2012 SOUTH AFRICAN SCHOOLS CHORAL EISTEDDFOD PARTICIPATION RULES and PRESCRIBED MUSIC

1. NAME:

The name of this choral eisteddfod shall be known as the South African Schools Choral Eisteddfod, and shall remain as such unless the National Coordinating Committee, on advice by the Department of Basic Education or HEDCOM, changes it.

2. FRAMEWORK:

- 2.1 The South African Schools Choral Eisteddfod was introduced in terms of the *protocol for the organisation, management, coordination and monitoring of school music competitions and/or festivals for schools in South Africa* published by the Minister of Education in *Government Notice No. 21697* of 27 October 2000 and amended on 08 February 2010.
- 2.2 The South African Schools Choral Eisteddfod is one of the school enrichment programmes coordinated by the Department of Basic Education to promote unity in diversity, national reconciliation, a new South African national identity, social transformation and social cohesion among school-going South African youth.
- 2.3 The 2012 South African Schools Choral Eisteddfod will be organized, managed, coordinated and monitored by the National Coordinating Committee at the national level, and the nine provincial coordinating committees for the respective provinces. No other organization will organize or manage or coordinate events related to the South African Schools Choral Eisteddfod.
- 2.4 The organisation, management and coordination of all events of the South African Schools Choral Eisteddfod shall be as determined in these Participation Rules, the resolutions of the National Coordinating Committee and the Memoranda of Agreement with possible funders or sponsors (where such Memoranda exist).
- 2.5 Among their responsibilities, the provincial coordinating committees will determine the appropriate levels below the provincial championships to be organised and coordinated in their respective provinces. However, provincial coordinating committees will ensure that mass participation is the norm at the levels lower than the provincial championships of the South African Schools Choral Eisteddfod.

- 2.6 No category other than those determined through these Participation Rules will be introduced in any year of the South African Schools Choral Eisteddfod without the expressed consent of the National Coordinating Committee.
- 2.7 Only educators under the employ of the participating schools shall be allowed to conduct or direct schools taking part in the 2012 South African Schools Choral Eisteddfod. It is not permissible for one conductor or director to conduct or direct choirs from more than one participating school. A learner may conduct his /her school choir. In the case where a learner is a conductor, the choir manager must be an educator.
- 2.8 At the provincial championships and levels below, only the respective provincial coordinating committees can approve the exchange of conductors or directors between any number of schools. Only the National Coordinating Committee shall approve the exchange of conductors or directors of provincial champion schools that had qualified for the national championships of the 2012 South African Schools Choral Eisteddfod. The National Coordinating Committee will only consider formal representation from the respective provincial coordinating committees.

3. SECTIONS AND CATEGORIES OF THE 2012 SOUTH AFRICAN SCHOOLS CHORAL EISTEDDFOD:

- 3.1 The sections for the year 2012 will include choirs in schools in the General Education and Training (GET) Band, namely, the Foundation Phase (Grades R – 3/4), Intermediate Phase (Grades 4 – 6/7) and Senior Phase (Grades 7 – 9); as well as the choirs from schools in the Further Education and Training (FET) Band (Grades 10 – 12).
- 3.2 Schools starting from Grade 1-9 will be divided into two categories of choirs, i.e. Intermediate Phase and Senior Phase. Schools starting from Grade 1-12 will be divided into **three** categories of choirs, i.e. Intermediate Phase, Senior Phase and FET Band.
- 3.3 It must be borne in mind that the South African Schools Choral Eisteddfod is an event organised, managed and coordinated for school-going youth, and no one else. Any school that infringes upon this arrangement will be disqualified from participating in future events organised for the South African Schools Choral Eisteddfod. Whenever a need arises, the provincial coordinating committees, with the assistance of Provincial Education Departments, will verify whether participating learners are duly registered with their respective schools.
- 3.4 In the event that a section of the 2012 participation rules has been infringed upon, a formal dispute must be lodged with the project manager by a school principal, a conductor, an educator, the chairperson of a school governing body, or a concerned member of the community before the school choral ensemble or soloist descends the stage. If evidence to corroborate the dispute can be produced before the choral ensemble or soloist descends from the stage, the affected choral ensemble or soloist will be disqualified with immediate effect. If evidence to corroborate the dispute cannot be produced at the competition site, the responsible coordinating committee will ensure that the matter is brought to its close within forty-eight (48) hours. It is important to note that the process to disqualify choral ensembles or soloists must be fair and transparent.
- 3.5 Provincial coordinating committees must determine the music to prescribe for schools in the Foundation Phase (Grades R – 3/4), and the most appropriate voice combinations for such schools. In doing so, provincial coordinating committees must take into cognisance the age

and voice range of the learners. Events for learners from schools in the Foundation Phase (Grades R – 3/4) must end at the district or regional championships of the South African Schools Choral Eisteddfod.

- 3.6 Prescribed music for mixed choirs in the Intermediate Phase for 2012 shall not include the bass part as for SATB because of the maturity level of the voices of that age group.

- 3.13 Choirs in the Intermediate and Senior Phases, as well as school choirs in the FET Band, that are unable to perform the prescribed music because of stylistic preferences, the gender configuration of the schools, or the inability of the choir to perform the prescribed music are encouraged to create their own repertoires and participate in the ***Own Choice Category***. Choral ensembles, performing in the Open Own Choice Category of the 2011 South African Schools Choral Eisteddfod, that choose music of which the level of difficulty far exceeds that of the prescribed music, may be disqualified from any level of the 2012 South African Schools Choral Eisteddfod. - 3.16 Choirs in the Senior Phase and school choirs in the FET Band are encouraged to compose and perform their own HIV/AIDS Jingle on a relevant HIV/AIDS issue beyond awareness, e.g. caring, respect, healthy lifestyle, etc. that will not exceed a maximum of one (1) minute performance time. This HIV/AIDS Jingle will be combined with the performance of a ***Folklore Item*** that **will not exceed a maximum of five (5) minutes performance time**. The total performance time for the category ***HIV/AIDS Jingle & Folklore Item*** will not exceed **six (6) minutes** and the performance of the two pieces will be done together but adjudicated separately with an average of 100%.

3.17 The National Coordinating Committee will be liable for the transport, accommodation and catering for all provincial champions participating at the 2012 National Championships as follows:

3.18 All schools that have registered for the 2012 South African Schools Choral Eisteddfod must go through an elimination process as determined by the relevant coordinating structures of the 2012 South African Schools Choral Eisteddfod.

4. TIERS OF THE 2012 SOUTH AFRICAN SCHOOLS CHORAL EISTEDDFOD:

- (c) The school ensembles will only be directed and managed by educators under the employ of the participating schools. However, school choral ensembles may be trained or guided by musicians who may not be part of the respective schools, but performances at all levels of the 2012 South African Schools Choral Eisteddfod below the provincial championships, must be directed and managed by educators under the employ of the participating schools. *Educators employed by school governing bodies in terms of the South African Schools Act, 1996, shall also be eligible to conduct or direct their respective schools in the 2012 South African Schools Choral Eisteddfod.*

- (b) The National Coordinating Committee shall organise, manage and coordinate the national championships of the 2012 South African Schools Choral Eisteddfod. The Heads of Education Departments Committee (HEDCOM) shall have an oversight or monitoring responsibility at all levels of the 2012 South African Schools Choral Eisteddfod, and especially the national championships.

6. ADJUDICATION PROCESS:

6.1 A reputable adjudication panel has been established, which could be augmented as determined by the National Coordinating Committee. For provincial championships of the 2012 South African Schools Choral Eisteddfod, adjudicators will be deployed as determined by the National Coordinating Committee. Provincial coordinating committees can utilise panels of adjudicators as determined by the provincial coordinating committees themselves at the levels of the 2012 South African Schools Choral Eisteddfod lower than the provincial championships.

6.2 At the provincial championships a panel, consisting of *at least three members* of the adjudication panel will assess the performances of participating school choral ensembles and soloists. Each performance will be assessed according to the following criteria:

- (a) For the prescribed and the own choice pieces, marks shall be awarded as follows:
 - *technical correctness and relevance (out of 45 points)*: perfection, rhythm, phrasing, tempo, notes, as well as intonation;
 - *artistic impression and musical impact (out of 50 points)*: fidelity of style, musical interpretation, dynamics and agog, handling of the text, suggestivity or general effect, spiritual / pentecostal reverence, relevant emotional and musical expression, and flexibility and sensitivity of sound of the school choral ensemble or soloist; choreography and

6.3 Each panel will ensure that the marks allocated for performances are indicative of the level of such performances and are justifiable. This is an imperative at all the levels of the 2012 South African Schools Choral Eisteddfod for developmental purposes. The grading scale that the adjudication panel may apply is as follows:

RATING CODE	RATING	MARKS%
7	Outstanding achievement	80-100%

4	Adequate achievement	50-59%
3	Moderate achievement	40-49%
2	Elementary achievement	30-39%
1	Not achieved	0-29%

The adjudication panel will indicate the specific areas for improvement and further development for each performance.

- 6.4 At the national championships, all the levels and categories of the 2012 South African Schools Choral Eisteddfod will each be adjudicated by a panel consisting of a number of adjudicators to be determined by the National Coordinating Committee.
- 6.5 The final verdict of the adjudication panel at all levels of the 2012 South African Schools Choral Eisteddfod *will remain final and binding, and no discussion or correspondence will be entered into*, except where a formal dispute has been declared and confirmed by the respective responsible coordinating committees.

7. ITINERARY FOR THE 2012 SOUTH AFRICAN SCHOOLS CHORAL EISTEDDFOD:
