the week:** Reading with increased fluency, speed and expression.
• **Independent reading:** Learners read a page or more of a graded reader and/or magazine or comic each day. Use for Assessment Task 2. By the end of Week 5 all learners should have read a variety of texts e.g. magazines and comics for enjoyment.

**DAY 2:**
**SHARED READING AND WRITING: MODELED READING**
• Read the text to the learners.
• Afterwards check understanding by asking 3 - 4 oral *wh* questions (*who...*, *where...*, *what happened...*, *why...*).

**WORD & SENTENCE LEVEL WORK/GROUP, GUIDED & INDEPENDENT READING/WRITING**
• **Written Comprehension task:** Learners write individual responses to questions based on the text. The questions should focus on the cultural values in the story and also provide an opportunity for learners to say whether they enjoyed the story or not, giving reasons. Use learners’ written responses for Assessment Task 2.
• **Guided reading:** Blue Group; Independent reading. Use for Assessment Task 2.

**DAY 3:**
**SHARED READING AND WRITING: SHARED READING**
• Do shared reading with the learners.
• Choose a single picture in the text to focus on. The picture should relate to the cultural values and assumptions conveyed by the text, e.g. a young boy walking with his grandfather, boys walking home from school, girls playing soccer, etc.
• Talk about what learners can see in the picture and the values, attitudes and assumptions conveyed by the picture.
• Afterwards learners can write individual responses to describe the values they think are communicated by the picture.

**WORD & SENTENCE LEVEL WORK/GROUP, GUIDED & INDEPENDENT READING/WRITING**
• **Language:** Draw attention to any conjunctions used in the text. Revise using conjunctions and pronouns to join two short sentences to make one longer sentence.
• **Language task:** Learners complete an activity from a Learner’s Book based on conjunctions and pronouns. Use for Assessment Task 2.
• **Guided reading:** Red Group; Independent reading. Use for Assessment Task 2.
DAY 4:
SHARED READING AND WRITING: RE-READING THE TEXT
• Re-read the text together with learners. Make your voice softer but still use the pointer.

WORD & SENTENCE LEVEL WORK/GROUP, GUIDED & INDEPENDENT READING/WRITING
• **Language:** Draw attention to the verbs in the text. Use a sentence from the shared text. Identify the verb in the sentence. Revise subject-verb agreement, e.g. *The man walked down the path.* *The men walk down the path.*
• **Sight words:** Teach 5 new sight words.
• **Sight Words Task:** Learners write 5 sight words into their Spelling Books.
• **Guided reading:** Green Group; Independent reading. Use for Assessment Task 2.

DAY 5:
SHARED READING AND WRITING: FINAL SHARED READING
• Learners read the book to you. One learner can be the ‘teacher’ and use the pointer.

WORD & SENTENCE LEVEL WORK/GROUP, GUIDED & INDEPENDENT READING/WRITING
• Learners complete the written activity that they missed during Guided Reading.
• **Group/paired reading:** Learners read a simple pamphlet in their seating groups.

READING FOR ENJOYMENT
In addition to Reading and Writing focus time, there should be time each day or week for Reading for enjoyment. During this time learners choose what they want to read or you read aloud to them. In Weeks 4-5 try to provide learners with a selection of magazines and comics to choose from. Use for Assessment Task 2.
ASSESSMENT: Formal: recorded Assessment Task 2:

Use Day 2 (Shared Reading) and the written comprehension to rate the learners, recording any problems you have noticed, against the following milestones:
• Reads written texts as a whole class with teacher (shared reading) and discusses characters, plot and cultural values in the text
• Expresses whether a story was liked and is able to justify answer

Use the language task on Day 3 (conjunctions) to rate the learners, recording any problems you have noticed, against the following milestone:
• Uses conjunctions to form compound sentences (Writing milestone)

Use Day 1 (Vocabulary task) to rate the learners, recording any problems you have noticed, against the following milestone:
• Builds own word bank and personal dictionary. (Writing milestone)

Every learner should be assessed against this milestone by the end of Week 5.

Use Independent Reading and Reading for Enjoyment in Weeks 4-5 to rate the learners, recording any problems you have noticed, against the following milestone:
• Reads independently at a more complex level for enjoyment from a variety of texts e.g. books from different cultures
WEEK 4 WRITING

LO/ASs

LO 4 AS 4

MILESTONES

• Writes about personal experiences in different forms e.g. as a newspaper article
• Uses informational structures when writing e.g. experiments, recipes
• Discusses own and others' writing to get and give feedback
• Makes own book and contributes to class book collection

NOTE

• Prepare instructions for making a book on a large sheet of paper to display at the front of the class.

ACTIVITIES

ACTIVITIES 1-3: MAKING A BOOK

• Explain that learners will use all the stories they have written this year to make their own story book. Show learners the instructions you have prepared for making the book, e.g.

1. Make a cover for your book. Remember to include your name as the author.
2. On the back cover write a few sentences that say what the book is about, e.g. This is full of my best stories. Enjoy them!
3. On the contents page, write down the name or title of each story you have written. If possible, give your book page numbers.
4. Now staple all the pages together containing your stories and put the cover on the book.
5. When your book is ready, put it in the class library so that other learners can read it.

• Remind learners that the front cover of a book should make you want to read it. It gives the name of the book, the author or authors and the company that made or published the book. The back cover tells you what the book is about. The contents page tells you the name of all the chapters and what page they start on. Use for Assessment Task 2.

Note: In the learners’ stories were not written on loose sheets of paper but in an exercise book you may wish to vary this activity to make it a single, class or group book. During the week, set a writing task so that each learner writes a story to include in the class/group book.

ASSESSMENT: Formal: recorded Assessment Task 2:

Use Activities 1-3 to rate the learners, recording any problems you have noticed, against the following milestone:

• Makes own book and contributes to class book collection.

- Introduce the story to the learners and draw on their prior knowledge (their worlds).
- Introduce any new words needed.
- Read the story to the learners in a lively, interactive way.
- Write 4-5 questions about the story on the board, e.g. Where did the story take place? Who was the main character in the story, etc. Include 1-2 open-ended questions, e.g. Why do you think _________?
- Learners write individual responses to the questions. Use for Assessment Task 2

- Recognises hard and soft sounds e.g. c as in rice; g as in age
- Recognises and uses synonyms and antonyms
- Builds and sounds words at level of phonetic knowledge

Handwriting
- Copies written text from the board, textbooks, workcards, etc. correctly, paying attention to correct letter formation and spacing

ACTIVITIES

PHONICS: HARD AND SOFT SOUNDS (C, G), DIAGRAPH - GH, GHT

- Write words with hard and soft ‘c’ on the board, e.g. cat, cake, / city, cents, circus
- Read the words together with the learners. Point out that the letter ‘c’ makes a different sound in each group of words. Explain that when ‘c’ is followed by ‘e’, ‘i’, or ‘y’ the ‘c’ is usually soft. Soft ‘c’ makes the sound ‘s’.
- Write words with hard and soft ‘g’ on the board, e.g. giraffe, stage, orange, / green, grass.
- Read the words together with the learners. Point out that ‘g’ makes a different sound in each group of words. Explain that when ‘g’ is followed by ‘e’, ‘i’, or ‘y’ the ‘g’ is usually soft. Soft ‘g’ makes the sound ‘j’.
- Write words with ‘gh’ and ‘ght’ on the board, e.g. thought, caught, taught, tough, rough, drought, etc.
- Explain that when ‘g’ is followed by ‘h’, in most cases, it stands for the ‘f’ sound, e.g. tough, rough, cough. If the ‘gh’ is followed by a ‘t’, e.g. light, taught, thought, the ‘gh’ sound is silent and we only hear the letter at the end of the word, e.g. ‘t’.
- Write a list of words on the board. The list should include examples of hard and soft ‘c’ and ‘g’ words. Together with the learners sort the words into columns, e.g.

### DAILY PHONICS ACTIVITIES

Choose 2 oral activities and 1 written task each day. You may find that you use more written activities than oral ones this week. Choose one of the written activities to use for **Assessment Task 2**.

- **Oral:** Say a word. Learners can say whether they think the word has a hard or soft c/g sound in it.
- **Oral:** Give learners a list of words (written on the board). Learners read the words and say if each has a soft/hard sound.
- **Oral:** Learners read a list of words aloud to a partner and identify instances where ‘gh’ stands for ‘f’ and when it is silent.
- **Written Task:** Learners identify words with hard and soft c/g in sentences.
- **Written Task:** Learners match words and pictures with hard/soft c/g sounds.
- **Written Task:** Learners write sentences using words with hard/soft c/g sounds.
- **Written Task:** Learners sort words into columns of hard and soft c/g sounds.

### DAILY SPELLING ACTIVITIES

- **Written task:** Each day, learners write five of the PHONICS words and a sentence into their Spelling books to revise for homework.
- On Day 5 have a short, stress-free spelling test of the week’s words/sentence (as well as the sight words for the week).

### HANDWRITING: JOINING LETTERS JOINED WRITING - SENTENCES

**ACTIVITIES 1 & 2:**
- Write one-two sentences on the board, writing strips or work-cards using some of the hard/soft c/g words you have used/taught this week. The sentences should include high-frequency words previously taught. Learners copy the sentences.

### ASSESSMENT: Formal: recorded Assessment Task 2:

Use one of the written activities from this week’s phonics to rate the learners, recording any problems against the following milestone:
- Recognises hard and soft sounds e.g. c as in rice; g as in age.

WORD & SENTENCE LEVEL WORK/GROUP, GUIDED & INDEPENDENT READING/WRITING

• Comprehension task: Learners complete a comprehension based on the advert. The questions should focus on learners analysing the values, attitudes and assumptions conveyed by the advertisement, e.g. that only women do the family washing. Use for Assessment Task 2.

• Guided reading: Blue Group (Use for Assessment Task 2.)

• Independent reading: Use for Assessment Task 2.

DAY 3:
SHARED READING AND WRITING: INTRODUCING A SHARED TEXT

• Introduce a Grade 3 level non-fiction/information text. (Try to use a text that demonstrates a sequence, e.g. the water cycle)

• Orientate learners to the text as before.

• Sight words: Teach 5 new sight words.

• Sight Words Task: Learners write 5 sight words into their Spelling Books.

Carnival fun!

Saturday afternoon was carnival time in the Queens town centre. The crowds were entertained by clowns, musicians and jugglers.
A big costume parade took place at 2 o’clock. The carnival finished at 5pm with a fantastic firework display. “It was the best day of my life!” said Julie White, who went to the carnival with her best friend, Veruska Getti.

```

- Talk about the features of a newspaper article, e.g. the purpose is to inform or give facts, the style is often serious (formal register), a headline is included, the writer’s (reporter) name is included.
- Explain that learners will write a ‘newspaper’ article of their own about an important event that they have experienced (in or out of school).
- Have learners work in pairs to talk about what they want to write their article on.
- **Note:** Depending on the level of your learners and the current events in/around your community, you may want to give learners a specific event to write on, e.g. the school fete.

- Learners each write a draft article. They read their draft to a friend to check for sense and make adjustments/corrections.
- Learners edit their own writing by correcting spelling, punctuation, etc.
- Learners write a neat version of their newspaper article.
- Learners publish their article by reading it aloud to a partner or in small groups. **Use for Assessment Task 2.**

*Note: In the next lesson learners will write their own recipe. Ask them to find out from home a simple recipe that they can write.*

**ACTIVITY 3: WRITING**

- On Day 4 in Shared reading learners sequence the steps in making a recipe. Using a similar format let learners write their own recipe. **Use for Assessment Task 2.**

**ASSESSMENT: Formal: recorded Assessment Task 2:**

Use Activities 1-2 to rate the learners, recording any problems you have noticed, against the following milestones:

- Writes about personal experiences in different forms e.g. as a newspaper article

WEEK 6  |  ORAL WORK AND LISTENING & SPEAKING
--- | ---
LO/ASs | LO 1 AS 1,4  |  LO 2 AS 1,5,7

**MILESTONES**
- Listens to a story and works out cause and effect
- Expresses feelings and opinions about a text and gives reasons
- Plans and makes an oral presentation e.g. tells personal news, describes something experienced, recounts an event etc. using a visual aid
- Discusses solutions to a problem using higher order thinking skills

**ACTIVITIES**

**DAILY MORNING ORAL WORK:**
- Discuss the day/month/weather/birthday charts, and any special happenings.
- Continue to use the charts and the clock as the basis for word problems for the learners to solve. (See Term 3, Week 8.)
- Continue to write a ‘morning message’ on the board for the learners. It should be on the board when they arrive. Learners read it silently and then ask questions and discuss it with you.
- Remind learners that when sharing personal news it is important to describe events in an interesting way, vary the pitch of your voice and maintain eye contact. Demonstrate this by sharing some personal news of your own. First present your news in a ‘flat’, monotonous voice, avoiding eye contact, etc. and then present the same news varying the pitch and volume of your voice, maintaining eye contact, etc. Discuss the difference between the two presentations.
- From Day 2 onwards, have 3-4 learners each day share 3-4 minutes of personal or family news. Use for Assessment Task 3. Every learner should be assessed by the end of Week 8.

**LISTENING AND SPEAKING**

**ACTIVITY 1: READ ALOUD**
- Read a short, suitable myth or legend to the learners. You could choose a myth/legend from a picture book, text book or reader.
- Introduce the story to the learners and draw on their prior knowledge. Introduce any new words.
- Read the story to the learners in a lively, interactive way. Use for Assessment Task 3.

**ACTIVITY 2: RESPONDING TO STORY**
- Ask learners some questions about the story, e.g. *Who was in the story? Where did the story take place? How did the story begin? What happened next? etc.*
- Ask learners questions to draw out any cause and effect relations in the story, e.g. *Why did ____________? What happened when___________?* Learners can write individual responses to these questions. Use for Assessment Task 3.
ASSESSMENT: Formal: recorded Assessment Task 3:

Use Morning Oral Work each day to rate the learners, recording any problems you have noticed, against the following milestone:

• Plans and makes an oral presentation e.g. tells personal news, describes something experienced, recounts an event etc. using a visual aid

Every learner should be assessed against this milestone by the end of Week 8.

Use Activities 1 and 2 to rate the learners, recording any problems you have noticed, against the following milestone:

• Listens to a story and works out cause and effect
**WEEK 6**  
**PHONICS & SPELLING + HANDWRITING**

<table>

<tr>
<th>LO/ASs</th>
<th>LO 3 AS 4</th>
<th>LO 4 AS 5, 7</th>
<th>LO 6 AS 1,6</th>
</tr>
</thead>
</table>

**MILESTONES**

*Phonics*
- Recognises and uses prefixes e.g. un-, re- and suffixes e.g. –ful, -ness
- Recognises vowels with two sounds e.g. ere as in here, air as in stair, are as in bare
- Builds and sounds words at level of phonetic knowledge
- Uses both the letter sound as well as the letter name to spell words

*Handwriting*
- Copies written text from the board, textbooks, workcards, etc. correctly, paying attention to correct letter formation and spacing
- Completes a writing task in a set time

**NOTES**
- Prepare daily phonic oral activities and written tasks; prepare daily spelling words/ sentences.

**ACTIVITIES**

**PHONICS: SUFFIXES**

**DAYS 1 - 5:**

- Write the word ‘painful’ on the board. Read it with the learners. Rub out ‘ful’. Explain that **ful** is a group of letters that is added to the end of the word ‘pain’ to make a new word (i.e. it is a suffix).

- **Days 1-4:** Teach rules for adding suffixes. Teach one rule a day. Use words written on the board to demonstrate the rules.
  - When you add **ful** to any word, drop the second ‘l’: thankful, forgetful, awful, powerful, spoonful, peaceful, thoughtful, painful. (Note that you sometimes have to make other things change too, e.g. beauty + full = beautiful)
  - When you add a ‘y’ or a suffix that begins with a vowel (a,e,i,o,u) to a word that ends with a silent ‘e’, drop the silent ‘e’: joke-joked, nature-natural, scare-scary, pure-purer

- Use approximately 10-15 of the words you used to teach the rules for adding suffixes as part of Week 6’s spelling words.
- Point out any suffixes in the shared text.
- **Day 5:** Teach learners the ‘ere’ sound, i.e. vowel blends with 2 sounds (also called r-controlled vowel sounds).
- Write a set of words containing the sound on the board and read the words together with the learners, e.g. *here, there, where.*
PHONICS ACTIVITIES: Each day, choose two oral activities and a written task. Your activities for adding suffixes onto words will mostly be written. You can therefore use the week’s oral activities to also consolidate some of the sounds/spellings taught this year. Here are some suggestions:

- **Blending:** Sound out a word. Learners put the sounds together to make a word.
- **Blending:** Sound out a word. Learners construct the word with their letters or do a ‘quick-write’ and write it on a whiteboard or slate.
- **Segmenting:** Learners work in pairs to segment words on the board into 2/3 sounds.
- **Written Task:** Learners re-arrange groups of letters to make words.
- **Written Task:** Learners choose the correct letters to complete words/sentences.
- **Written Task:** Word Sort: Give learners sets of word cards. Have them sort the word cards first in any way they choose such as by common sounds or word length. Then suggest a way for the learners to sort the words. Make sure that the words you provide can be sorted in more than one way.
- **Written Task:** Learners add suffixes to a list of words (using correct spelling).
- **Written Task:** Learners choose the correct form of a word to complete sentences, e.g. *Come here (quick / quickly)*.
- **Written Task:** Learners choose the correct spellings, e.g. happily hapily happile

SPELLING ACTIVITIES

- **Written task:** Each day, learners write five of the PHONICS words and a short sentence for each word into their Spelling Books to revise for homework.
- On Day 5 have a short, stress-free spelling test of the week’s words (as well as the sight words for the week). Use for Assessment Task 3.

HANDWRITING: JOINED WRITING - SENTENCES

ACTIVITIES 1 & 2:

- Write one-two sentences on the board, writing strips or work-cards using some words you have used/taught this week that have suffixes. The sentences should include high-frequency words previously taught. Learners copy the sentences.

ASSESSMENT: Formal: recorded Assessment Task 3:

Use this week’s spelling test to rate the learners, recording any problems against the following milestone:

- Recognises and uses prefixes e.g. un-, re- and suffixes e.g. -ful, -ness

#### Milestones
- **Shared reading**
  - Reads written texts as a whole class with teacher (shared reading) and discusses characters, plot and cultural values in the text.
  - Answers higher order questions based on the passage read in order to draw conclusions.

- **Group, guided reading**
  - Reads aloud from book at own level in a guided reading group with teacher i.e. whole group reads same story.
  - Uses self-correcting strategies when reading e.g. practising the word before saying it aloud.
  - Reads with increasing fluency, speed and expression.
  - Plays word games that draw on reading and vocabulary knowledge and skills.

- **Paired/Independent reading**
  - Reads aloud to a partner.
  - Reads independently at a more complex level for enjoyment from a variety of texts e.g. books from different cultures.
  - Builds own word bank and personal dictionary. *(Writing milestone)*

#### NOTE
- Prepare the Language work/task.

#### Resources
- A Big Book (published or home-made). It should be a non-fiction/information text.
- Graded group readers or class readers for Guided Reading groups.
- Copies of a textbook from another Learning Area for Group Reading.

### ACTIVITIES

**DAY 1:**

**Shared reading and writing: Introducing a shared text**
- Introduce a Grade 3 level non-fiction/information text with diagrams and/or photographs.
- Orientate learners to the text as before. Do a picture walk.
- If applicable, show learners the contents page of the non-fiction book you are using. Talk about the function of a contents page and index and demonstrate how to use these features to find information.

**Word & sentence level work/group, guided & independent reading/writing**
- Teach 5 new vocabulary words based on the text.
- Vocabulary task: Learners write the vocabulary words into their Personal Dictionaries. *Use for Assessment Task 3. Every learner should be assessed by the end of Week 8.*
- Guided reading: Yellow Group.
- Focus for the week: Using self-correction strategies; reading with increasing fluency, speed and expression.
- Independent reading: Learners read a page or more of a graded reader, magazine, comic, diary and/or advertisement each day. *Use for Assessment Task 3.* By the end of Week 8 all learners should have read a variety of texts e.g. magazines and comics for enjoyment.
DAY 2:
SHARED READING AND WRITING: MODELED READING
• Read the non-fiction/information text to the learners, modelling the following: interpreting diagrams (and getting more information), analysing photographs, reading captions, linking photographs to text.
• Afterwards check understanding by asking 3 - 4 wh questions and asking 1 –2 open ended questions e.g. Do you think _______?

WORD & SENTENCE LEVEL WORK/GROUP, GUIDED & INDEPENDENT READING/WRITING
• Comprehension task: Learners complete a comprehension based on the shared reading text. Higher order questions that require learners to draw conclusions must be included. Use for Assessment Task 3.
• Guided reading: Blue Group; Independent reading. Use for Assessment Task 3.

DAY 3:
SHARED READING AND WRITING: SHARED READING
• Do Shared Reading based on the non-fiction/information text.
• Learners can work in pairs to each make up and answer oral questions about the main idea, photographs and/or information in the text.

WORD & SENTENCE LEVEL WORK/GROUP, GUIDED & INDEPENDENT READING/WRITING
• Language: Teach learners the Continuous or Progressive form of the present tense. (The Continuous or Progressive form is used frequently in the present tense. For example, “I am reading a book at the moment,” shows that the action continues over a period of time. You could introduce the present continuous/progressive tense to grade 3 learners as an example of more complex tenses, followed by the present perfect continuous/progressive.)

Note: Unlike Grades 1 & 2, where learners need only use the simple past, present and future tenses, in Grade 3 learners are expected to use more complex tenses. In English there are several different forms of each tense. These can indicate that an action is continuous (rather than a one-off action) or that the action took place before (prior to) another action. Most home language learners should already be able to use these different forms automatically in spoken language.
• Introduce the present Continuous tense. Write a table on the board to compare the simple present and present continuous tenses, e.g.

<table>
<thead>
<tr>
<th>Simple</th>
<th>Continuous/Progressive</th>
</tr>
</thead>
<tbody>
<tr>
<td>He plays with his friends.</td>
<td>He is playing with his friends.</td>
</tr>
<tr>
<td>I eat my lunch.</td>
<td>I am eating my lunch.</td>
</tr>
</tbody>
</table>
Note: It is not necessary to teach the names of the different forms of the tense—you can simply use sentences or questions that would require learners to automatically use the correct form of the tense.

- Learners do not always have to be assessed in writing—an oral assessment could also be acceptable. One way in which learners can demonstrate that they can use the Continuous/Progressive form of the verb would be by answering questions such as "What are you reading at the moment?"
- Language task: Provide a written/oral activity based on the present continuous/progressive tense, e.g. learners can answer questions or complete sentences.
- Guided reading: Green Group; Independent reading Use for Assessment Task 3.

DAY 4:
SHARED READING AND WRITING: RE-READING THE TEXT
- Re-read the text together with learners. Make your voice softer but still use the pointer.

WORD & SENTENCE LEVEL WORK/GROUP, GUIDED & INDEPENDENT READING/Writing
- Sight words: Teach 5 new sight words.
- Sight Words Task: Learners write 5 sight words into their Spelling Books.
- Language Task: Learners complete a written activity to revise/consolidate tenses learnt this year.
- Guided reading: Red Group; Independent reading Use for Assessment Task 3.

DAY 5:
SHARED READING AND WRITING: FINAL SHARED READING
- Learners read the book to you. One learner can be the ‘teacher’ and use the pointer.

WORD & SENTENCE LEVEL WORK/GROUP, GUIDED & INDEPENDENT READING/Writing
- Learners complete the written activity that they missed during Guided Reading.
- Group/paired reading: Learners read a page from a textbook in another Learning Area in their seating groups.

READING FOR ENJOYMENT
In addition to Reading and Writing focus time, there should be time each day or week for Reading for enjoyment. During this time learners choose what they want to read or you read aloud to them.
In Weeks 6-8 try to provide learners with a selection of magazines, comics, diaries and/or advertisements to choose from. Use for Assessment Task 3.
ASSESSMENT: Formal: recorded Assessment Task 3:

Use Day 2 (Comprehension task) and your observations from the shared reading to rate the learners, recording any problems you have noticed, against the following milestones:

- Reads written texts as a whole class with teacher (shared reading) and discusses characters, plot and cultural values in the text
- Answers higher order questions based on the passage read in order to draw conclusions

Use Day 1 (Vocabulary task) to rate the learners, recording any problems you have noticed, against the following milestone:

- Builds own word bank and personal dictionary. (Writing milestone)

Every learner should be assessed against this milestone by the end of Week 8.

Use Independent and Paired Reading and Reading for Enjoyment in Weeks 6-8 to rate the learners, recording any problems you have noticed, against the following milestones:

- Reads aloud to a partner
- Reads independently at a more complex level for enjoyment from a variety of texts e.g. books from different cultures
## WEEK 6 WRITING

### LO/ASs
LO 4 AS 1,2,4,6

### MILESTONES
- Uses pre-writing strategies to gather information and plan writing
- Drafts, writes, edits and publishes own story of at least two paragraphs
- Writes a selection of short texts for different purposes e.g. recounts, letters, dialogues, descriptions
- Uses phonics knowledge and spelling rules to write more difficult words
- Uses a dictionary to find new vocabulary and check spelling

### NOTE
- Prepare a selection of scenarios describing situations relevant to the learners' lives etc. Learners will base their dialogues on one of the scenarios.

### RESOURCES
- A selection of scenarios written on the board or on large sheets of paper beforehand.

## ACTIVITIES

### ACTIVITY 1: PRE-WRITING - DISCUSSION AND PLANNING
- Show learners an example of a dialogue (dealt with in Term 3 Week 5). This can be from a Big Book or class reader. Talk about the features of a dialogue.
- Show learners the 2-3 scenarios you have prepared beforehand, e.g.
  - You and your best friend are planning to go to a party on the weekend.
  - Your friend is helping you to organise a surprise party for your mother/father/brother/friend.
  - Your friend is very disappointed that she did not make it into the swimming team, etc.
- Explain to learners that they will each choose one of these scenarios on which to base a short simple dialogue. Remind learners of the features of a dialogue, e.g. a colon (:) is used to introduce the actual words spoken, the speaker’s name is underlined/bolded, etc.
- In pairs, learners talk about the dialogues they plan to write.

### ACTIVITY 2: WRITING, EDITING
- Learners write their dialogues. They check their sentences for spelling and punctuation.
- Learners read their completed dialogues to (or with) a partner. **Use for Assessment Task 3.**

### ACTIVITY 3: PERSONAL WRITING - DIARY WRITING
- Learners add to their personal writing. This week learners can describe a favourite game or pastime.
ASSESSMENT: Formal: recorded Assessment Task 3:

Use Activities 1 and 2 to rate the learners, recording any problems you have noticed, against the following milestones:

- Uses pre-writing strategies to gather information and plan writing
- Writes a selection of short texts for different purposes e.g. recounts, letters, dialogues, descriptions
- Uses a dictionary to find new vocabulary and check spellings
- Uses phonics knowledge and spelling rules to write more difficult words

Informal: unrecorded assessment: Read through every piece of personal writing and make a positive comment about the content rather than focusing on things like spelling and punctuation. Remember that a learner’s writing often reveals a lot about the child’s ‘world’, what he/she is experiencing, having difficulty with, enjoying, etc.

MILESTONES
- Listens to a story and works out cause and effect
- Expresses feelings and opinions about a text and gives reasons
- Plans and makes an oral presentation e.g. tells personal news, describes something experienced, recounts an event etc. using a visual aid
- Discusses solutions to a problem using higher order thinking skills

ACTIVITIES

DAILY MORNING ORAL WORK:
- Discuss the day/month/weather/birthday charts, and any special happenings.
- Continue to use the charts and the clock as the basis for word problems for the learners to solve. (See Term 3, Week 8.)
- Continue to write a ‘morning message’ on the board for the learners.
- Continue to have 3-4 learners each day share 3-4 minutes of personal or family news. Use for Assessment Task 3. Every learner should be assessed by the end of Week 8.

LISTENING AND SPEAKING

ACTIVITY 1: READ ALOUD
- Choose a poem or story that is likely to evoke emotions.
- Introduce and read the text to learners.

ACTIVITY 2: GROUP DISCUSSION
- Learners work in groups to respond to the poem using an OWL CHART. (See Term 1, Week 5 and Term 2, Week 9).
- Afterwards they can fill in a peer assessment form:

<table>
<thead>
<tr>

Use the completed form, together with your own observations, for Assessment Task 3.
ASSESSMENT: Formal: recorded Assessment Task 3:

Use Morning Oral Work each day to rate the learners, recording any problems you have noticed, against the following milestone:

- Plans and makes an oral presentation e.g. tells personal news, describes something experienced, recounts an event etc. using a visual aid

Every learner should be assessed against this milestone by the end of Week 8.

Use Activities 1 and 2 to rate the learners, recording any problems you have noticed, against the following milestone:

- Expresses feelings and opinions about a text and gives reasons

Remember that once learners begin to listen to poetry and to understand the way it is written they can begin to make up their own poems.
A good activity to help learners find pattern sounds or the rhythm of the words in poetry is to try beating different rhythms on a drum or on top of your desk and then asking learners to make sentences that repeat the rhythm.

SPELLING ACTIVITIES
- **Written task**: Each day, learners write five of the PHONICS words and a short sentence for each word into their Spelling Books to revise for homework.
- On Day 5 have a short, stress-free spelling test of the week’s words (as well as the sight words for the week).

### WEEK 9

#### ORAL WORK AND LISTENING & SPEAKING

<table>
<thead>
<tr>
<th>LO/ASs</th>
<th>LO 1 AS 1, 2</th>
<th>LO 2 AS 1, 5, 7</th>
</tr>
</thead>
</table>

**MILESTONES**
- Listens for the detail in stories and answers open-ended questions
- Expresses feelings and opinions about text and gives reasons
- Plans and makes an oral presentation e.g. tells personal news, describes something experienced, recounts an event etc. using a visual aid
- Discusses solutions to a problem using higher order thinking skills

#### ACTIVITIES

**DAILY MORNING ORAL WORK**
- Discuss the day/month/weather/birthday charts, and any special happenings.
- Continue to use the charts and the clock as the basis for word problems for the learners to solve. (See Term 3, Week 8.) Use for Assessment Task 4.
- Continue to write a ‘morning message’ on the board for the learners.

**LISTENING AND SPEAKING**

**ACTIVITIES 1 AND 2: TALKING ABOUT AN EVENT/CELEBRATION**
- Divide learners into small groups. Each learner in a group must prepare to recount an event or celebration e.g. a sports match, wedding or birthday party.
- You can write the following frame on the board to help learners structure their recount:

<table>
<thead>
<tr>
<th>ORAL FRAME: RECOUNT</th>
</tr>
</thead>
<tbody>
<tr>
<td>Title</td>
</tr>
<tr>
<td>Opening sentence: set the scene, say where and when it took place</td>
</tr>
<tr>
<td>Recount the events in the right order. First, then, after that, etc. Use the past tense.</td>
</tr>
</tbody>
</table>

- Group members should take it in turns to present their recount to the group.
- Afterwards, learners can fill in a Peer Assessment form.

<table>
<thead>
<tr>
<th>PEER ASSESSMENT</th>
</tr>
</thead>
<tbody>
<tr>
<td>My name</td>
</tr>
<tr>
<td>Group members</td>
</tr>
<tr>
<td>Did the speaker give me a good idea of the event?</td>
</tr>
<tr>
<td>Did the speaker say in what sequence the actions happened?</td>
</tr>
</tbody>
</table>

- Use the completed form, together with your own observations for Assessment Task 4.
ASSESSMENT: Formal: recorded Assessment Task 4

Use Morning Oral Work each day to rate the learners, recording any problems you have noticed, against the following milestone:

- Discusses solutions to a problem using higher order thinking skills.

Use Activities 1 and 2 to rate learners, recording any problems you have noticed, against the following milestone:

- Plans and makes an oral presentation e.g. tells personal news, describes something experienced, recounts an event etc. using a visual aid.

A high standard of learner motivation and behaviour is regarded as one of the most important measures of a good school. To achieve these goals it is important to use genuine praise and encouragement. Let each learner know that you are interested in him or her. Let learners know that you really value their contributions in class and group discussions.

**PHONICS: REVISION OF ‘I’, ‘O’, ‘U’ SOUNDS**
- This week you should revise different ‘i’, ‘o’ and ‘u’ sounds, e.g. short i, o, and u and –y, ie, i-e, o-e, oa, ow.
- Make the revision fun by using some of the games and activities suggested below. Remember that each day you must choose two oral activities and a written task. Here are some suggestions:
  - **Blending**: Sound out a word. Learners put the sounds together to make a word.
  - **Blending**: Sound out a word. Learners construct the word with their letters or do a ‘quick-write’ and write it on a whiteboard or slate.
  - **Segmenting**: Learners work in pairs to segment words on the board into 2/3 sounds.
  - **Written Task**: Learners re-arrange groups of letters to make words.
  - **Games**: Call out two words. Learners say if the words end with the same sound or not, e.g. goat treat (no), goat float (yes). Call out a word and let the learners provide another word that ends with the same sound.
  - **Written Task: Sorting**: Learners sort a mixed group of words according to their sound (long or short).
  - **Written Task: Constructing**: Learners re-arrange groups of letters to make words.

### ACTIVITIES

#### PHONICS: REVISION OF ‘A’ AND ‘E’ SOUNDS

- This week you should revise different ‘a’ and ‘e’ sounds, e.g. **short a and e and –y, ee, ea, ae, ay, ai**.

- Make the revision fun by using some of the games and activities suggested below. Remember that each day you must choose two oral activities and a written task. Here are some suggestions:
  - **Blending**: Sound out a word. Learners put the sounds together to make a word.
  - **Blending**: Sound out a word. Learners construct the word with their letters or do a ‘quick-write’ and write it on a whiteboard or slate.
  - **Segmenting**: Learners work in pairs to segment words on the board into 2/3 sounds.
  - **Written Task**: Learners re-arrange groups of letters to make words.
  - **Games**: Call out two words. Learners say if the words end with the same sound or not, e.g. **say key (no), say day (yes)**. Call out a word and let the learners provide another word that ends with the same sound.
  - **Written Task: Sorting**: Learners sort a mixed group of words according to their sound (long or short).
  - **Written Task: Constructing**: Learners re-arrange groups of letters to make words.
  - **Written Task: Sentences**: Learners choose the correct word (or letters) to copy and complete words/sentences.
DAILY SPELLING ACTIVITIES
