2013 SOUTH AFRICAN SCHOOLS CHORAL EISTEDDFOD

PARTICIPATION RULES AND PRESCRIBED MUSIC

1. NAME:

The name of this choral eisteddfod shall be known as the South African Schools Choral Eisteddfod, and shall remain as such unless the National Coordinating Committee, on advice by the Department of Basic Education or HEDCOM, changes it.

2. FRAMEWORK:

- 2.1 The South African Schools Choral Eisteddfod was introduced in terms of the *protocol for the organisation, management, coordination and monitoring of school music competitions and/or festivals for schools in South Africa* published by the Minister of Education in *Government Notice No. 21697* of 27 October 2000 and amended on 08 February 2010.
- 2.2 The South African Schools Choral Eisteddfod is one of the school enrichment programmes coordinated by the Department of Basic Education to promote unity in diversity, national reconciliation, a new South African national identity, social transformation and social cohesion among school-going South African youth.
- 2.3 The 2013 South African Schools Choral Eisteddfod will be organized, managed, coordinated and monitored by the National Coordinating Committee at the national level, and the nine provincial coordinating committees for the respective provinces. No other organization will organize or manage or coordinate events related to the South African Schools Choral Eisteddfod.
- 2.4 The organisation, management and coordination of all events of the South African Schools Choral Eisteddfod shall be as determined in these Participation Rules, the resolutions of the National Coordinating Committee and the Memoranda of Agreement with possible funders or sponsors (where such Memoranda exist).
- 2.5 Among their responsibilities, the provincial coordinating committees will determine the appropriate levels below the provincial championships to be organised and coordinated in their respective provinces. However, provincial coordinating committees will ensure that mass participation is the norm at the levels lower than the provincial championships of the South African Schools Choral Eisteddfod.

- 2.6 No category other than those determined through these Participation Rules will be introduced in any year of the South African Schools Choral Eisteddfod without the expressed consent of the National Coordinating Committee.
- 2.7 Only educators under the employ of the participating schools shall be allowed to conduct or direct schools taking part in the 2013 South African Schools Choral Eisteddfod. It is not permissible for one conductor or director to conduct or direct choirs from more than one participating school. A learner may conduct his /her school choir. In the case where a learner is a conductor, the choir manager must be an educator.
- 2.8 At the provincial championships and levels below, only the respective provincial coordinating committees can approve the exchange of conductors or directors between any numbers of schools. Only the National Coordinating Committee shall approve the exchange of conductors or directors of provincial champion schools that had qualified for the national championships of the 2013 South African Schools Choral Eisteddfod. The National Coordinating Committee will only consider formal representation from the respective provincial coordinating committees.

3. SECTIONS AND CATEGORIES OF THE 2013 SOUTH AFRICAN SCHOOLS CHORAL EISTEDDFOD:

- 3.1 The sections for the year 2013 will include choirs in schools in the General Education and Training (GET) Band, namely, the Foundation Phase (Grades R – 3/4), Intermediate Phase (Grades 4 – 6/7) and Senior Phase (Grades 7 – 9); as well as the choirs from schools in the Further Education and Training (FET) Band (Grades 10 – 12).
- 3.2 Schools starting from Grade 1-9 will be divided into two categories of choirs, i.e. Intermediate Phase and Senior Phase. Schools starting from Grade 1-12 will be divided into **three** categories of choirs, i.e. Intermediate Phase, Senior Phase and FET Band.
- 3.3 It must be borne in mind that the South African Schools Choral Eisteddfod is an event organised, managed and coordinated for school-going youth, and no one else. Any school that infringes upon this arrangement will be disqualified from participating in future events organised for the South African Schools Choral Eisteddfod. Whenever a need arises, the provincial coordinating committees, with the assistance of Provincial Education Departments, will verify whether participating learners are duly registered with their respective schools.
- 3.4 In the event that a section of the 2013 participation rules has been infringed upon, a formal dispute must be lodged with the project manager by a school principal, a conductor, an educator, the chairperson of a school governing body, or a concerned member of the community before the school choral ensemble or soloist descends the stage. If evidence to corroborate the dispute can be produced before the choral ensemble or soloist descends from the stage, the affected choral ensemble or soloist will be disqualified with immediate effect. If evidence to corroborate the dispute cannot be produced at the competition site, the responsible coordinating committee will ensure that the matter is brought to its close within forty-eight (48) hours. It is important to note that the process to disqualify choral ensembles or soloists must be fair and transparent.

- 3.5 Provincial coordinating committees must determine the music to prescribe for schools in the Foundation Phase (Grades R – 3/4), and the most appropriate voice combinations for such schools. In doing so, provincial coordinating committees must take into cognisance the age and voice range of the learners. Events for learners from schools in the Foundation Phase (Grades R – 3/4) must end at the district or regional championships of the South African Schools Choral Eisteddfod.
- 3.6 Prescribed music for mixed choirs in the Intermediate Phase for 2013 shall not include the bass part as for SATB because of the maturity level of the voices of that age group.

- (b) The National Coordinating Committee shall organise, manage and coordinate the national championships of the 2013 South African Schools Choral Eisteddfod. 6. ADJUDICATION PROCESS:

- 6.1 A reputable adjudication pool has been established, which could be augmented as determined by the National Coordinating Committee. For national championships of the 2013 South African Schools Choral Eisteddfod, adjudicators will be deployed as determined by the National Coordinating Committee. Provincial coordinating committees can utilise panels of adjudicators as determined by the provincial coordinating committees themselves at the levels of the 2013 South African Schools Choral Eisteddfod lower than the provincial championships.
- 6.2 At the provincial championships a panel, consisting of *at least three members* of the adjudication panel will assess the performances of participating school choral ensembles and soloists individually.
- (a) For the prescribed and the own choice pieces, an overall mark will be awarded based on the following aspects:
- *Tone quality*
 - *Diction,*
 - *Technique*
 - *Rhythm*
 - *Pitch*
 - *Interpretation(Musicianship)*
 - *Dynamics*
 - *Stage Deportment*
- (b) For the Folklore/Indigenous music item, marks shall be awarded as follows:

6.3 Each adjudicator will ensure that the marks allocated for performances are indicative of the level of such performances and are justifiable. This is an imperative at all the levels of the 2013 South African Schools Choral Eisteddfod for developmental purposes. The grading scale that the adjudication panel may apply is as follows:

1. 90—100%: SUPERIOR PERFORMANCE: This is a technically assured performance which successfully captured the depth of the score.
2. 80—89%: EXCELLENT PERFORMANCE: Performance generally meets technical demands with great application however the performer was unsuccessful in capturing the idiom of the score.
3. 70—79%: VERY GOOD PERFORMANCE: While the performance came across as technically sound and safe, it however displayed signs which are indicative of the lack, in both character and style.
4. 60 —69%: GOOD PERFORMANCE: The inherent value of the score was evident but there were glaring traces of musical faults.
5. 60% AND BELOW: FAIR PERFORMANCE: Each adjudicator will indicate the specific areas for improvement for each performance.

6.4 At the national championships, all the levels and categories of the 2013 South African Schools Choral Eisteddfod will each be adjudicated by a panel consisting of a number of adjudicators to be determined by the National Coordinating Committee. The adjudication panel will assess the performances of participating school choral ensembles and soloists individually

6.5 The final verdict of the adjudication panel at all levels of the 2013 South African Schools Choral Eisteddfod *will remain final and binding, and no discussion or correspondence will be entered into, except where a formal dispute has been declared and confirmed by the respective responsible coordinating committees.*
