

Index: Chemistry Grade 12

Part A: PowerPoint Presentations

Chloroalkali Industry	Slides 1-21
Fertilizer Industry	Slides 22-58
Batteries	Slides 59-87
Organic Chemistry	Slides 88-172

Part B: Chemistry for Schools

Chemical Change	Page 30
Safety Guideline	Page 58
Organic Chemistry practical (Soap making and nylon making)	Page 66

Part C: Home Experiments

(This is a booklet)

- Experiment 1: Reaction Between Baking Soda And Vinegar
- Experiment 2: Production And Testing Of Carbon Dioxide
- Experiment 3: Dancing Raisins
- Experiment 4: Steel Wool Generating Heat
- Experiment 5: Making Your Own Indicator
- Experiment 6: Using Vinegar To Peel An Egg
- Experiment 7: Using baking soda and vinegar to fill balloons
- Experiment 8: Immiscible Solutions
- Experiment 9: Redox Reactions
